## EMBLEM

The Candles in the Emblem represent Light of Knowledge. The large circle represents perfection. The name of College is written within the Circle of Perfection. In the centre is the Christian symbol of Cross which resembles the mathematical symbol for addition standing for Positive Thinking. The hood around the cross represents the tradition head gear of the church hierarchy representing Wisdom and Leadership. The book symbolizes the created knowledge representing academic exercises.

Written within the flexible ribbon entangling the candles of vision, are the words given to Saint Mary by the Arch Angel, “With God Nothing Shall Be Impossible”, that there is no doubt for miracles, strengthening the heart and spirit of the faithful. The year of establishment of the college is given under the emblem.

## MOTTO OF THE COLLEGE

“WITH GOD NOTHING SHALL BE IMPOSSIBLE” is the Motto of the College. It is adopted from Luke Chapter 1 Verse 37 of the Holy Bible. During the period of the establishment of the college, it’s founder Fr. Mathai Nooranal envisioned that no other words would better explain the trial and triumphs he faced in going ahead with his vision of a college in Wayanad against all odds imaginable and unimaginable. With God Nothing Shall be Impossible. Period.

## OUR DAILY SUBMISSION

*This day we dedicate ourselves,  
We wish to be led  
By the light of truth and justice,  
May that light purify us of our selfishness,  
And bring us peace and comfort,  
And guide us to learn and to grow in knowledge.  
Let that light  
Make our hearts gentle and calm,  
And make us strong against temptations,  
Furnish us serenity and strength,  
Hope and courage, generosity and love.  
We wish to be free from habits that weigh us down,  
And to have a vision of a new humanity.  
We wish to use our opportunities gratefully,  
And to place our learning  
At the service of our society and mankind.  
With this  
We dedicate ourselves.*

## THE BEGINNING OF AN ERA

St. Mary's College, Sulthan Bathery is a premier institution of the Malankara (Indian) Orthodox Syrian Church.

St. Mary's College, Sulthan Bathery is named after Saint Mary, the Mother of Jesus of Nazareth.

Jesus of Nazareth had many disciples. St. Thomas, popularly known as the 'Doubting Thomas' (for he was not ready to believe that Christ had resurrected from the dead unless he could see his Master himself), was sent to the eastern lands. St. Thomas is believed to have established the Church in Kerala in 52 AD.

The Malankara Orthodox Syrian Church claims the legacy of Saint Thomas the Apostle. The supreme head of Church, His Holiness the Catholicos holds the titular position to the 'Throne of Saint Thomas' and is the 91st Prelate to the throne.

The Church is Autocephalous; meaning, it has its own head and is not under an external Patriarch, Pope or authority making it autonomous both in spiritual and temporal matters.

The Church had to suffer many trials and tribulations over the centuries to protect its freedom and tradition of faith and worship.

The Apostolic Church maintains a strict hierarchy of the Supreme Head, His Holiness the Catholicos, the Bishops and the Priests.

1900 years after the arrival of Saint Thomas, Fr. Mathai Nooranal, (1928-2002) the young priest was appointed to the hills of Wayanad, particularly Sulthan Bathery in 1951 by His Grace Poulouse Mar Severios.

Though appointed for an initial term of just 1 year, Fr. Mathai Nooranal decided to stay on in spite of the adverse economic and climatic conditions.

### **The rest is history of Wayand**

Centuries back, there existed a civilization in Wayanad evidenced by the now famous Edakkal Cave inscriptions.

Centuries later, the land attracted the British as well who had their heart and mind in the black gold, namely Pepper grown abundantly in the forests of Wayanad. It finally resulted in all efforts to subjugate the land and the people much to the chagrin of those who believed in the freedom of thought and expression. Veera Kerala Pazhassi Raja, the Great was one of them. He thought that it was his duty and destiny to regain the freedom of his people.

He fought the British with the help and aid of the native tribes including the Kurichia tribes of Wayanad. He faced the bullets of the British army with the sparkling arrowheads powered by the bows of valour and local wisdom of battle and warfare.

Finally, the British had to bring in Major General Arthur Wellesley, the British army commandant Mysore, Canara and Malabar.

