PREFACE TO THE FIRST EDITION

The service personnel of the State Kerala comprise officers of the former Travancore-Cochin State, those transferred from the former Madras State on the date of reorganization of the States those appointed to the service of the new State on or after 1st November 1956. The officers of the former Travancore - Cochin State themselves consist of officers who belonged to the former States of Travancore and Cochin. The service conditions of these different categories of officers are now governed by three different sets of Rules, viz., (1) The Travancore Service Regulations, (2) The Cochin Service Regulations and (3) The Fundamental Rules (Madras), the Madras Pension Code and the Madras Manual of special Pay and Allowances. The need for a unified set of rules to regulate the service conditions of the employees of the State of Kerala is obvious. Accordingly Government are pleased to issue these new unified rules under the proviso to Article 309 of the Constitution of India.

2. The rules are set forth in three parts as follows :-

Part I - Rules relating to the General Conditions of Service, Pay fixation,

Leave, Joining time, Foreign Service, etc.

Part II - Rules relating to Travelling Allowance

Part III - Pension.

3. These rules are applicable to all officers who entered the service of the Kerala State on or after the 1st November, 1956. The rules are also applicable to those who came into the service of this State from the former State of Travancore - Cochin and the former Madras State and who elect to be governed by these rules. No option will however be given in regard to the T.A. Rules. All officers will be governed by the new rules in the matter of Travelling Allowance.

 - (a) who was not in the service of the Government of Travancore-Cochin or the Government of Madras on 31st October 1956, or
 - (b) who was in the service of the Government of Travancore-Cochin or the Government of Madras on 31st October 1956 and who continued to be in the service of the Government of Kerala, but has opted to be governed by these rules in accordance with such conditions as may be laid down by the Government in this behalf; or
 - (c) who was absorbed to Government service on or after 1st November 1956, but who prior to such date was in the service of any quasi-Government or other institution and whose appointment and conditions of service were governed by any law or rule made under any law for the time being in force, if such person exercises his option to be governed by these rules, subject to such conditions as may be laid down by Government in this behalf.

Ruling

- (ii) Notwithstanding anything contained in Rule 2 the Government may, by notification in the Gazette, exclude wholly or in part from the operation of these rules any officer or any class of such officers to whom the Government shall declare that the rules cannot suitably be applied, and these rules shall thereupon to the extent of such exclusion, cease to apply accordingly.

** *Note*.- These rules as a whole shall not apply to the persons appointed to the service of the Government temporarily under Rule 9 of Part II of the Kerala State and Subordinate Service Rules, 1958, except to the extent specified by the Government.

**[G O(P) No. 77/1987/Fin., Dated 22/01/1987]

Government Decision

**The direct recruits to the personal staff of the Ministers will be governed by the service conditions specified in the Special Rules applicable to them and in respect of any matter not covered by the provisions in such Special Rules, the provisions in the Kerala Service Rules will apply.

4. If any doubt arises as to whether these rules apply to any person, the matter shall be referred to the Government and the decision of the Government shall be final.
5. Nothing in these rules or in any rule made thereunder shall operate to deprive any person of any right or privilege to which he is entitled,-
 - (a) by or under any law, or
 - (b) by the terms of any contract or agreement subsisting between such person and Government on the date these rules come into force.
6. Subject to the provisions of Rule 5, nothing in these rules or any rule made under these rules shall operate to affect to the disadvantage of any person holding a substantive post under Government to whom these rules apply, the conditions of service in respect of pay, leave, allowances, pension or any other matter which are applicable to him-
 - (a) on the date these rules came into force, or
 - (b) by virtue of any order or rule made by the Government, unless such person gives his consent.
7. Where Government are satisfied that the operation of any rule under these rules causes undue hardship in any particular case, the Government may dispense with or relax the requirements of that rule to such extent and subject to such conditions as they may consider necessary for dealing with the case in a just and equitable manner.

**[G O(P) No. 68/1965/Fin., Dated 16/02/1965]

8. When in the opinion of the Government, special provisions inconsistent with any of these rules or of any rules made thereunder are required in respect of conditions of service, pay and allowances, leave and pension or any of them, with reference to any particular post, it shall be open to the Government, notwithstanding anything contained in these rules, to provide by agreement with the person appointed to such post for any of the matters in respect of which in the opinion of the Government special provisions are required to be made, and to the extent to which such provisions are made in the agreement, nothing in these rules or in any rules made thereunder shall apply to any person so appointed in respect of any matter for which provision is made in the agreement :
Provided that in every agreement made it shall further be provided that in respect of any matter in respect of which no provision has been made in the agreement, the provisions of these rules or of rules made thereunder shall apply. (For model form of agreement *See* Appendix I).
9. The Government may delegate to any of its officers subject to any conditions which it may think fit to impose any power conferred upon it by these rules with the following exceptions :-
 - (a) power to make rules;
 - (b) [Deleted];
 - (c) power to regulate the terms and conditions for grant of compensatory allowances;
 - (d) to determine the standard rent of buildings and the rent recoverable from an officer occupying the residence;
 - (e) to remit leave and pension contributions in respect of an officer transferred on foreign service; and
 - (f) to permit an officer on foreign service to receive pension or gratuity from foreign employer.

10. No powers may be exercised or delegated under these rules except after consultation with the Finance Department. It shall be open to that Department to prescribe, by general or special order, cases in which its consent may be presumed to have been given.
11. The Government reserve to themselves the power to modify these rules as may from time to time seem expedient and to interpret them in case of doubt.

Ruling

An officer's claim to pay and allowances is regulated by the rules in force at the time in respect of which the pay and allowances are earned; to leave, by the rules in force at the time the leave is applied for and granted; and to pension, by the rules in force at the time when the officer resigns or is discharged from the service of the State.

Persons governed by the Kerala Service Rules who were on leave on the crucial date, i.e. 1st November 1959, the leave having been sanctioned in good faith and availed of from a date prior to 1st November 1959 will be treated to have come over to the leave rules in the Kerala Service Rules on the expiry of the first spell of leave originally sanctioned. Any further extension of such leave after 1st November 1959 should be regulated only in terms of the rules in Kerala Service Rules. No arrears will, however, be paid, nor amounts drawn in excess recovered as a result of such readjustment of leave.

CHAPTER II

DEFINITIONS

12. Unless there be something repugnant in the subject or context the terms defined in this chapter are used in the rules in the sense here explained :-
 - (1) **Actual Travelling Expenses.**- means the actual cost of transporting an officer and his personal luggage including charges for ferry and other tolls and for carriage of camp equipment, if necessary. It does not include charges for hotels, travellers bungalows or refreshments or for the carriage of stores or conveyances or for presents to coachmen and the like, or any allowance for such incidental losses or expenses as the breakage of crockery, wear and tear of furniture and the employment of servants.
 - (2) **Apprentice.**- means a person deputed for training with a view to employment in Government service, who draws pay at monthly rates from Government during such training, but is not employed in or against a substantive vacancy in the cadre of a department.
 - (3) **Audit Officer.**- means the Head of the Office of Accounts and Audit subordinate to the Comptroller and Auditor General of India, whether designated as Comptroller or Accountant General or by any other designation.
 - (3A) ***Average Pay.**- [Deleted].
 - (4) **Cadre.**- means the strength of a service or part of a service sanctioned as a separate unit.
 - (5) **Compensatory Allowance.**- means an allowance granted to meet personal expenditure necessitated by the special circumstances in which duty is performed. It includes Travelling Allowance.
 - (5A) **Competent Authority.**- Competent authority in respect of any officer, in so far as any power delegated under these rules is concerned, means the authority

*[G O(P) No. 491/1975/Fin., Dated 24/10/1975]

to which such power has been delegated and where no such specific delegation has been made, the competent authority is, unless otherwise stated, the authority in whom the power to appoint such officer has been or is vested from time to time by the State Government.

- (6) **Day**.- means a calendar day, beginning and ending at midnight; but an absence from headquarters which does not exceed 24 hours shall be reckoned for all purposes as one day, at whatever hours the absence begins or ends.
- (7) **Duty** .- Duty includes-
- (i) Service as a probationer or apprentice, provided that such service is followed by confirmation.
 - (ii) Joining time.
 - (iii) A course of instruction or training which an officer undergoes specially ordered by Government to be treated as duty.

Note 1.- A student, stipendiary or otherwise, who is entitled to be appointed to the service of Government on passing through a course of training at a University, College or School shall unless in any case it be otherwise expressly provided in the terms of his appointment, be treated as on duty during the interval between the satisfactory completion of the course and his assumption of duties.

Note 2.- An officer required or permitted to attend an obligatory departmental examination may be treated as on duty during the day or days of the examination and during the reasonable time required for the journey, if any, to and from the place of examination.

Explanation.

*The term 'obligatory departmental examination' means-

- (i) any test a pass in which is prescribed for the successful completion of probation or training of an officer, whether recruited direct or by transfer;

*[G O(P) No. 366/1976/Fin., Dated 26/11/1976]

- (ii) any test a pass in which is prescribed for the purpose of making an officer eligible for increment or for confirmation in any post;
- (iii) any test a pass in which is prescribed for promotion to any higher post coming in the line of promotion in the department concerned ;
- (iv) any test a pass in which is prescribed as a qualification for continuance in the post;
- (v) any test a pass in which is newly prescribed for persons already in the service concerned.

Note 3.- The period spent on training by officers who are reservists of the Defence Forces and the period of their journey to and from the training centre may be treated as duty.

Ruling

In all cases of deputation of officers for a course of instruction or training under these rules, the period of such training, if treated as duty under sub-clause (iii) of the above rule, should be specified as such in the orders sanctioning such deputation. A separate clause that the period will count for increment, leave and pension is not necessary in such cases. In case where an officer selected for training is found unsuitable on medical examination or otherwise, the period spent by him in India for journey for medical examination, etc. in connection with the training will be treated as leave and no Travelling Allowance will be allowed for such journeys

Note 4.- †When a Government Servant on return from leave, training, foreign service or on termination of previous appointment, has compulsorily to wait for orders of posting, the interval between the date of report and the date on which he takes charge of his duties shall be treated as 'duty' provided that the interval between the date of receipt of orders

†[G O(P) No.475/1975/Fin., Dated 09/10/1975]

and his assumption of duties shall not in any case exceed the amount of joining time admissible under Rule 125 (a). During such period of duty, he will be entitled to pay according to Rule 26. Avoidable delay caused in giving posting orders in such cases shall render the authorities concerned, liable for the excess expenditure, if any, caused thereby.

* [Omitted]

Note 6.- When a Government Servant is deputed by Government to participate in a Civil service Tournament as a member of the team or to participate in the coaching camps organised in connection thereto, the period spent for participation in such tournaments/coaching camps, including the time taken for to and fro journeys will be treated as duty.

Explanation.-

**The term 'Civil Service Tournament' shall mean India Civil Services Tournaments organised by (a) the Central Civil Service Sports Control Board, (b) State Governments on behalf of the above Board and (c) Sports Councils or Associations authorised by the State Government, on behalf of the Central Civil Service Sports Control Board.

The note shall be deemed to have come into force with effect from 1st July 1980.

- (8) **Fee.**- means a recurring or non-recurring payment to an officer from a source other than the General Revenues whether made directly to the officer or indirectly through the intermediary of Government but does not included-
- (a) unearned income, such as income from property, dividends and interests on securities ; and
 - (b) income from literary, cultural or artistic efforts, if such efforts are not aided by the knowledge acquired by the officer in the course of his service.

