

Physics Laboratory Policies and Procedures

- Physics Lab is used by physics students and chemistry subsidiary students of our College.
- If anyone other than mentioned above want to use any of the facilities of this lab, you are required to get permission letter from the HOD.
- Student ID card is compulsory while using the lab.
- Students have to enter the lab on time and sign the attendance register.
- Students are allowed to bring their observation note only in the lab, no other materials.
- Students must show the experiment result to the concerned teacher the next day of lab itself.
- The concerned teacher of lab will ensure the theory and procedures are clear to each student, then only students can do the experiment.
- We keep a register with students name, apparatus used and date in the lab. Students are responsible to replace any damaged or lost equipment if found damaging or losing it while doing their work.
- Students have to make sure that the apparatus are placed on position after their experiment done.
- Silence must be maintained in the lab at all time.
- The lab must keep clean and tidy at all time.
- Prior permission of the concerned teacher and laboratory assistant required for doing extra lab works for the students.