The 'Sepoy General' as the French Emperor Napoleon would later call him, (Ironically, the "sepoy" defeated Napoleon in his Waterloo in 1815) employed all his wits and tricks and finally succeeded in defeating the Raja in 1805. History of Wayanad was taking a new turn. Colonial exploitation as usual continued. The maiden lands and forests of Wayanad slowly gave way to large estates of Coffee and Tea. The British thrived. The natives just survived.

World War I and later World War II foretold great famine and misery to the common man. For food and survival, the common man from other parts of Kerala slowly started migrating to the rich and fertile land and marshes of Wayanad. People belonging to the Malankara Orthodox Syrian Christian community was one among them.

### **The rest is the history of modern Wayanad**

There emerged a different population in Wayanad which was a happy and often unhappy mix of the native Adivasis and the various communities from other parts of Kerala co existing in the district side by side.

Malankara Orthodox Syrian Church of the East has been in the vanguard of higher education scenario of Kerala for decades. It accords top priority to bringing quality education to the grass roots.

Armed with the provision of 250 acres of land elsewhere and the expected philanthropy of a prominent family of the Church, on 23.10.1963, an application was sent to the Government of Kerala by His Holiness Baselios Catholicose, the supreme head of the Church (the times of HH Baselios Gheevarghese II and the Catholicose designate His Grace Augen Mar Thimothios).

An year later procedures were initiated with a letter from the the University of Kerala (16.11.1964). In the meantime, the Secretary of Malabar Diocese Sri. M. C. Pothen responded to a letter from His Holiness Augen Ist that **"I would suggest that Your Holiness writes to Father Mathai Nooranal about this matter"**. Sri. M. C. Pothen was a prominent member of the Church and was a renowned planter in Malabar.

Opportunity was knocking at the door of Wayanad. **With no land, no building and no clue of any source of funding, Fr. Mathai Nooranal took up the challenge** at the young age of 38.

Fr. Mathai Nooranal (1928-2002) played the pivotal role in fulfilling the vision of the church, by putting forward all efforts. By the prayers and blessings of His Holiness and the Metropolitan Bishops, and the well wishes and support of the co-priests, members of the church as well as the general public, Fr. Mathai Nooranal made a dream come true.

**The college was formally inaugurated on 1st July 1965 by Rev. Fr. Mathai Nooranal**, the founder Chairman of the Governing Board at a meeting presided over by Late Sri. M. C. Pothen (Manamel), founder Secretary of the governing Board.

**The institution had the providence of the presence of a Bishop when more than a year later, in 1967 His Grace Thomas Mar Thimothios, the newly ordained Bishop took charge of the Diocese**, His Grace became the President of Governing Board and Fr. Mathai Nooranal changed over as Secretary of Governing Board and Sri M. C. Pothen became the Treasurer. Sri. Pothen remained in the office until he expired in 1993.

Sri. K. M. Cherian (Kandathil) and Sri. K. M. Mathew (Kandathil), both Chief Editors of Malayala Manorama were pillars of strength for

Fr. Mathai Nooranal during the foundation of the college as well during the significant years of its development.

Sri. Jacob Mathew, Director and Executive Editor, Malayala Manorama, remained in the office of the treasurer from 1993 to 2003.

H. G. Kuriakose Mar Clemis had been the Manager and President of the Board since 1991 (and Treasurer from 2003 to 2009).

H.G. Abraham Mar Epiphanius assumed charge as the President, Governing Board and Manager in April 2009 with additional powers of Treasury.

### ***Post Script:-***

*History would have us to take note that in spite of the government sanction, 250 acres of land and the promise of funding by a family, a college did not happen elsewhere; but it did happen at Wayanad in 1965 in spite of having no land and no source of funding. It is ironic; truth is stranger than fiction, often.*

## ACADEMIC ADMINISTRATION

The general academic administration consists of a hierarchy of the Principal at the top with the statutory College Council to aid and advice him/her. The quality of academic administration is maintained by the Internal Quality Assurance Cell (IQAC). The students are in direct contact with the large number of Tutors who take care of each class of students. The Tutors work in consonance with the leadership of the Heads of Departments.