*[Omitted G O(P) No.78/2007/Fin., Dated 28/02/2007]

**[G O(P) No. 211/1982/Fin., Dated 05/05/1982]

- (9) **Foreign Service.**- means service in which an officer receives his pay with sanction of Government from any source other than the Consolidated Fund of India or of a State.
- (10) **General Revenues.**- General Revenues of Kerala include the Consolidated Fund, the Contingency fund and the Public Account of Kerala and exclude the revenues of Local Funds.
- (11) **Government.**- means the Government of Kerala.
- (12) **Gratuity.**- (*See* Pension)
- (13) **Heads of Departments.**- The term includes-
- (a) Officers who have been declared by the Government to be Heads of Departments. (*See* Appendix II)
 - (b) Any other authority to which the Government may delegate the powers of a Head of Department.
- (14) **Holiday.**- means-
- (a) a holiday prescribed or notified by or under section 25 of the Negotiable Instruments Act, 1881; and
 - (b) in relation to any particular office, a day on which such office is ordered by notification of Government in the Gazette to be closed for the transaction of Government business without reserve or qualification.
- (15) **Honorarium.**- means a recurring or non-recurring payment granted to an officer from the General Revenues of the State as remuneration for special work of an occasional or intermittent character.
- (16) **Joining Time.**- means the time allowed to an officer to join a new post or travel to or from a station to which he is posted.

- (16A) ***Last Grade Service.** - means service in any post included in the Kerala Last Grade Service constituted by the Special Rules for the Kerala Last Grade Service, published under G.O.(P) 82/Public (Rules) Department, dated the 8th March 1966, in Part I of the Kerala Gazette No.14, dated the 5th April 1966, as amended from time to time, and includes †all other posts carrying the lowest scale of pay in the schedule of pay scales in force from time to time and service in any post declared by the Government to be a post in the Last Grade Service.
- (17) **Leave Salary.** - means the monthly amount paid by Government to an officer on leave.
- (18) **Lien.** - means the title of an officer to hold substantively, either immediately or on termination of a period or periods of absence, a permanent post to which he has been appointed substantively.
- (19) **Local Fund.** - means-
- revenues administered by bodies which by law or rule having the force of law come under the control of Government, whether in regard to proceedings generally or to specific matters, such as the sanctioning of their budgets; sanction to the creation or filling up of particular posts, or the enactment of leave, pension or similar rules; and
 - the revenues of any body which may be specially notified by the Government as such.
- (20) **Ministerial Officer.** - means an officer of a subordinate service whose duties are entirely clerical, and any other class of officer specially defined as such by general or special orders of Government.
- (21) **Month.** - means a calendar month. In calculating a period expressed in terms of months and days, complete calendar months, irrespective of the number of

*[G O(P) No. 1060/1979/Fin., Dated 06/12/1979]

†[G O(P) No.626/93/Fin., Dated 04/10/1993]

days in each, should first be calculated and the odd number of days calculated subsequently.

Note.- Whenever it is necessary to calculate a period in calendar months, the period shall be taken to end either on the day of the month corresponding to the day before the day on which the period begins or if there is no such corresponding day in the month, then on the last day of the month.

Example.-A period of six calendar months beginning on the 28th February ends on the 27th August, 31st March ends on the 30th September, 30th or 31st August ends on the 28th February or 29th February, if leap year.

In calculating a period of 3 months and 20 days from 25th January, 3 months should be taken as ending on the 24th April and the 20 days on 14th May. In the same way the period from 30th January to 2nd March should be reckoned as 1 month and 2 days, because one month from 30th January ends on 28th February. A period of one month and 29 days commencing from 1st January will expire in an ordinary year (in which February is a month of 28 days) on the last day of February because a period of 29 days cannot obviously mean to exceed a period of full calendar month and leave for two months from 1st January would end on the last day of February. The same would be the case if February were a month of 29 days or if the broken period were 28 days (in an ordinary year).

- (22) **Officiate.** - An officer officiates in a post when he performs the duties of a post on which another person holds a lien. The appointing authority may, if it thinks fit, appoint an officer to officiate in a vacant post on which no other officer holds a lien.
- (23) **Pay.** - means the amount drawn monthly by an officer as-
- the pay, other than special pay or pay granted in view of his personal qualifications, which has been sanctioned for a post held by him substantively or in an officiating capacity or to which he is entitled by reason of his position in a cadre, and

- (ii) personal pay and special pay, and
- (iii) any other emoluments which may be specially classed as pay by the Government.
- (24) **Pension.**-Except when the term 'Pension' is used in contradistinction to gratuity or 'Death-cum-retirement gratuity', 'Pension' includes 'gratuity' and 'Death-cum-retirement gratuity'.
- (25) **Permanent Post.**- means a post carrying a definite rate of pay sanctioned without limit of time.
- (26) **Personal Pay.**- means additional pay granted to an officer-
- (a) to save him from loss of substantive pay in respect of a permanent post due to a revision of pay or to any reduction of such substantive pay otherwise than as a disciplinary measure ; or
- (b) in exceptional circumstances, on other personal considerations.
- Note.*- All cases in which it is proposed to grant personal pay under clause (b) of the above rule should be referred to the Finance Department by the Administrative Department concerned. No case will be entertained which is not of an entirely exceptional character and in submitting cases for the grant of personal pay, this should be carefully borne in mind.
- (27) **Presumptive Pay of a Post.**- When used with reference to any particular Government servant, means the pay to which he would be entitled if he held the post substantively and were performing its duties; but it does not include special pay unless the Government servant, performs or discharges the work or responsibility in consideration of which the special pay was sanctioned.
- Note.*- The first part of the definition is intended to facilitate the use of the term in relation to an officer who has been absent from a post for some time but still retains a lien on it.

- (28) **Probationer.**-means an officer employed on probation in or against a substantive vacancy in the cadre of a department.
- Note 1.*-The term 'Probationer' does not cover an officer who holds substantively a permanent post in a cadre and is appointed 'on probation' to another post.
- Note 2.*- No person appointed substantively to a permanent post in a cadre is a probationer unless definite conditions of probation have been attached to his appointment such as the condition that he must remain on probation pending the passing of certain examinations.
- Note 3.*-The status of a probationer is to be considered as having the attributes of a substantive status except where the rules prescribe otherwise.
- Note 4.*-The instructions in Notes 1 and 2 above are to be taken as complementary and not as mutually exclusive. Taken together, they contain the essence of the tests for determining when an officer should be regarded as a "Probationer" or as merely "on Probation", irrespective of whether he is already a permanent officer or is merely an officer without a lien on any permanent post. While a probationer is one appointed in or against a post substantively vacant with definite conditions of probation, a person on probation is one appointed to a post (not necessarily vacant substantively) for determining his fitness for eventual substantive appointment to that post.
- (29) **Public Conveyance.**-means a train, steamer, bus, boat or other conveyance which plies regularly for the conveyance of passengers.
- (30) **Qualify** - 'Qualify' and 'Count' means qualify and count for pension, from the General Revenues or for leave of absence, as the case may be.
- (31) **Special Pay.**- means an addition of the nature of pay to the emoluments of a post or of an officer granted in consideration of the following :-

- (a) where a post would call for a higher scale of pay in view of the additional and/or higher responsibilities attached to it, or
- (b) where the nature of work is specially arduous ;
- or
- (c) where an officer has to attend to work in addition to normal duties attached to his post.

Note .- *When special pay is granted in lieu of a higher time-scale of pay such special pay will count for purposes for fixation of pay on promotion to a higher post provided the Officer was drawing it continuously for a minimum period of three years on the date of promotion. Special pay in a tenure post or special pay drawn on deputation will not, however, be considered for such fixation of pay.

- (32) **Subsistence Allowance**.-means a monthly grant made to an officer who is not in receipt of pay or leave salary.
- (33) **Substantive Pay**.- means the pay other than special pay, personal pay or emoluments classed as pay by Government under Rule 12 (23) (ii) and (iii) above to which an officer is entitled on account of a post to which he has been appointed substantively or by reason of his substantive position in a cadre.

Note .-When a special pay is granted in lieu of a higher time scale, such special pay will also count as substantive pay, provided the officer holds a lien on the post to which the special pay is attached.

- (34) **Temporary Post**.-means a post carrying a definite rate of pay sanctioned for a limited time.
- (35) **Time-scale of Pay**.- means pay which, subject to any conditions prescribed in these rules, rises by periodical increments from a minimum to a maximum. It includes the class of pay hitherto known as progressive:-

*[G O(P) No. 393/1975/Fin., Dated 30/08/1975]

- (a) Time-scales are said to be *identical* if the minimum, the maximum, the period of increment and the rate of increment of the time-scales are identical.
- (b) A post is said to be on the same time-scale as another post on a time-scale if the two time-scales are identical and the posts fall within a cadre or a class in a cadre, such cadre or class having been created in order to fill all posts, involving duties of approximately the same character or degree of responsibility, in a service or establishment or group of establishments, so that the pay of the holder of any particular post is determined by his position in the cadre or class and not by the fact that he holds that post.

Note.- Method of calculation of average pay of a post on a time-scale of pay-

- (1) In the case of gazetted appointments on time-scales of pay the following formula may be applied for ascertaining the average pay :-

$$\text{Average pay} = (A+B)/2 + (B-A)/2 [1-(R+1) \{ .014+1- .01R/F-E \}]$$

Where A = Minimum pay,

B = Maximum pay,

R = Period of rise,

E = Average age at entry in the Grade, and

F = Average age at retirement on superannuation pension.

This may be taken to be 55 in almost every case unless there are special reasons to take it either at a lower or a higher figure.

- (2) In the case of non-gazetted post on time scales of pay, the following formula is to be applied :-

$$\text{Average pay} = (A+B)/2+(B-A)/2[1-(R+1) \{ .021+ (1-.015R /F-E) \}]$$

Where A = Minimum pay,

B = Maximum pay,

R = Period of rise,

E = Average age at entry in the Grade, and

F = Average age at retirement on superannuation pension.

This may be taken to be 55 in almost every case unless there are special reasons to take it either at a lower or a higher figure.

- (3) *In cases where one grade is the channel of promotion to another grade, that is to say where everybody in the lower grade is ultimately promoted to the higher grade, the following formula may be adopted to find the average cost of appointments in the lower grade :-

$$\text{Average pay} = A + C/2 + (C - A)/2[1 - (S + 1) \{0.006 + (1 - 0.004S)/G - E\}]$$

Where A = Minimum pay,

C = Pay just before promotion to the higher grade,

S = Period of rise from A to C,

E = Average age at entry in the lower grade, and

G = Average age at the time of promotion to the higher grade.

- (4) **If the average pay worked out by any of the methods prescribed, falls below the minimum of the time-scale plus one fourth of the difference between the minimum and maximum of the time scale, the average of the minimum and the maximum of the time-scale shall be taken as the average pay.

Government Decision

A scale of pay is reckoned as higher time-scale on the following principles :-

**[G O(P) No.359/1976/Fin., Dated 23/11/1976]

(i) according to the higher maximum,

(ii) if the maximum is the same, according to the higher minimum, and

(iii) if the maximum and the minimum are the same according to the rate of increment.

- (36) **Transfer.** - means the movement of an officer from one headquarter station in which he is employed to another such station, either,

(a) to take up the duties of a new post, or

(b) in consequence of a change of his headquarters.

- (37) **Travelling Allowance.** - means an allowance granted to an officer to cover the expenses which he incurs in travelling in the interest of the public service. It includes allowances granted for the maintenance of conveyances.

CHAPTER III**GENERAL CONDITIONS OF SERVICE**

13. Except as provided by this rule, no person may be appointed to a post in Government service without his producing a medical certificate of health in the form annexed below. The Government may, in individual cases, dispense with the production of a certificate, and may by general orders exempt any specified class of officers from the operation of this rule.

FORM

I do hereby certify that I have examined A B, a candidate for employment in the Department, and cannot discover that he has any disease, constitutional affection or bodily infirmity except..... I do not consider this a disqualification for employment in the office of.....

A B's age is according to his own statement x years and by appearance y years.

