

National Service Scheme Activities Report 2017-18

St. Marys Collge , Sulthan Bathery

Vegetable garden

Vegetable garden was planted in the college premises. 40 NSS volunteers actively involved in the work and different vegetable were planted includes, Green chili, amaranthus, ladies finger, brinjal etc.

Surveys

In view of the deficiency in the availability of water resources, team of 50 NSS volunteers divided in to different groups, conducted a survey on water resource management in Kuppadi village on 24/9/2017 and 30/9/2017. Different natural water resources were identified and details about its current status were collected. About 200 houses were visited to collect details about water resource management. Data's were analyzed and a copy of the same was submitted to the municipality.

NSS unit has conducted a detailed survey in Sulthan Bathery Thaluk to assess the extent of success in the implementation of Kerala government projects, Entemaram, Nammude maram and Harithakeralam. After conducting survey in 25 educational institutions, in NGOs and in various clubs a detailed report has submitted to the Forest department, Govt. of Kerala.

Hair donation camp

NSS unit has conducted a hair donation camp in the college on 9/11/2017 in collaboration with Sreyas, Sulthan Bathery, to support cancer patients undergoing chemotherapy. Camp was inaugurated by honorable MLA Sri.I.C Balakrishnan in presence of college officials and representatives from Sreyas. NSS volunteers has identified 11 hair donors from the campus and they had donated hair in the camp.

Awareness campaign on palliative day

Volunteers had conducted awareness campaign in Sulthan Bathery town on palliative day, 15th January 2018. Group of 15 NSS volunteers performed street dramas in five different location of Sulthan Bathery town to address the public about the important of giving palliative care to the needed ones and to make the public aware of the deficiency of volunteers especially from youth in this field.

Special day observations and other activities

NSS units also observe special days by organizing various programs. This year unit observed Environmental day, Independence day, reading week, aids day, NSS day and republic day. Special guests gave talk on the occasion and various programmes has been conducted for the volunteers. As part of regular activity NSS volunteers plant trees in the campus and cleaning has been done. Unit maintains a blood group directory holding the blood group details of over 1200 students. Unit took initiative to help people in the adopted colony by supporting in their house construction works. Also, NSS unit work by joining hand with the forest department in senna plant removal project.