Thus the Academic Administration consists of a hierarchy of Principal, College Council, IQAC, Heads of Departments and Tutors.

## THE DEPARTMENT OF COMPUTER APPLICATIONS

The interest of the founders of St. Mary's College, Sulthan Bathery was to make the students competent enough to face the world of technology. The Department of Computer Applications was initiated in the year 1999. It was then the only college which was offering a degree in BCA under the University of Calicut. The department soon became the pride of the college as there was a great demand for the graduates itself for job opportunities in the IT field and in banking areas. But many have opted for higher education too. The Department is equipped with a well-furnished computer laboratory with internet facility. The Department caters to students from Kerala, Lakshadweep and international students from Afghanistan. Many of the students of this department are placed in the top most IT companies in and around India and abroad, like TCS, Infosys, Wipro Technologies, Patni Computer Systems, HCL, and IBM.

## THE DEPARTMENT OF ENGLISH

Nestling atop the lush green and serene Kuppadi Hill, amid rich coffee and pepper plantations, St.Mary's College, Sulthan Bathery, the pioneering higher education centre in Wayanad has fostered lofty ideals and made remarkable contributions in the field of education over five decades. The department has formed part of the college ever since its inception in 1965. The department was upgraded into a full fledged independent department in 1995 on the introduction of B.A. English Language and Literature. In the Choice Based Credit and Semester System (CCSS) English is taught as Common Course for all disciplines in the university curriculum.

The department offers both Post Graduate and Undergraduate programmes in English by two separate and independent divisions namely post graduate division and under graduate division.

The dept. of Physics was established along with the inception of the college in 1965. Started under the headship of Prof. M.O. Oommen, the department made most of its resources and achievements under his long and brilliant tenure. Considering the backwardness of this hilly district and the urgent need of science education, the department started to offer B.Sc Physics from 1970 onwards and which was the first science degree course in Wayanad. In October 2001 the department was elevated as a Post Graduate Department with MSc Physics programme and this was the first Post Graduate course in Physics in Wayanad.

- 5.7 BOS should make the changes in the syllabi and text books in consultation with the teachers. At least two meetings of teachers

may be held in every department in every college, one in mid-year and one towards the year end. The recommendations of these meetings should be sent to the Boards of Studies.

- 5.8 Boards of Studies have to be constantly in touch with renowned Indian Universities, and at least a few foreign universities. Subject experts have to be identified in all major fields of study and endeavour, and consulted frequently.

## 6. REGISTRATION

- 6.1 Each student shall register for the courses he/she proposes to take through 'on line', in consultation with the Faculty Adviser within two weeks from the commencement of each semester. The college shall send a list of students registered for each programme in each Semester giving the details of courses registered, including repeat courses, to the university in the prescribed form within 45 days from the commencement of the semester.
- 6.2 A student shall be permitted to register for the examination also. If registration for examination is not possible owing to shortage of attendance beyond condonation limit, the student shall be permitted to move to the next semester. In such cases, a request from the student may be forwarded through the principal of the college to the University within two weeks of the commencement of that semester. An undertaking from the Principal may also be obtained stating that the students will be permitted to make up the shortage of attendance in that semester after completing 6 semesters. (Students shall make up the shortage of attendance in 'Repeat Semester' after completion of the programme). The 'Repeat Semester' shall be possible only once for the entire programme and shall be done in the same college.
- 6.3 A student who registered for the course shall successfully complete the programme within 6 years from the year of first registration. If not, such candidate has to cancel the existing registration and join afresh as a new candidate.