A B has been re-vaccinated/vaccinated or has/had smallpox.

Note 1.-The certificate prescribed above must ordinarily be signed by a Civil Medical Officer of rank not lower than a Civil Surgeon or Honorary Medical Officer of Civil Surgeon's rank or the Director of Indigenous Medicine, but in the case of a person whom it is proposed to appoint to a post the maximum pay of which is not more than *₹ 1050 and who cannot conveniently be brought before an officer of higher rank, a certificate from an Assistant Surgeon with M.B.B.S. degree may, at the discretion of the appointing authority, be accepted.

*This amendment shall be deemed to have come into force with effect from 1st April 1985.

*[G O(P) No. 1109/1987/Fin., Dated 23/12/1987]

Note 2.- An officer, in whom a defect has been noticed by the Medical Officer who granted him his first certificate of health, may not be transferred from the office to which he was originally appointed, to another office, the duties of which are different in character, except on production of another certificate from a competent authority to the effect that the defect will not materially interfere with the discharge of his new duties by reason of such transfer.

Note 3.-The following classes of officers are exempted from producing a medical certificate of health :-

- (1) an officer recruited through a competitive examination who had to undergo medical examination in accordance with regulations prescribed for appointment to service under Government;
- (2) an officer in service other than the last grade appointed in a temporary vacancy of less than three months duration;
- (3) an officer in the last grade appointed in a temporary vacancy of less than six months duration ;
- (4) a temporary officer who has already been medically examined in one office if transferred to another office without a break in service subject to the provision of Note 2 above;
- (5) a retired officer re-employed immediately after retirement.

Note 4.- (a) The production of a medical certificate is necessary when-

- (i) an officer is promoted from non-qualifying service paid from a Local Fund to a post in Government service other than last grade;
- (ii) a person is re-employed after resignation or forfeiture of past service;
- (b) when a person is re-employed in circumstances other than those referred to in clause (a) (ii) above the appointing authority will decide whether a medical certificate should be produced.

Note 5.-Once a person is asked to produce a medical certificate of fitness for entry into Government service whether in a temporary or permanent capacity and has actually been examined and declared unfit, it is not open to the appointing authorities subordinate to Government to use their discretion to ignore the certificate that has been produced.

Government Decision

The question of laying down appropriate rules to govern the Medical Examination of candidates recruited to Government service was considered by Government. After taking into account all the relevant aspects of the question, the following rules have been laid down in this behalf:

1. Normally a candidate should be medically examined before his first appointment. In certain cases, however, when a candidate is required to join immediately for work or for training, the appointment may be made without first obtaining the medical certificate, though the appointment should be subject to the officer being declared medically fit. In all such cases, if an officer is declared unfit on medical examination and he prefers an appeal he should be retained in service till the case is finally decided.
2. Similarly, in the case of a Government servant whose appointment is made on a temporary basis on the strength of a medical certificate issued by a lower authority or without such a certificate, it may be necessary to get a certificate of fitness from the appropriate medical authority. If the appropriate medical authority finds that the person is not fit for retention in service at all and if an appeal for a second medical examination from the Government servant concerned is accepted the person concerned should be allowed to continue in service till the verdict of appropriate medical authority is known. In case it is decided not to accede to the

- request for further medical examination, the services of the officer should be terminated forthwith.
3. The intimation regarding unfitness of a candidate should immediately on receipt be communicated to the person concerned with a note that appeal, if any, must be made by the candidate/ Government servant concerned within one month of the communication of the findings of the Medical Officer and that, if any, Medical certificate is produced as piece of evidence about the possibility of an error of judgement in the decision of the Medical Officer who examined him, in the first instance, the certificate must contain a note by the Medical Officer concerned to the effect that it has been given in full knowledge of the fact that the candidate has already been rejected as unfit for service by a Medical Officer.
 4. In case no appeal (with requisite evidence in support of his case) is preferred by the candidate/ Government servant within one month of the date of communication to him of the findings of the Medical Officer, his services should be terminated forthwith on the expiry of the period of one month and ordinarily no appeal should be allowed after the expiry of that period.
 5. In case where a Government servant or a candidate for Government service is declared unfit for retention in Government service or appointment in the Government service by a Medical Officer, the grounds for rejection may be communicated to him in broad terms without giving minute details regarding the defects pointed out by the Medical Officer. Cases where the grounds of rejection have not been clearly stated by the Medical Officer, in his report, may be referred to the Government for advice.
 6. For the first Medical Examination of the candidate/Government servant as well as the subsequent examinations found necessary by the

appointing authority on account of an appeal, the appointing authority shall give suitable requisition to the Medical Officer concerned.

7. No appeal shall lie against the adverse findings of a Medical Officer to whom the case is referred on appeal.

Note 1.- Certificate of physical fitness for entry into Government service should always be from Medical Practitioners of Modern Medicine or from Doctors of Indigenous Medicine.

Note 2.- The Medical Authority who is to issue a medical certificate a second time on appeal shall be of a higher status than the other who issued the first medical certificate.

Note 3.- *When a final certificate has been issued either by the Director of Health Services, or by the Director of Indigenous Medicines, that certificate will be final and no appeal will be permitted [Vide G.O.(P) 1034/61/Pub. (Ser.D), dated 2nd December 1961 and G.O.(P) 570/62/Pub. (Ser. D), dated 25th October 1962]

- 13A** **New recruits shall produce a form for Service and Payroll Administrative Repository for Kerala (SPARK) in Form No. 15, duly filled up at the time of joining duty for registering their details.

- 14.** Unless in any case it be otherwise distinctly provided, the whole time of an officer is at the disposal of the Government which pays him and he may be employed in any manner required by proper authority, without claim for additional remuneration, whether the services required of him are such as would ordinarily be remunerated from the General Revenues of India or of the States or the Revenues of a Local Fund or from the funds of a Body, incorporated or not, which is wholly or substantially owned or controlled by the Government.

*[G O(P) No. 343/1963/Fin., Dated 07/06/1963]

**[Insertion G O(P) No. 413/2009/ Fin., Dated 25/09/2009 (with effect from 24/04/2007)]

Note 1.- Every officer must attend the office punctually. For every three day's late attendance without permission, an officer will forfeit a day's casual leave for which he is eligible. The computation of the forfeiture of a day's casual leave will be with respect to the calendar year and late attendance without permission for less than three days at the end of a calendar year will be ignored.

Note 2.- # No other kind of leave except casual leave shall be forfeited for late attendance without permission. Disciplinary action under the Kerala Civil Services (C.C and A.) Rules, 1960 may be taken against the officers concerned for late attendance without permission if there is no casual leave to be forfeited.

- *14A.** The period of unauthorized absence of an Officer on account of participation in strike shall be treated as 'Dies-Non'. During the period of 'Dies-Non', he shall not be eligible for pay and allowances and the period shall not be counted for admissibility of earned leave. However, such period shall be counted for the purposes of increment and half pay leave, notwithstanding anything contained in any other rules in this part.

*This shall be deemed to have come into force with effect from 10th January, 2002.

- 15. (a)** Two or more officers cannot be appointed substantively to the same permanent post at the same time.
- (b)** An officer cannot be appointed substantively, except as a temporary measure, to two or more permanent posts at the same time.
- (c)** An officer cannot be appointed substantively to a post on which another officer holds a lien.

#[G O(P) No.593/1970/Fin., Dated 20/08/1970]

*[Insertion G O(P) No. 212/2005/Fin., Dated 11/05/2005]

16. Unless in any case it be otherwise provided in these rules, an officer on substantive appointment to any permanent post acquires a lien on that post and ceases to hold any lien previously acquired on any other post.
17. Unless his lien is suspended under Rule 18 or transferred under Rule 20 an officer holding substantively a permanent post retains a lien on that post—
- (a) while performing the duties of that post;
 - (b) while on foreign service or holding a temporary post, or officiating in another post;
 - (c) during joining time on transfer to another post, unless he is transferred substantively to a post on lower pay, in which case his lien is transferred to the new post from the date on which he is relieved of his duties in the old post;
 - (d) while on leave;
 - (e) while under suspension; and
 - (f) while under training.
18. (a) The Government shall suspend the lien of an officer on a permanent post which he holds substantively if he is appointed in a substantive capacity—
- (1) to a permanent post outside the cadre on which he is borne, or
 - (2) provisionally to a post on which another officer would hold a lien had his lien not been suspended under this rule.
- (b) The Government may, at their option, suspend the lien of an officer on a permanent post which he holds substantively, if he is transferred to foreign service or in circumstances not covered by clause (a) of this rule, is transferred, whether in a substantive or officiating capacity to a post in another cadre, and in any of these cases there is reason to believe that he

will remain absent from the post on which he holds a lien for a period of not less than three years.

Ruling

*The lien of an officer on a permanent post should not be suspended when he is appointed to a higher post in a different cadre, in case the higher post falls within the regular line of promotion from the lower post.

- (c) if an officer's lien on a post is suspended under clause (a) or (b) of this rule, the post may be filled substantively, and the officer appointed to hold it substantively, shall acquire a lien on it; provided that the arrangements shall be reversed as soon as the suspended lien revives.

Note.-When a post is filled substantively under this clause, the appointment will be termed a provisional appointment, the officer appointed will hold a provisional lien on the post and that lien will be liable to suspension under clause (a) but not under (b) of this rule.

- (d) an officer's lien which has been suspended under clause (a) of this rule shall revive as soon as he ceases to hold a lien on a post of the nature specified in sub-clause (1) or (2) of that clause.
- (e) an officer's lien which has been suspended under clause (b) of this rule shall revive as soon as he ceases to be on foreign service or to hold a post in another cadre, provided that a suspended lien shall not revive because the officer takes leave, if there is reason to believe that he will on return from leave, continue to be on foreign service or to hold a post in another cadre and the total period of absence on duty will not fall short of three years or that he will hold substantively a post of the nature specified in sub-clause (1) or (2) of clause (a).

*[G O(P) No. 102/1966/Fin., Dated 25/03/1967]

Note.-When it is known that an officer on transfer to post outside his cadre is due to retire on superannuation pension within three years of his transfer, his lien on the permanent post cannot be suspended.

- 19.(a) An officer's lien on a post may in no circumstances be terminated, even with his consent, if the result will be to leave him without a lien or a suspended lien upon a permanent post.
- (b) In a case covered by sub-clause (2) of clause (a) of Rule 18, the suspended lien may not, except on the written request of the officer concerned, be terminated while the officer remains in Government service; provided that it shall be open to the competent authority to refuse consent for the confirmation or retention of an officer in a permanent post outside the cadre on which he is borne unless he makes a written request that his lien on the permanent post in his parent office should be terminated.
20. Subject to the provisions of Rule 21 the Government may transfer to another permanent post in the same cadre the lien of an officer who is not performing the duties of the post to which the lien relates, even if that lien has been suspended.
- 21.(a) The Government may transfer an officer from one post to another; provided that, except-
- (1) on account of inefficiency or misbehavior, or
 - (2) on his written request,
- an officer shall not be transferred substantively to, or except in a case covered by Rule 58, appointed to officiate in a post carrying less pay than the pay of the permanent post on which he holds a lien, or would hold a lien had his lien not been suspended under Rule 18.
- (b) Nothing contained in clause (a) of this rule or in clause (18) of Rule 12 shall operate to prevent the transfer of an officer to the post on which he would

hold a lien, had it not been suspended in accordance with the provisions of clause (a) of Rule 18.

Note. - Permanent transfers from a higher to lower scale in anticipation of the abolition of a post are not transfers within the meaning of the above rule.

22. An officer may be required to subscribe to a provident fund, a family pension fund or similar fund in accordance with such rules as the Government may by order prescribe.

Note 1. - An officer who has entered service before the 19th August, 1976, may, however, opt to subscribe for a policy in the official Branch of the State Life Insurance instead of the Provident Fund.

Note 2. - *Officers who are subscribers to the Family Benefit Scheme, going on deputation/foreign service shall continue to subscribe to the Family Benefit Scheme and they themselves shall arrange for effecting recovery and remittance of the amount from their pay.

- #22A. Any person who enters Government Service on or after 19th August, 1976 and has not crossed the age of 50 years, shall within a period of †one month from the date of such entry in service, subscribe to a policy in the official branch of the State Life Insurance at such rate as may be determined by Government from time to time and shall continue to subscribe till he ceases to be in Government Service.

This amendment shall be deemed to have come into force with effect from 5th April, 1999.

Note.- *When an employee crosses one pay range to the next higher range, he shall take additional policy within 2 years of his coming to the next higher pay range. But this condition shall not apply to an employee who has attained the age of 45 years at the time of crossing over to the next higher range.

22 B. #Any person who enters Government service on or after the 1st day of September, 1984 and has not crossed the age of 50 years, shall within a period of one year from the date of entry in service enrol as a member of Group Insurance Scheme and subscribe to the scheme at such rate as may be determined by Government from time to time and shall continue to subscribe till he ceases to be in Government Service.

@Note.- Officers who are subscribers to the Group Insurance Scheme going on deputation/foreign service shall continue to subscribe to the scheme and they shall arrange for effecting recovery and remittance of the amount from their pay.

This amendment shall be deemed to have come into force on the 6th day of July, 2002.

****22 C.** An Officer, who wishes to get his prior service, whether provisional or regular, in any department/institution, counted for any service benefit on entering Government service, shall apply for the same before the competent authority/Government within a period of five years of the date of his entry in Government service. Under no circumstances, such orders shall be issued by the Competent Authority/Head of Department/Government within a period less than five years before the date of retirement on superannuation:

Provided that an Officer who is already in service, shall be entitled to prefer such claim within two years from the date of effect of this rule, and in which case, the concerned Head of Department and appointing authority shall take a decision on the above claim within a period of three years from the date of receipt of the claim or within a period of two years before the date of retirement on superannuation of the officer, which ever is later:

Provided further that this rule shall not apply to such Officers who are already in service and will superannuate on or before 31st December, 2011.

**This amendment shall be deemed to have come into force on the 6th day of November, 2006.

23. (a) Subject to any exceptions specifically made in these rules, an officer shall begin to draw the pay and allowances attached to his tenure of a post with effect from the date he assumes the duties of that post, and shall cease to draw them as soon as he ceases to discharge those duties. If the charge is transferred afternoon, the transfer does not affect pay and allowances until the next day.

Exception.-*An officer deputed for a course of instruction or training which is ordered to be treated as duty, if promoted to a higher post in the regular line during such course of instruction or training, may draw the pay thereof, without joining it, the benefit of promotion being given from the date his junior assumes charge of the higher post.

(b) If, however, the substantive appointment of an officer is changed while he is officiating in an appointment, or if, while so officiating, an officer is appointed for the first time, to some substantive office, then, provided that the tenure of his officiating appointment is not interrupted by his new substantive appointment, he may draw the pay thereof without joining it from the date on

which he is appointed thereto, or from any later date on which the substantive office becomes vacant.

- * (c) In the case of notional promotions back arrears of pay and allowances are not admissible.
- (d) Promotions which do not involve change of duties shall have effect from the date of occurrence of vacancy, or the date of acquiring eligibility for promotions, whichever is later, but monetary benefit shall be admissible only for a maximum period of one year prior to the date of order of promotion.

Note.- The detailed procedure to be followed when an officer assumes or relinquishes charge of an office is contained in Appendix III.

Government Decision No. 1

Questions have been raised regarding the authority competent to accept a resignation, the circumstances under which resignation should be accepted, the date when a resignation becomes effective, and the authority competent to permit a Government servant to withdraw a resignation which he has already tendered. The following instructions will be followed :

- (a) *Authority competent to accept resignation.*- The appointing authority in respect of the service or post in question is the authority competent to accept the resignation of the Government servant.
- (b) *Circumstances under which resignation should be accepted.*- It is not in the interest of Government to retain an unwilling officer in service. The general rule, therefore, is that resignation from service should be accepted after settling the liabilities outstanding against the Government servant, except in the circumstances indicated below:-
 - (i) Where the officer concerned is engaged on work of importance and it would take time to make alternative arrangements for filling the

*[Insertion G O(P) No. 629/2010/Fin., Dated 25/11/2010 (with effect from 01/03/2007)]

post, the resignation should not be accepted straight away, but only, when alternative arrangements for filling the post have been made.

- (ii) Where a Government servant who is under suspension submits a resignation, the competent authority should examine with reference to the merits of the disciplinary case pending against the Government servant whether it would be in the public interest to accept the under suspension. Exceptions to this rule would be where the alleged offences do not involve moral turpitude or where the quantum of evidence against the accused officer is not strong enough to justify the assumption that if the departmental proceedings were continued, the officer would be removed or dismissed from service or where the departmental proceedings are likely to be so protracted that it would be cheaper to the Public Exchequer to accept the resignation.

- (c) *Date when a resignation becomes effective.*—The competent authority should decide the date with effect from which the resignation should become effective. In cases covered by (b) (i) above the date should be that with effect from which alternative arrangements can be made for filling the post. Where an officer is on leave, the competent authority should decide whether he will accept the resignation with immediate effect or with effect from the date following the termination of the leave. There is also no objection to a Government servant on leave being permitted to resign his post without rejoining duty after leave, provided the appointing authority so decides with due regard to the administrative convenience of the department. Where a period of notice is prescribed which a Government servant should give when he wishes to resign from service the competent authority may decide to count the period of leave towards the notice period. In other cases also it is open to the competent authority to decide whether the resignation should

become effective immediately or with effect from some prospective date. In the latter case, the date should be specified.

- (d) †*Authority competent to permit withdrawal of resignation.*- A resignation becomes effective when it is accepted and the officer is relieved of his duties. Where a resignation has not become effective and the officer wishes to withdraw it, it is open to the authority which accepted the resignation either to permit the officer to withdraw the resignation or to refuse the request for such withdrawal. Where, however, a resignation has become effective, the officer is no longer in Government service and acceptance of the request for withdrawal of resignation would amount to re-employing him in service after condoning the period of break.

Concurrence of 'Finance', and the Public Service Commission, wherever necessary, should be obtained before a request for withdrawal of resignation which has already become effective, is accepted.

Government Decision No.2

**Condonation of the period of break and revival of past service in such cases will be for the purpose of pension only, if it is otherwise admissible. The Government servant's earlier service will not count for fixation of pay, increment or leave. His pay will be fixed at the minimum of the scale of pay of the post to which he is re-employed after resignation and the period of break will be treated as a period spent out of employment.

24. Unless the Government in view of the special circumstances of the case, otherwise determine, after five years' continuous absence from duty, an officer shall be removed from service after following the

procedure laid down in the Kerala Civil Services (Classification, Control and Appeal) Rules, 1960, * except in cases covered by Rule 24A.

* This amendment shall be deemed to have come into force with effect from 16th December, 1983.

- *24A. Notwithstanding anything contained in these rules, if an officer who availed himself of leave without allowances to take up employment abroad or within the country **[or for joining spouse] for a total period of † twenty years, whether continuously or in broken periods, does not return to duty immediately on the expiry of the leave, his service shall be terminated after following the procedure laid down in the Kerala Civil Services (Classification, Control and Appeal) Rules, 1960.

Note.- This rule shall have effect from the 16th day of December, 1983 and shall apply to all cases of grant of leave without allowances on or after that date, for taking up employment abroad or within the country, in extension of the leave already granted or otherwise, and such leave granted before that date shall be reckoned for applying the †twenty years limit.

CHAPTER IV**PAY**

25. Except in the case of personal pay granted in the circumstances defined in Rule 12 (26) (a), the pay of an officer shall not be so increased as to exceed the pay sanctioned for his post without the sanction of Government.
26. When an officer is treated as on duty under Rule 12 (7) (iii), the Government may, at their option, authorise payment to him of the pay of his substantive appointment or of any lower rate of pay which they may consider suitable, provided that the pay admissible may, if the Government so direct, be instead of either of the rates just specified, the pay of any officiating appointment which the officer would have drawn but for undergoing such training, subject however to the condition that this rate of pay shall not be allowed for a period longer than that for which the officer would have held the officiating appointment had he not been placed on such course of training.

Note 1.- A reservist of the Defence Services in the employment of the State Government, when called up for periodical training, receives the pay and allowances to which he is entitled under the Defence Services. He will also receive the excess, if any, of his pay under the Government over the pay under Defence Department. The periods spent in training and on the journey to and from the place of training will be treated as duty for purposes of leave, increments and pension.

Note 2.- *The expressions “the pay of his substantive appointment” and “the pay of any officiating appointment” occurring in the above rule should be taken to mean “the pay which the officer would have drawn in the post which he holds substantively” and “the pay which the officer would have drawn in the officiating appointment but for undergoing the training”. In neither case, is there any restriction to

draw the following kinds of emoluments which the officer would have drawn in the substantive or officiating appointment but for the training

- (i) Basic pay
- (ii) Special pay granted in lieu of a higher time-scale of pay
- (iii) Personal pay
- (iv) Any other emoluments specially classed as pay and which are specifically allowed to be drawn during training
- (v) Dearness pay
- (vi) Dearness allowance
- (vii) House rent allowance

Ruling

An officer holding a provisional appointment deputed for training where the period of training is treated as duty will be allowed to draw for the period of training the pay and allowances attached to the provisional appointment, if it is certified by the competent authority that the officer would have held the provisional appointment but for his deputation for training.

27. Rules 28 to 37 apply to time-scale of pay generally. They do not, however apply to any time-scale sanctioned by the Government in so far as they are inconsistent with terms specially so sanctioned for such time-scale.
28. The initial substantive pay of an officer who is appointed substantively to a post on a time-scale of pay is regulated as follows :

If he holds a lien on a permanent post or would hold a lien on such a post had his lien not been suspended, he will draw as initial pay the stage of the time-scale next above his substantive pay in respect of the old post :

Provided that except in cases of re-employment after resignation or removal or dismissal from public service, if he either has previously held substantively or

officiated in (i) the same post, or (ii) a permanent or temporary post on the same time-scale, or (iii) a permanent post on an identical time-scale or a temporary post (including a post in a body, incorporated or not, which is wholly or substantially owned or controlled by the Government) on an identical time-scale then the initial pay shall not, except in cases of reversion to the parent cadre governed by item (iii) above be less than the pay which he drew on the last such occasion and he shall count the period during which he drew that pay on such last and any previous occasions for increment in the stage of the time-scale equivalent to that pay. The service rendered in a post referred to in item (iii) shall, on reversion to the parent cadre, count towards initial fixation of pay, to the extent and subject to the conditions indicated below:-

- (a) The officer should have been approved for appointment to the particular grade/post in which the previous service is to be counted;
- (b) All his seniors, except those regarded as unfit for such appointment, were serving in posts carrying the scale of pay in which the benefit is to be allowed or in higher posts, whether in the department itself or elsewhere, and at least one junior was holding a post in the department carrying the scale of pay in which the benefit is to be allowed; and
- (c) the service will count from the date his junior is promoted and the benefit will be limited to the period the officer would have held the post in his parent cadre had he not been appointed to the ex-cadre post.

Note 1.- The provisions in the above rule apply in cases of substantive appointments to higher time-scales of pay only. In other cases the officer's pay in the new appointment shall be fixed at his pay in the previous appointment, if it is a stage in the new scale or at next lower stage, if it is not a stage in the new scale, the difference being treated as personal pay, such personal pay, being absorbed in future increases of pay. This will not, however, apply to cases of reversions.