## 7 EXAMINATION

- 7.1 There shall be University examinations at the end of each semester.
- 7.2 Practical examinations shall be conducted by the University at the end of fourth and sixth semester (except for music). Conduct of Practical examinations in the second semester as per the syllabi may be permitted for Language Reduced Pattern (LRP).
- 7.3 External Viva-voce, if any, shall be conducted along with the practical examination/ project evaluation.
- 7.4 The model of question papers may be prepared by the concerned BOS. Each question should aim at- 1) Assessment of the knowledge acquired. 2) standard application of knowledge. 3) Application of knowledge in new situations.
- 7.5 Different types of questions shall possess different marks to quantify their range. Maximum marks can vary from course to course depending on their comparative importance. But a general pattern as shown in section 8.5 may be followed by the Boards of studies.
- 7.6 Project evaluation shall be conducted at the end of sixth semester. 20 % of marks are awarded through internal assessment.
- 7.7 In the (CUCBCSSUG 2014 scheme) - UG pattern, the common course IV will cover the whole aspects of the syllabi for Environmental studies. So there is no need of conducting a separate examination in Environmental studies for the students of CUCBCSSUG 2014 scheme.
- 7.8 Improvement Course: Improvement of a particular semester can be done only once. The student shall avail the improvement chance in the succeeding year after the successful completion of the semester concerned. The internal marks already obtained will be carried forward to determine the new grade/mark in the improvement examination. If the candidate fails to appear for the improvement examination after registration, or if there

is no change in the results of the improved examination, the mark/grade obtained in the first appearance will be retained. Improvement and Supplementary examinations cannot be done simultaneously.

## 8 EVALUATION AND GRADING

8.1 Mark system is followed instead of direct grading for each question. For each course in the semester letter grade, grade point and % of marks are introduced in 7- point indirect grading system as per guidelines given in Annexure- L.

8.2 Course Evaluation:

The evaluation scheme for each course shall contain two parts: Internal assessment (2) external evaluation 20% weight shall be given to the internal assessment. The remaining 80% weight shall be for the external evaluation.

8.3 Internal Assessment:

20% of the total marks in each course are for internal examinations. The marks secured for internal examination only need be sent to university by the colleges concerned. The internal assessment shall be based on a predetermined transparent system involving written test, assignments, seminars and attendance in respect of theory courses and lab test/records/viva and attendance in respect of practical courses.

Internal assessment of the project will be based on its content, method of presentation, final conclusion and orientation to research aptitude.

Components with percentage of marks of Internal Evaluation of Theory Courses are Attendance 25 %, Assignment/ Seminar / Viva 25 % and Test paper 50%. For practical courses- Attendance 25 %, Record 50% and lab involvement 25 % as far as internal is concerned.

(If a fraction appears in Internal marks, nearest whole number is to be taken) Attendance of each course will be evaluated as below-

Above 90% attendance	100% marks allotted for attendance
85 to 89%	80%
80 to 84%	60%
76 to 79%	40%
75%	20%

To ensure transparency of the evaluation process, the internal assessment marks awarded to the students in each course in a semester shall be notified on the notice board at least one week before the commencement of external examination. There shall not be any chance for improvement for internal marks. The course teacher(s) shall maintain the academic record of each student registered for the course, which shall be forwarded to the University by the college Principal after obtaining the signature of both course teacher and HOD)

- 8.4 Moderation: a) Moderation shall be awarded subject to a maximum of 5 % of external total marks to be awarded In Semester.
- b) For a course concerned, the maximum of moderation awarded shall be limited to 10% of the total marks to be awarded for the external course concerned.
- c) If a student fails for a single course, this limit can be enhanced to 15 % of external in the course.
- d) However, Board of examiners concerned shall have the liberty to fix low percentage of marks for moderation subjected to the conditions mentioned in a), b) and c).
- e) External Evaluation:

External evaluation carries 80 % of marks. External evaluation of even (2, 4, 6) semesters will be conducted in centralized valuation camps immediately after the examination. Answer scripts of Odd Semester (1, 3, and 5) examinations will be evaluated by home valuation. All question paper shall be set by the university.

The external examination in theory courses is to be conducted with question papers set by external experts. The evaluation of the answer scripts shall be done by examiners based on a well defined Scheme of valuation and answer keys shall be provided by the University. The external examination in practical courses

shall be conducted by two examiners - one internal and an external, appointed by the University. The project evaluation with viva can be conducted either internal or external whichever may be decided by the BOS concerned. No practical examination will be conducted in odd semester. Practical examinations shall be conducted in the even semester (II, IV and VI) as per the decision of the appropriate academic bodies.