Note 2.- The provisions in item (iii) of the proviso to the above rule in respect of protection of pay and period of increment shall be applicable to Government servants on their appointment directly or on transfer from a post carrying identical time-scale of pay without fulfilment of the conditions indicated thereunder subject to the condition that this benefit will not be admissible to an individual who enters Government service for the first time from a post in a body incorporated or not which is wholly or substantially owned or controlled by Government.

- 28A.** Notwithstanding anything contained in these rules, where an officer holding a post in a substantive, temporary or officiating capacity is promoted or appointed in a substantive, temporary or officiating capacity to another post carrying a higher time-scale of pay, his initial pay in the higher time-scale of pay, shall be fixed at the stage next above the pay notionally arrived at in the lower time-scale of pay by increasing the actual pay drawn by him in the lower time-scale by one increment. *He shall be given opportunity to opt any date for fixation of pay in the higher time scale of pay from the following options, namely:-

Option (a)—Pay will be fixed in the higher time scale of pay, on the date of promotion, under this rule. Next increment in the higher time scale will fall due only on completion of one year from the date of such fixation of pay.

OR

Option (b)—Pay on the date of promotion will be initially fixed at the stage of higher time scale of pay of the promoted post next above the pay in the lower time scale of pay. Thereafter fixation of pay under the rule will be allowed based on the pay in the lower post on the date opted by the promotee, i.e., on the date of increment in the lower post. Next increment will fall due only on completion of one year from the date of fixation of pay under this rule.

*[Substitution G O(P) NO. 630/2010/Fin., Dated 25/11/2010 (with effect from 26/03/2006)]

If the fixation of pay under this rule on the date of option does not make any change in the pay in the higher time scale, the pay will remain at the same stage till completion of one year from the date of initial fixation (date of promotion) of pay in the higher time scale. Next increment in such cases will be allowed on the completion of one year from the date of initial fixation of pay in the higher time scale of pay.

The competent authority shall incorporate in the promotion order a provision to the effect that the officer shall exercise option within one month from the date of order of promotion or of taking charge in the promoted post whichever is later. The option under this rule shall be in # Form No. 18.

Provided that the provisions of this rule shall not apply to promotions *to posts carrying a scale of pay, the minimum pay of which exceeds ₹ 20700.

This amendment shall be deemed to have come into force with effect from 26th March 2006.

**Provided also that where a Government servant is immediately before his promotion or appointment to a higher post, drawing pay at the maximum of the time-scale of the lower post, his initial pay in the time-scale of the higher post shall be fixed at the stage next above the pay notionally arrived at by increasing his pay in respect of the lower post by an amount equal to the last increment in the time-scale of the lower post.

Effective from the date of order.

Provided that if he has either previously held substantively or officiated in (i) the same post or (ii) a permanent or temporary post on the same time-scale or (iii) a permanent post on an identical time-scale or a temporary post on an identical time-scale, such post being on the same time-scale as a permanent post, then the initial pay shall not be less than the pay which he drew, on the last such occasion and he shall count for increment the period during which he drew that pay on such last or any previous occasions.

This amendment shall be deemed to have come into force with effect from 21st July 1964.

Ruling No.1

In cases where the application of the rule would give rise to anomalies in as much as an officer officiating in a higher post could get his pay refixed at a stage higher than the pay drawn by another who stands confirmed in the higher post on the same scale of pay, the anomaly will be removed by refixing the pay of the senior officer at the stage equal to that fixed for the junior officer in the higher post, the orders of refixation being issued by the competent authority under Rule 34, Part I, Kerala Service Rules. The refixation of pay in such cases will be made subject to the following conditions:

** [G O(P) No. 348/1975/Fin., Dated 01/08/1975]

[G O(P) No. 710/1970/Fin., Dated 05/10/1970]

- (a) Both the junior and senior officers should belong to the same cadre and the post in which they have been promoted or confirmed, as the case may be, should be identical and in the same cadre.
- (b) The scale of pay of the lower post in which they would have drawn their pay but for their promotion or confirmation should be identical.
- (c) The anomaly should be directly as a result of the application of Rule 28A. For example, if the junior officer draws from time to time a higher rate of pay than the senior by virtue of fixation of pay under the normal rules or any advance increment granted to him, the provision contained in this ruling should not be involved to step up the pay of the senior officer.
- (d) The refixation of pay of the senior officer should be done with effect from the date of refixation of pay of the junior officer. The next increment of the senior officer will however be drawn on the date on which it would have fallen due but for this refixation of pay.

Ruling No.2

*In the case of a Government servant, officiating in a post and whose pay had been refixed under this rule, if he is confirmed in that post with effect from a retrospective date, the refixation of pay done after the date of confirmation will have to be revised. The over payments consequent on such revision will first be set off against the arrears, if any, that might become payable to the Government servant for a portion of the period from the date of confirmation to the date of issue of orders of confirmation. The balance of overpayments that cannot be set off against the arrears, if any, shall be waived.

This Ruling will be deemed to have come into force with effect from 3rd February 1962.

*[G O(P) No. 24/1965/Fin., Dated 13/01/1965]

Ruling No. 3

*The refixation of pay in the higher officiating post on the date of change of pay in the lower time-scale contemplated in this rule cannot be allowed during the period of bar on increment with or without cumulative effect. But, in the cases of bar on increment without cumulative effect there is no objection to give the refixation on a notional basis and to give the monetary benefit after the expiry of the period of bar. Increments accruing in the lower substantive/officiating post from time to time cannot also be allowed during the period of bar.

Ruling No. 4

**Increments barred with or without cumulative effect in the lower substantive officiating post shall not be reckoned for fixation/refixation of pay in the higher time-scale. But in the case of bar on increment without cumulative effect, there is no objection to grant the barred increments notionally for fixation/refixation of pay and to give the monetary benefit after the expiry of the period of bar.

Ruling No. 5

A revision of pay as contemplated in Ruling No.2 shall not be necessary in the case of retrospective confirmation ordered after the date of retirement of an officer.

This ruling will be deemed to have taken effect from 3rd February 1962.

2. * An officer officiating in a post, when appointed to a higher post on the advice of the Public Service Commission or otherwise is eligible for his initial pay being fixed under this rule and is also entitled to the benefit of a refixation contemplated in the last sentence of the rule.

3. When a person who holds a post in a regular capacity is appointed to a post on a higher time-scale in the same service under Rule 31 or in a different service under Rule 9 of Kerala State and Subordinate Services Rules, fixation of pay under this rule is permissible with reference to the pay drawn in the regular appointment
4. When a fresher is appointed provisionally to a post otherwise than on the advice of the Public Service Commission, under Rule 9 of Kerala State and Subordinate Service Rules and again appointed to a still higher post under the same rule, a fixation of pay in the higher post with reference to the pay drawn in the lower post is not admissible.
5. A person holding a post in a regular capacity is appointed provisionally to a post in the same service under Rule 31 of the Kerala State and Subordinate Service Rules. He is again appointed to a still higher post in the same service under Rule 31 or to a post in another service under Rule 9 of Kerala State and Subordinate Services Rules. Fixation of pay with reference to the provisional pay drawn in the post to which he was appointed provisionally at first is not admissible in the other posts.

But the benefit of refixation of pay contemplated in the rule is not admissible to him as he loses connection with the ex-cadre post on appointment to the parent department.

7. # The benefit of pay drawn in an ex-cadre post for purpose of initial fixation will not be admissible, if an officer is reverted to the parent department, to a post carrying a scale of pay lower than that of the ex-cadre post.

Government Decision No. 2

The benefit of refixation of pay contemplated in the last sentence in the first para of the rule is admissible even in cases where the change of pay is due to fixation of pay on account of revision of scale of pay. If both the lower and the higher time-scales are revised, the benefit will be restricted to the cases of options exercised in respect of both the posts simultaneously.

Government Decision No. 3

† Notional increment at the biennial increment shall be reckoned in the lower scale for fixation of pay in the higher scale under Rule 28A.

This decision shall be deemed to have come into force with effect from 1st July 1973.

Government Decision No. 4

*The benefit of reckoning notional increment beyond the maximum of the scale of pay of the lower post will also be admissible in cases where an employee reaches the maximum of the post in the lower time-scale of pay before he gets an increment in the scale of pay of the higher post and in such cases, he will be eligible for a refixation consequent on the change of pay in the lower time-scale.

Government Decision No. 5

[Deleted]

**The amendment shall be deemed to have come into force with effect from 25th June, 1986.

29. The initial substantive pay of an officer who is appointed substantively to a post on a time-scale of pay which has been reduced for reasons other than a diminution in the duties or responsibilities attached to posts thereon and who is not entitled to draw pay on the time-scale as it stood prior to reduction, is regulated by Rule 28.

30. The holder of a post, the pay of which is changed, shall be treated as if he were transferred to a new post on the new pay; provided that he may at his option retain his old pay until the date on which he has earned his next or any subsequent increment in the old scale, or until he vacates his post or ceases to draw pay in that time-scale. The option once exercised is final.

Note 1.-This rule applies to an officiating holder of a post as well. But any break in the officiating period such as that due to transfer to another post, or non-employment would operate as vacating of the post and the pay during a subsequent officiating period in the same post will be fixed only as if the officer was then appointed to the new scale of pay. 'The holder of a post' occurring in this rule applies also to a person who is not actually holding the post, the pay of which is changed, provided he has a lien or a suspended lien on that post.

The words 'his old pay' in the proviso of the rule should be held to include not only the rate at which the individual was drawing his officiating pay on

**[G O(P) No.475/1990/Fin., Dated 25/09/1990]

the crucial date but also the time-scale of pay in which he was drawing that pay. Thus for the period of option the old scale of pay in which he was drawing his officiating pay should be treated as continuing for the individual concerned.

Note 2.- Option under the proviso of the rule to officers under suspension is governed by the following :-

1. Cases in which the revised scale of pay takes effect from a date prior to the date of suspension.

In such cases the officer should be allowed to exercise the option under Rule 30 even if the period, during which he is to exercise the option, falls within the period of suspension. He will be entitled to the benefit of increase in pay if any, in respect of the duty period before suspension, and also in the subsistence allowance, for the period of suspension, as a result of such option.

2. Cases in which the revised scale of pay takes effect from a date falling within the period of suspension -

(a) Under suspension an officer retains a lien on his substantive post. As the expression 'holder of a post' occurring in Rule 30 includes also a person who holds a lien or a suspended lien on the post even though he may not be actually holding the post, such an officer should be allowed option under Rule 30 even while under suspension. The benefit of option will however, practically accrue to him in respect of the period of suspension, only after his reinstatement, depending on the fact whether the period of suspension is treated as duty or not.

(b) An officer, who does not retain a lien on a post the pay of which is changed, is not entitled to exercise the option under Rule 30. If, however, he is reinstated in the post and the period of suspension

is treated as duty, he may be allowed to exercise the option after such reinstatement. In such cases, if there is a time-limit prescribed for exercising the option and such period had already expired during the period of suspension, a relaxation may be made in each individual case for extending the period during which the option may be exercised.

Government Decision

The following principles will be followed for fixation of pay when the scale of pay of a post held on a provisional basis is revised :-

- (i) If the pay drawn in the previous scale is less than the minimum of the revised scale then the pay in the revised scale may be fixed at the minimum.
 - (ii) If the pay drawn in the previous scale is a stage in the revised scale the pay in the revised scale may be fixed at that stage.
 - (iii) If the pay drawn in the previous scale is not a stage, then the pay in the revised scale may be fixed at the next lower stage, the difference being treated as personal pay to be absorbed in future increase in pay.
2. The above principles will also be adopted for regulating the pay of an officer holding a post on a provisional basis when appointed to a higher or a lower post provisionally, except in cases of reversion.
 3. *Past cases settled otherwise, will not be re-opened.

Ruling No.1

**If an officer earns increment earlier than or after the original date on which he was supposed to get it at the time of exercise of option under the above rule due to revision of the date of increment, his pay should automatically be

re-fixed with effect from the revised date of increment with reference to the original option exercised by him under this rule and there will be no need for exercising a fresh option and issue of special orders for this.

Ruling No.2

The pay of an officer when the post held by him is upgraded will be regulated as follows :

- (i) If the competent authority specifically orders that the appointment of an officer to the upgraded post involves an enhancement of duties and higher responsibilities and is therefore a promotion, pay will be fixed under Rule 28, 28A or 37 (a) of Part I, Kerala Service Rules, as the case may be.
 - †(ii) In other cases, pay will be fixed under Rule 37 (a), Part I Kerala Service Rules.
- 31.** An increment shall ordinarily be drawn as a matter of course unless it is withheld. An increment may be withheld from an officer by the Government or by any authority to whom the Government may delegate this power under Rule 9 if his conduct has not been good or his work has not been satisfactory. In ordering the withholding of the increment, the withholding authority shall state the period for which it is withheld and whether the postponement shall have the effect of postponing future increments.

Note 1.- An officer shall not be eligible for an increment unless he has acquired the obligatory departmental test qualifications, if any, prescribed by Government from time to time to earn the increment.

Note 2.- A competent authority may order the deferring of the increment of an officer, pending investigation into his conduct or performance of work, in disciplinary cases. Such deferring of increment will not be

† [G O(P) No. 522/1981/Fin., Dated 21/08/1981]

construed as 'withholding of increments' under the Kerala Civil Services (Classification, Control and Appeal) Rules, 1960.

Note 3.- *An Officer shall not be eligible to draw his first increment until he subscribes to State Life Insurance Scheme and Group Insurance Scheme as specified in Rule 22A and 22B respectively.

Government Decision No. 1

An increment shall be granted from the first day of the month in which it falls due.

**This decision shall be deemed to have come into force with effect from 1st April 1974.

Government Decision No. 2

#Increment accruing consequent on declaration of probation shall be drawn only with effect from the date of completion of probation but subsequent increment shall be drawn on the first day of the month in which they fall due.

This decision shall be deemed to have come into force with effect from 1st April 1974.

Ruling

† In cases where penalties of withholding of increments are imposed on an officer, one after another, in separate disciplinary cases, the effect of the first order withholding increment will continue for the period specified in that order. There after, the pay will be fixed by granting the increments which would have been admissible, but for the imposition of penalty and only then

32. Where an efficiency bar is prescribed in a time-scale, the increment next above the bar shall not be given to an officer without the specific sanction of the authority empowered to withhold increments.

Note 1.- On each occasion on which an officer is allowed to pass an efficiency bar which had previously been enforced against him, he should come over to the time-scale at such stage as the authority competent to declare the bar removed, may fix for him, subject to the pay admissible according to his length of service.

Note 2.- The cases of all officers held up at an efficiency bar should be reviewed annually with a view to determine whether the quality of their work has improved and generally, whether the defects for which they were stopped at the bar have been remedied, to an extent sufficient to warrant the removal of the bar.

33. The following provisions prescribe the conditions on which service counts for increments in a time-scale :-

(a) All duty in a post on a time-scale counts for increments in that time-scale.

Ruling

*Periods of service in a post on a time-scale at the same stage of pay only will count for increment in that time-scale.

The above ruling will be deemed to have come into force with effect from 1st November 1959.

officiating capacity, service on deputation and leave except leave without allowances taken otherwise than on medical certificate shall count for increments in the time-scale applicable to the post on which the officer holds a lien as well as in the time-scale applicable to the post or posts, if any, on which he would hold a lien had his lien not been suspended.

- (2) All leave except leave without allowances taken otherwise than on medical certificate and service on deputation count for increments in the time-scale applicable to a post in which an officer was officiating at the time he proceeded on leave or deputation and would have continued to officiate but for his proceeding on leave or deputation:

†Provided that the leave without allowances under Rule 91 A shall count for increments subject to the following conditions :-

1. The period qualifying for increments shall be restricted to the normal period required for completion of the course, and
2. Increments shall be granted only on production of the diploma or degree or completion of the course.

Provided further that the Government shall have power in any case in which they are satisfied that the leave without allowances was taken for any cause beyond the officer's control, to direct that leave without allowances shall be counted for increments under sub-clause (1) or (2).

*Provided also that leave without allowances taken without production of medical certificate in continuation of maternity leave in accordance with the proviso to Rule 102 will count for increment.

*This proviso shall be deemed to have come into force with effect from 5th June, 1978.

Note.- In cases coming under sub-clause (2) the appointing authority should certify that the officer would have actually continued to officiate in the post but for his proceeding on leave and the period of leave will count for increments only to the extent it is covered by the certificate. Where no officiating arrangement is made in a leave vacancy and where the incumbent is likely to return to the same post after the expiry of the leave the authority sanctioning the leave may issue such a certificate at the time of grant of leave. In all cases where the certificates are issued the fact should be recorded in the Service Book as and when such certificates are issued along with the leave particulars.

- (c) If an officer, while officiating in a post or holding a temporary post on a time-scale of pay, is appointed to officiate in a higher post or to hold a higher temporary post, his officiating or temporary service in the higher post shall, if he is re-appointed to the lower post or is appointed or re-appointed to a post on the same time-scale of pay, count for increments in the time-scale applicable to such lower post.

If an officer on reversion from an ex-cadre post to the parent cadre is appointed to a post on a scale lower than that of the ex-cadre post but not on the same time-scale as the post held at the time of his transfer to the ex-cadre post, the service rendered on the higher scale in the ex-cadre post shall count for increments in the time-scale applicable to the

*[G O(P) No. 145/1986/Fin., Dated 11/02/1986]

cadre post subject to the same conditions as are laid down for cases falling under item (ii) of proviso to Rule 28.

Exception .- In cases where the appointment is to officiate in a higher post or to hold a higher temporary post, in the regular line, the officiating and temporary service in the higher post shall count for increments in time-scale applicable to the lower post, even if the officer is not re-appointed to the lower post or is not appointed or re-appointed to a post on the same time-scale of pay.

The period of officiating/temporary service in the higher post which counts for increment in the lower is, however, restricted to the period during which the officer would have officiated in the lower post but for his appointment to the higher post. This clause applies also to an officer who is not actually officiating in the lower post, but who would have so officiated in such lower post or in a post on the same time-scale of pay had he not been appointed to the higher post.

Note.- *For the purpose of this rule, the officiating and temporary service in the higher posts will include the period of leave which counts for increments under clause (b).

- (d) If an officer's substantive tenure of a temporary post is interrupted by duty in another post other than a post carrying less pay referred to in clause (a) of Rule 21 or by leave other than leave without allowances or by foreign service, such duty or leave or foreign service counts for increments in the time-scale applicable to the temporary post if the officer returns to the temporary post:

Provided that the Government may in any case in which they are satisfied that the leave was taken on account of illness or for any other cause beyond

the officer's control, direct that leave without allowances shall be counted for increments under this clause.

- (e) Foreign service counts for increments in the time-scale applicable to—
- (i) the post in Government service on which the officer concerned holds a lien as well as the post or posts, if any, on which he would hold a lien had his lien not been suspended, and
 - (ii) any post in which he would have officiated or to which he may receive officiating promotion under Rule 143 below for the duration of such promotion.
 - (iii) any post in the parent cadre on a lower scale of pay to which the officer is appointed on reversion from the ex-cadre post subject to the fulfilment of the conditions mentioned in item (iii) of proviso to Rule 28.

Note 1.- *Joining time counts for increments :-

- (i) If it is under clause (a) of Rule 125, in the time-scale applicable to the post on which the officer holds a lien or would hold a lien had his lien not been suspended as well as in the time-scale applicable to the post, the pay of which is received by the officer during the period, and
- (ii) If it is under clause (b) of Rule 125, in the time-scale applicable to the post/posts on which the last day of leave before commencement of the joining time counts for increments.

Explanation.- For the purposes of this rule, the period treated as duty under sub-clause (ii) of clause (7) of Rule 12 shall be deemed to be duty in a post if the officer draws pay of that post during such period.

Note 2.- In the case of an officer who, while officiating in a post proceeds on training or to attend a course of instruction and who is treated as on

duty, while under training, the period of such duty will count for increment in the post in which he was officiating prior to his being sent for training or instruction if he is allowed the pay of the officiating post during such period.

Government Decision No. 1

**A Government servant thrown out of service for want of vacancy and again reappointed after a break in the same post or in another post carrying the same time-scale of pay can count his prior service for purposes of increment under Rule 33 (a) read with Rule 12 (35) (b).

Government Decision No. 2

*[Deleted]

This deletion shall be deemed to have come into force with effect from 1st October, 1994.

34. The Government may grant a premature increment to an officer on a time-scale of pay.

Note.- In the case of increments granted in advance, it is usually the intention that the officer should be entitled to increments in the same manner as if he had reached his position in the scale in the ordinary course and in the absence of special orders to the contrary he should be placed on exactly the same footing, as regards future increments as an officer who has so risen.

Government Decision No. 1

In Rule 34 of Kerala Service Rules, Part I, it is laid down that Government may grant a premature increment to an officer on a time-scale of pay without

prejudice to his normal increment. At present there is no ruling or Government decision as to the circumstances under which the rule regarding the grant of advance increments could be invoked in individual cases.

2. Good service entries and incentive awards are possible variants to advance increments for the recognition of meritorious service rendered by Government servants. In G.O.(Ms.) 849/59/PD, dated 24th September 1959, it has been provided that incentive awards could be made for outstanding performance of officers in the discharge of their duties and responsibilities. Under this system, cases of extraordinary originality, imagination or brilliance, or rare devotion to duty deserving recognition in a special way and suggestions for reduction of expenditure without affecting efficiency can all be considered for incentive awards. Government, therefore, consider that the system of awarding good service entries and incentive awards are eminently suited for recognising specific or individual cases of meritorious service/work on the part of Government servants; the grant of advance increment being restricted to cases of sustained merit and continuous record of good work. In other words, good service entries, incentive awards and advance increments will be in an ascending order in the matter of recognition of meritorious services of Government servants.
3. *Government also wish to emphasise that there should be more or less uniform standards in recognising merit for the award of advance increments. The confidential report of the officer to whom advance increment is proposed to be given should, therefore, be looked into. All proposals for the grant of advance increments in recognition of the meritorious work of Government servants shall be scrutinised by the concerned Administrative Department, the Public Department and Finance Department before placing the cases for sanction before the Council of Ministers.

This amendment shall be deemed to have come into force with effect from 22nd February 1974.

4. **The above procedure will not apply to the grant of advance increments on notional basis for purposes of fixation of pay due to considerations other than of meritorious services of Government servants.

Government Decision No. 2

Incentive awards in the nature of cash awards for meritorious services shall not be given to Gazetted Officers.

The above amendment shall be deemed to have come into force with effect from 22nd February 1974.

Government Decision No. 3

*Advance increments for meritorious service may be granted to both Gazetted and non-Gazetted Officers.

36. If an officer is, on account of misconduct or inefficiency, reduced to a lower grade or post or to a lower stage in his time-scale, the authority ordering such reduction shall state the period for which it shall be effective and whether on restoration, it shall operate to postpone future increments, and, if so, to what extent.

Ruling

1. Every order passed by a competent authority imposing on a Government servant the penalty of reduction to a lower stage in a time-scale should indicate :-

- (i) The date from which it will take effect and the period (in terms of years and months) for which the penalty shall be operative.
- (ii) The stage in the time-scale (in terms of rupees) to which the Government servant is reduced in the following form :

“The has decided that Sri should be reduced to a pay of ₹..... for a period of with effect from..... ..” and

- (iii) The extent (in terms of years and months), if any, to which the period referred to at (i) above should operate to postpone future increments.