- 8.1 After the external evaluation only marks are to be entered in the answer scripts. All other calculations including grading are done by the university.
- 8.7 Revaluation: In the new system of grading, revaluation is permissible. The prevailing rules of revaluation are applicable to CUCBCSSUG 2014.
- 8.8 Students can apply for photocopies of answer scripts of external examinations. Applications for photocopies/Scrutiny/ revaluation should be submitted within 10 days of publication of results. The fee for this shall be as decided by the university.

## **9. INDIRECT GRADING SYSTEM**

- 9.1 INDIRECT GRADING SYSTEM based on a 7 -point scale is used to evaluate the performance of students.
- 9.2 Each course is evaluated by assigning marks with a letter grade (A, B, C, D, E or F) to that course by the method of Indirect grading.
- 9.3 An aggregate of E grade with 40 % marks (after external and internal put together) is required in each course for a pass and also for awarding a degree.
- 9.4 Appearance for Internal Assessment (1A) and End Semester Evaluation (ESE-external)) are compulsory and no grade shall be awarded to a candidate if she/he is absent for IA/ESE or both. For a pass in each course 40% marks or E grade is necessary.
- 9.5 A student who fails to secure a minimum grade for a pass in a course is permitted to write the examination along with the next batch.
- 9.6 After the successful completion of a semester, Semester Grade Point Average (SGPA) of a student in that semester is calculated using the formula given below. For the successful completion of a semester, a student should pass all courses. However, a student

is permitted to move to the next semester irrespective of SGPA obtained.

SGPA of the student in that semester is calculated using the formula

**SGPA = Sum of the credit points of aa courses in a semester**

**Total credits in that semester**

9.7 The Cumulative Grade Point Average (CGPA) of the student is calculated at the end of a programme. The CGPA of a student determines the overall academic level of the student in a programme and is the criterion for ranking the students.

CGPA can be calculated by the following formula:

**CGPA = Total credit points obtained in six semesters**

**Total credits acquired (120)**

SGPA and CGPA shall be rounded off to two decimal places. CGPA determines the broad academic level of the student in a programme and is the index for ranking students (in terms of grade points).

An overall letter grade (Cumulative Grade) for the entire programme shall be awarded to a student depending on her/his CGPA (See Table 1 in Annexure-1)

## **10. GRADE CARD**

10.1 The University shall issue to the students grade/marks card (by online) on completion of each semester, which shall contain the following information:

- a) Name of University
- b) Name of college
- c) Title of Under-Graduate Programme
- d) Semester concerned
- e) Name and Register Number of student
- f) Code number, Title and Credits of each course opted in the semester
- g) Internal marks, External marks, total marks, Grade point (G) and Letter grade in each course in the semester

- h) The total credits, total credit points and SGPA in the semester (corrected to two decimal places)
  - i) Percentage of total marks
- 10.2 The final Grade/mark Card issued at the end of the final semester shall contain the details of all courses taken during the entire programme including those taken over and above the prescribed minimum credits for obtaining the degree. However, as already mentioned, for the computation of CGPA only the best performed courses with maximum grade points alone shall be taken subject to the minimum credits requirements (120) for passing a specific degree. The final grade card shall show the percentage of marks, CGPA (corrected to two decimal places) and the overall letter grade of a student for the entire programme. The final grade/mark card shall also include the grade points and letter grade of common courses, core courses, complementary courses and open courses separately. This is to be done in a seven point indirect scale.

## 11. AWARD OF DEGREE

The successful completion of all the courses (common, core, complementary and open courses) prescribed for the degree programme with E grade (40 %) shall be the minimum requirement for the award of degree.

- 11.1 Degree for Oriental Title Courses: Those students who have passed Oriental Title courses earlier have to appear for the common courses A 01 to A 05 in order to get POT degree. This can be done through SDE (SDE registration along with the I Semester students).
- 11.2 For obtaining additional degree: Those students who have passed UG programme under CCSS have to appear only core, Complementary and Open courses for acquiring additional degree. The registration for additional degree shall be done through SDE in the III semester.

## 12. GRIEVANCE REDRESSAL COMMITTEE

- 12.1 College level: The College shall form a Grievance Redressal Committee in each department comprising of course teacher and one senior teacher as members and the Head of the department

as chairman. This committee shall address all grievances relating to the internal assessment grades of the students. There shall be a college level Grievance Redressal Committee comprising of student advisor, two senior teachers and two staff council members (one shall be elected member) as members and principal as chairman.