It should be noted that reduction to a lower stage in a time-scale is not permissible under the rules either for an unspecified period or as a permanent measure. Also when a Government servant is reduced to a particular stage, his pay will remain constant at that stage for the entire period of reduction. The period to be specified under (iii) should in no case exceed the period specified under (i).

2. The question as to what should be the pay of a Government servant on the expiry of the period of reduction should be decided as follows :-

- (i) If the order of reduction lays down that the period of reduction shall not operate to postpone future increments, the Government servant should be allowed the pay which he would have drawn in the normal course but for the reduction. If, however, the pay drawn by him immediately before reduction was below the efficiency bar he should not be allowed to cross the bar except in accordance with the provision of Rule 32, Part I, Kerala Service Rules.
- (ii) *If the orders specifies that the period of reduction was to operate to postpone future increments for any specified period, the pay of the Government servant shall be fixed in accordance with (i) above, but after treating the period for which the increments were to be postponed as not counting for increments.

37. (a) Subject to the provisions of Rule 33 (c) and Rule 39, an officer holding a permanent or officiating post, if appointed to officiate on a higher time-scale of pay, will draw as initial pay the stage next above his pay in the lower time-scale irrespective of whether the pay in the lower time-scale is a stage in the higher time-scale or not. A refixation will be allowed whenever there is change of pay in the lower time-scale, i.e., when his pay therein becomes equal to or greater than the pay which he draws in the higher time-scale.

†(b) In the case of officiating appointments from a higher time scale of pay to a lower time scale of pay, by direct recruitment, the officer's officiating pay in the lower time scale shall be fixed at the minimum of the scale of pay of the new post without considering his pay in the higher time scale except in the cases where such appointments are made in accordance with the Special Rules applicable to such appointment and in the case of such appointments,

*[G O(P) No. 659/1964/Fin., Dated 14/01/1964. & G O(P) No. 262/1966/Fin., Dated 16/06/1966]

†[G O(P) No. 211/2005/Fin., Dated 11/05/2005]

the Officer's officiating pay in the new time scale shall be fixed at his officiating pay in the previous appointment, if it is a stage in the new time scale or at the next lower stage, if it is not a stage in the new time scale, the difference being treated as personal pay to be absorbed in future increases. But nothing in this sub rule shall apply to cases of reversions.

Provided that in cases covered by sub-rules (a) and (b) other than cases of re-employment after resignation, removal or dismissal from public service, if he has previously either held substantively or officiated in (i) the same post, or (ii) permanent or temporary post on the same time-scale, or (iii) a permanent post on an identical time-scale or a temporary post (including a post in a body, incorporated or not, which is wholly or substantially owned or controlled by the Government) on an identical time-scale, then the initial pay shall not, except in cases of reversion to the parent cadre governed by item (iii) above, be less than the pay which he drew on the last such occasion and he shall count the period during which he drew that pay on such last and any previous occasions for increment in the stage of the time-scale equivalent to that pay. The service rendered in a post referred to in item (iii) shall, on reversion to the parent cadre, count towards initial fixation of pay to the extent and subject to the conditions indicated below:

- (a) the officer should have been approved for appointment to the particular grade/post in which the previous service is to be counted;
- (b) all his seniors, except those regarded as unfit for such appointment, were serving in posts carrying the scale of pay in which the benefit is to be allowed or in higher posts, whether in the department itself or elsewhere, and atleast one junior was holding a post in the department carrying the scale of pay in which the benefit is to be allowed; and
- (c) the service will count from the date his junior is promoted and the benefit will be limited to the period the officer would have held the post in his parent cadre had he not been appointed to the ex-cadre post.

Ruling No. 1

*When a person in a post (whether within the cadre of his service or not) is for any reason prevented from officiating in his turn in a post on a higher scale or grade borne on the cadre of the service to which he belongs, he may be authorised by special order of the appropriate authority proforma officiating promotion into such scale or grade and thereupon be granted the pay of that scale or grade if that be more advantageous to him on such occasion on which the person immediately junior to him in the cadre of his service (or if that person had been passed over for reasons of inefficiency or unsuitability or because he is on leave or serving outside the ordinary line or forgoes officiating promotion of his own volition to that scale or grade, then the person next junior to him not so passed over) draws officiating salary in that scale or grade. But in case, where the person immediately junior to him happens to assume charge of the post on a later date than that of another junior, the senior who is outside the ordinary line shall be eligible for the benefit of proforma officiating promotion with effect from such date as the other junior assumes charge of the post:

Provided that all persons senior to the persons to whom the benefit under the substantive part of this rule is to be allowed are also drawing, unless they have been passed over for one or other of the reasons aforesaid, officiating salary in the said or some higher scale within the cadre :

Provided further that not more than one person (either the senior most person in a series of adjacent persons outside the ordinary line, or if such a person either forgoes the benefit on his own volition or does not require benefits by virtue of his holding a post outside the ordinary line which secures him at least equivalent benefits in respect of salary and pension then the next below the series) may be authorised to draw the salary of the

*[G O(P) No. 417/1978/Fin., Dated 12/04/1978]

higher scale or grade in respect of any one officiating vacancy within the cadre filled by his junior under this rule.

Note 1.- A fortuitous officiating promotion given to a person who is junior to one outside the regular line does not in itself give rise to a claim under the 'Next Below Rule'.

Note 2.- *The provisions in item (iii) of the proviso to the above rule in respect of protection of pay and period of increment shall be applicable to Government Servants on their appointment directly or on transfer from a post carrying identical time-scale of pay without fulfilment of the conditions indicated thereunder subject to the condition that this benefit will not be admissible to an individual who enters Government service for the first time from a post in a body incorporated or not which is wholly or substantially owned or controlled by Government.

Ruling No. 2

1. †*Scope of the term "outside the ordinary line"*. -The expression "outside the ordinary line" occurring in Ruling No.1 is not intended to be rigidly interpreted as necessary involving a post either "outside the cadre" or "outside the ordinary time-scale". For instance there are cases of officers deputed for post-graduate, etc., training and paid training allowances on the basis of the pay and allowances they would have drawn had they continued in the Department. Training posts are also created in the Department to accommodate them during the period of training. If an officer so deputed gets a promotion in the Department it cannot be strictly stated that the officer is outside the ordinary line, as a training post has already been created to accommodate him within the cadre.
2. *Seniority for the purpose of Next Below Rule.*- If Government have approved in any Department a list of officers in the order of merit for

*[G O(P) No. 393/1963/Fin., Dated 02/07/1963]

†[G O(P) No.610/1964/Fin., Dated 27/08/1964]

promotion to administrative rank or a selection grade, then that order will prevail as the order of seniority for the purpose of the Next Below Rule, over the order of seniority of the officers in the ordinary gradation list of their cadre.

3. *Promotions effected prior to the date of the Next Below Rule.*- In G.O.(P) 393/63/Fin., dated 2nd July 1963 it has been ordered that the Next Below Rule would not apply to cases of promotions already effected. It has been laid down in the second proviso to the rule that not more than one person may be authorised to draw the salary of the higher scale or grade in respect of any one officiating vacancy within the cadre filled by his junior. A doubt may arise as to the application of this proviso in respect of promotions effected before the date of the rule. This is made clear by the following illustration. Suppose eight persons had been given the benefit of promotion before 2nd July 1963 outside the ordinary line against only 3 promotions within the ordinary line. In this case, the question of giving further promotion to the persons outside the ordinary line will arise only after five more persons are given promotion within the ordinary line so that all the eight persons outside are sustained. But those 5 persons who were given promotion outside the ordinary line before 2nd July 1963 will continue to get the benefit even after 2nd July 1963 notwithstanding the second proviso to the ruling.

Ruling No. 3

*In the case of a Government servant officiating in a post and whose pay had been re-fixed under this rule, if he is confirmed in that post with effect from a retrospective date, the re-fixation of pay done after the date of confirmation will have to be revised. The over payments consequent on such revision will first

be set off against arrears, if any, that might become payable to the Government Servant for a portion of the period from the date of confirmation to the date of issue of orders of confirmation. The balance of overpayments that cannot be set off against the arrears, if any, shall be waived.

This Ruling shall be deemed to have come into force with effect from 1st November 1959.

Ruling No. 4

*The refixation of pay in the higher officiating post on the date of change of pay in the lower time-scale contemplated in this rule cannot be allowed during the period of bar on increment with or without cumulative effect. But, in the cases of bar on increment without cumulative effect, there is no objection to give the refixation on a notional basis and to give the monetary benefit after the expiry of the period of bar. Increments accruing in the lower substantive/officiating post from time to time cannot also be allowed during the period of bar.

Ruling No. 5

**Increments barred with or without cumulative effect in the lower substantive/officiating post shall not be reckoned for fixation/refixation of pay in the higher time-scale. But in the case of bar on increment without cumulative effect there is no objection to grant the barred increments notionally for fixation/refixation of pay and to give the monetary benefit after the expiry of the period of bar.

†The rules governing fixation of pay on transfer from one appointment to another contained in the service regulations [as modified by G.O. (P) 95/58/Fin., dated 16th April, 1958 and G.O. (P) 379/59/Fin., dated 22nd July 1959] are applicable to all cases of transfers irrespective of whether the transfer is on the basis of the advice of the Public Service Commission or not. The initial pay/salary of an officer, who while in Government service but not in a provisional appointment is recruited by the Public Service Commission for appointment to a post in the same department or another department will accordingly be fixed applying the above rules. No special sanction is necessary in such cases.

*The above order will take effect from 1st November 1959 the date on which Kerala Service Rules took effect.

Government Decision No. 3

Government Decision No. 4

#An officer officiating in a post, when appointed to a higher post on the advice of the Public Service Commission or otherwise is eligible for his initial pay being fixed under this rule and is also entitled to the benefit of refixation contemplated in the last sentence of the sub-rule (a).

This order will be deemed to have come into force with effect from 31st October 1986.

Government Decision No. 5

The following principles will be followed for fixation of pay when the scale of pay of a post held on a provisional basis is revised :

- (i) If the pay drawn in the previous scale is less than the minimum of the revised scale, then the pay in the revised scale may be fixed at the minimum.
 - (ii) If the pay drawn in the previous scale is a stage in the revised scale, the pay in the revised scale may be fixed at that stage.
 - (iii) If the pay drawn in the previous scale is not a stage, then the pay in the revised scale may be fixed at the next lower stage, the difference being treated as personal pay to be absorbed in future increase in pay.
2. The above principles will also be adopted for regulating the pay of an officer holding a post on a provisional basis when appointed to a higher or a lower post provisionally, except in cases of reversions.
 3. *The pay of an officer holding a post on a provisional basis when appointed provisionally to another post on identical time-scale will be fixed in the new appointment at a stage equal to the pay he was drawing in the previous appointment but the period during which he drew pay at that rate in the previous appointment will not count for increment.

4. **Past cases settled otherwise, will not be reopened.

Government Decision No. 6

The pay drawn by an officer in an ex-cadre post can be counted for purpose of initial fixation of pay on promotion in the parent department. But the benefit of refixation of pay contemplated in the rule is not admissible to him as he loses connection with the ex-cadre post on appointment to the parent department.

*The benefit of pay drawn in an ex-cadre post for purpose of initial fixation will not be admissible, if an officer is reverted to the parent department, to a post carrying a scale of pay lower than that of the ex-cadre post.

Government Decision No. 7

The re-fixation of pay contemplated in the last sentence of sub-rule (a) is admissible even in cases where the change of pay in the lower time-scale is due to fixation of pay on account of revision of the scale of pay. If both the lower and higher time-scales are revised, the benefit will be restricted to cases of options exercised in respect of both the posts simultaneously.