12.2 University level: The University shall form a Grievance Redressal Committee as per the existing norms.

13. **Steering committee** consisting of two syndicate members of whom one shall be a teacher, the registrar of the university, controller of examinations, seven teachers from different disciplines (preferably one from each faculty), two chair persons of Board of studies (one UG and 1 PG), and two deans of faculty shall be formed to resolve the issues, arising out of the implementation of CUCBCSSUG 2014. The syndicate member who is also a teacher shall be the convener of the committee. The quorum of the committee shall be six and meeting of the committee shall be held at least thrice in an academic year. The resolutions of the committee will be implemented by the Vice Chancellor in exigency and this may be ratified by the Academic council.

#### 14. TRANSITORY PROVISION

Not with standing anything contained in these regulations, the Vice-Chancellor shall, for a period of three year from the date of coming in to force of these regulations, have the power to provide by order that these regulations shall be applied to any programme with such modifications as may be necessary.

#### 15. REPEAL

The Regulations now in force in so far as they are applicable to programmes offered by the University and to the extent they are inconsistent with these regulations are hereby repealed. In the case of any inconsistency between the existing regulations and these regulations relating to the Choice-based Credit Semester System in their application to any course offered in a College, the latter shall prevail.

### Annexure-1

#### Method of Indirect Grading

Evaluation (both internal and external) is carried out using Mark system. The grading on the basis of a total internal and external marks will be indicated for each course and for each semester and for the entire programme.

Indirect Grading System in 7 point scale is as below:

To find Semester Grade Point Average (SGPA) :

$$\text{SGPA} = \frac{\text{Sum of the credit points of all courses in a semester}}{\text{Total credits in that semester}}$$

$$\text{SGPA} = \frac{C1G1 + C2G2 + C3G3 + \dots}{c1+c2+\dots}$$

Where G1, G2.....are grade points and C1, C2...are credits of different courses of the same semester  
 Credit point of a semester = SGPA X Credit load of the semester

#### Seven Point Indirect Grading System

% of Marks (1A+ESE)	Grade	Interpretation	Grade Point Average (G)	Range of grade points	Class
90 and above	A+	Outstanding	6	5.5-6	First Class
80 to below 90	A	Excellent	5	4.5-5.49	With Distinction
70 to below 80	B	Very good	4	3.5-4.49	First Class
60 to below 70	C	Good	3	2.5-3.49	
50 to below 60	D	Satisfactory	2	1.5-2.49	Second Class
40 to below 50	E	Pass/Ad-equate	1	0.5-1.49	Pass
below 40	F	Failure	0	0-0.49	Fail

**Example 1**

Course code	Course Name	Marks Obtained			Max. Marks of the course	credit c	Grade point (G)	Credit - point CxG	Grade
		Internal (Max.20)	External (Max.80)	Total					
xxxxx	xxxxx	16	64	80	100	4	5	20	A
xxxxx	xxxxx	10	40	50	100	3	2	6	D

xxxxx	xxxxx	18	58	76	100	3	4	12	B
xxxxx	xxxxx	22	35	48	100	4	1	4	E

**SGPA = Sum of the credit points of all courses in a semester**  
**Total credits in that semester**

$$\text{SGPA} = \frac{20+6+20+12+12+4}{21} = 3.52 \text{ B grade}$$

21 21

credit point of Semester I =74

Percentage of marks of semester I =  $\frac{74}{120} \times 100 = 61.67\%$   
 Note: The percentage of marks shall be approximated up to two decimal points (ex. 65.286 % = 66.29%)

**Example 2**

Course code	Course Name	Marks Obtained	Max. Marks of the course	credit c	Grade point (G)	Grade
xxxxx	xxxxx	80	100	4	5	A

xxxxx	xxxxx	32	100	3	0	F
xxxxx	xxxxx	48	100	4	1	E

\*Failed Course

Note : In the event a candidate fails to secure E grade (40 % marks) in any course in a semester, consolidation of SGPA and CGPA will be made

only after obtaining E grade (40 % marks) in the failed course in the subsequent appearance.