Government Decision No. 8

† The principles enunciated in paragraph (1) of the Government Decision No. 5 above will be adopted for regulating the pay of an officer holding a post on a provisional basis when appointed to a higher or a lower post on a regular basis also, except in cases of reversions.

- (i) The pay of an officer holding a post on a provisional basis and appointed on regular basis to another post on identical time-scale will be fixed at a stage equal to the pay he was drawing in the provisional appointment. The period during which the officer has drawn pay at that rate on the provisional appointment will not count for increment.
- (ii) The pay drawn by an officer in a post held by him on a provisional basis on initial appointment to Government service through the employment exchange or otherwise will not be reckoned for regulating his pay on appointment to another post carrying lower time-scale on a regular basis. Cases of persons appointed to a post on a provisional basis while holding regular posts and subsequently appointed to another post carrying a lower time-scale on a regular basis except cases of reversions, and cases of provisional hands appointed to higher posts on a regular basis will continue to be regulated by the Government Decision No. 8.

Government Decision No. 11

#The pay of an officer holding a post on a regular basis and appointed on a provisional basis to another post on identical time-scale will be fixed at a stage equal to the pay he was drawing in the regular appointment. The period during which the officer has drawn pay at that rate on the regular appointment will count for increment in the provisional appointment.

The above decision shall be deemed to have come into force with effect from 3rd May 1963.

- 37 A.** Notwithstanding the provisions contained in these rules, the pay of a Government servant whose promotion or appointment to a post is found to be or to have been erroneous, shall be regulated in accordance with any general or special orders issued by the Government in this behalf.

Government Decision

The following provisions shall govern the pay and increments of a Government servant whose promotion or appointment in a substantive or officiating capacity to a post is later found to be erroneous on the basis of facts :-

1. The orders of promotion or appointment of a Government servant should be cancelled as soon as it is brought to the notice of the appointing authority that such a promotion or appointment has resulted from a factual error and the Government servant concerned should, immediately on such cancellation, be brought to the position which he would have held but for the incorrect order of promotion or appointment.
2. Service rendered by the Government servant concerned in the post he was wrongly promoted/appointed as a result of the error should not be reckoned for the purpose of increments or for any other purpose in that grade/post to which he would not normally be entitled but for the erroneous promotion/ appointment.

[G O(P) No. 218/1980/Fin., Dated 24/03/1980]

3. Any consequential promotions/appointments of other Government servants made on the basis of the incorrect promotion/appointment of a particular Government servant will also be regarded as erroneous and such cases also will be regulated on the lines indicated in the preceding paragraph.
4. Except when the appointing authority is the Government, the question whether the promotion/appointment of a particular Government servant to a post was erroneous or not should be decided by an authority next higher than the appointing authority in accordance with the established principles governing promotions/appointments. In cases of doubt Government may be consulted.
5. Cases of erroneous promotion/appointment should be viewed with serious concern and suitable disciplinary action taken against the officers and staff responsible for such erroneous promotion/appointment under the Kerala Civil Services (Classification, Control and Appeal) Rules, 1960.
6. In the case of a Government servant who has been erroneously promoted/appointed to a post in a substantive capacity, the following procedure may be followed for deconfirming the Government servant in that post and only thereafter, the Government servant concerned should be brought down to the position which he would have held but for the erroneous promotion/appointment.
 - (a) An order of confirmation which is clearly contrary to the relevant statutory rules may be cancelled by the competent authority straight away. Here the order of confirmation was *ab initio* void as it was ultra vires of the relevant rules and cancellation of the order would be justified on the ground that there was no valid subsisting order at all and the act of cancellation is a mere formality. The effect of cancellation would be to put the employee concerned in a position of never having been confirmed.

- (b) An order of confirmation which is contrary to executive orders or administrative instructions may be cancelled by the competent authority, if such erroneous order of confirmation has operated to the prejudice of some identifiable person who would otherwise have been confirmed, if the orders had been correctly applied.

Here the order of cancellation would be just and equitable as the confirmation of the employee concerned operates unfairly to the detriment of another employee who would have otherwise been confirmed. Such cancellation will not have the effect of doing any injustice to the employee whose confirmation is cancelled, since he was under the executive orders or administrative instructions in force, not entitled to confirmation.

It would, however, be in consonance with the principles of natural justice that a notice to show cause why the orders of confirmation should not be cancelled be given to the affected party in both the types of cases specified above.

7. *The orders re-fixing the pay in all the above cases should be issued expressly under Rule 37A, Part I, Kerala Service Rules.

37.B (a) Probationer in any service shall draw initial pay as follows :-

- (i) while undergoing a course of instruction or training the pay, if any, specified in the 'Special Rules' in that behalf or by special orders of Government, and
- (ii) after completion of the course of instruction or training and when there is no course of instruction or training, the minimum of the time-scale of the probation post.
- (b) (i) A probationer whose, period of probation is two years and whose increment is annual shall be entitled to draw the first increment in the time-scale of the

*[Memorandum No. 87/63, Dated 30/11/1963]

probation post after putting in the service required to earn an increment. The second increment shall be drawn only with effect from the date from which he is declared to have completed his probation. Delay in completing probation will not however, affect his future increments and these will accrue on the normal incremental dates.

- (ii) In the case of a probationer whose period of probation is one year and whose increment is annual, the first increment in the scale of pay of the probation post shall be drawn only with effect from the date on which he is declared to have completed his probation. Delay in completing probation will not, however, affect his future increments and these will accrue on the normal incremental dates.

Note.- *If any period of the service of a probationer does not count for probation, he shall complete the period of probation of one year or two year's duty, as the case may be, by being on duty for an equal period from the date of expiry of one year or two years as the case may be after the commencement of the probation. In cases where the above period is expressed in terms of months and days, then such period shall be calculated as provided in Rule 12 (21) of Part I, Kerala Service Rules. In cases where the absence is expressed in days, the date of completion of probation shall be extended by the number of days of such absence.

Effective from 4th April 1983.

- (c) ** Subject to the provisions of Rule 39 and notwithstanding the provisions of sub-rules (a) and (b) of this rule, an officer shall be entitled to draw in the probation post the pay for which he would be eligible from time to time under the provisions of Rule 28A, Rule 33 (c) or Rule 37, as the case may be.

*[G O(P) No. 163/1983/Fin., Dated 04/04/1983]

**[G O(P) No. 153/1964/Fin., Dated 08/04/1964]

38. When an officer officiates in a post, the pay of which has been fixed at a rate personal to another officer the Government may permit him to draw pay at any rate not exceeding the rate so fixed or, if the rate so fixed be a time-scale, may grant him initial pay not exceeding that lowest stage of that time-scale and future increments not exceeding those of the sanctioned scale.
39. The Government may in individual cases fix by special order the pay of an officiating officer at an amount less than that admissible under these rules.
40. The Government may issue general or special orders allowing acting promotions to be made in place of officers who are treated as on duty under Rule 12 (7) (iii).

Note.- Acting arrangements may be allowed by competent authority if the period of training of an officer is one month or more. If it is less than a month, no arrangements can be made except under the special sanction of Government.

Government Decision

* In the case of deputation of a Government Servant for training or a course of instruction which is treated as duty under Rule 12 (7) (iii), Part I, Kerala Service Rules it is not necessary to create a new post in order to accommodate him during such training or course of instruction, since the very order sanctioning the deputation for training would be a sanction in this behalf.

Effective from 2nd September 1964.

41. *Personal Pay.*- Except when otherwise ordered by Government personal pay shall be reduced by any amount by which the recipient's pay may be increased and shall cease as soon as his pay is increased by an amount equal to his personal pay.

*[G O(P) No. 632/1964/Fin., Dated 02/09/1964]

42. *Pay of Temporary Posts.*- When a temporary post is created which may have to be filled by a person not already in Government Service, the pay of the post shall be fixed with reference to the minimum that is necessary to secure the services of a person capable of discharging efficiently the duties of the post.
43. When a temporary post is created which will probably be filled by a person who is already in the service of Government its pay should be fixed with due regard to-
- (a) the character and responsibility of the work to be performed, and
 - (b) the existing pay of officers of a status sufficient to warrant their selection for the post.

Note.- Temporary posts by this criterion should be considered as temporary additions to the cadre of a service should be created in the time-scale of the service ordinarily without extra remuneration. Incumbents of these posts will therefore draw their ordinary time-scale of pay. If the posts involve decided increases in work and responsibility in comparison with the duties of the parent cadre generally it may be necessary to sanction a special pay in addition.

CHAPTER V

ADDITIONS TO PAY

44. *Compensatory Allowances.*- Subject to the general rule that the amount of compensatory allowances should be so regulated that the allowance is not on the whole a source of profit to the recipient the Government may grant such allowances to any officer under its control and may make rules prescribing their amounts and the conditions under which they may be drawn. (For rules made under the above Rule See Appendix IV).

- I. Unless otherwise ordered by Government, a compensatory allowance shall ordinarily be drawn only by a Government servant actually on duty, but the authority competent to sanction leave may in writing permit it to be drawn by the officer on earned leave, if the whole or a considerable part of the expense to meet which the allowance was granted continues to be incurred by him during the leave:

Provided the Government Servant certifies that he continued for the period for which the allowance is claimed, to incur the whole or a considerable part of the expense for which the allowance was granted:

Provided further that the officer is due to return after leave to the same post or station, as the case may be from which he proceeded on leave or to a similar post or station for which the allowance at the same or a higher rate is admissible:

Provided further when the Government servant on return from leave is posted to a post other than the one from which he went on leave and both the posts carry similar allowances but at different rates, the Government servant shall during leave draw the lesser of the two rates.

- I. (A) *Subject to the second and third provisions to clause I above, compensatory allowance granted under class VI (c) in Appendix IV may be drawn during periods of earned leave:

*[G O(P) No. 302/1966/Fin., Dated 07/07/1966]

This clause shall be deemed to have come into force with effect from 12th January 1965.

- II. A compensatory allowance granted under class IV, Appendix IV may be drawn during temporary transfer, if-

- (i) the authority sanctioning the transfer certifies that the Government servant is likely, on the expiry of the temporary duty, to return to the station from which he is transferred ;
- (ii) the Government servant draws no allowance of the same kind in the post to which he is transferred;

and

- (iii) the Government servant certifies that he kept his family, for the period for which the allowance is claimed, at the station from which he proceeded on transfer.

- III. A compensatory allowance granted under class VI, Appendix IV may be drawn during temporary transfer, if-

- (i) the authority sanctioning the transfer, certifies that the Government servant is likely on the expiry of the transfer, to return to the post to which the allowance is attached or to another post carrying a similar allowance; and
- (ii) the Government servant certifies that he continued for the period for which the allowance is claimed to incur the whole or a considerable part of the expenditure for which the allowance was granted.

Note.-The certificate under clause (ii) above will be dispensed with when it is inapplicable.

- IV. **If a Government servant in his old post drew compensatory allowance granted under Class IV, or Class VI of Appendix IV (but not in an individual capacity) and is transferred to another post, he may be allowed the compensatory allowance during joining time as applicable to the old station from which he was transferred. He may also be allowed house rent allowance during transit as applicable to the old station from which he was transferred. He shall not be allowed conveyance allowance or Permanent Travelling Allowance.

Government Decision No. 1

*Notwithstanding anything contained in the second and third provisos to Rule 44 (I), Part I Kerala Service Rules, House Rent Allowance and City Compensatory Allowance admissible from time to time will be payable during the periods of leave with allowances, including leave preparatory to retirement, if the total period of such leave at a time does not exceed 180 days or if the actual duration of the leave exceeds 180 days, for the first 180 days of such leave.

*This shall be deemed to have come into force w.e.f. 25th July, 1995.

Government Decision No.2

45. The Government may make rules or issue orders laying down the principles governing the allotment to officers, for use by them as residences, of such buildings owned or leased by it, or such portions thereof, as the Government may make available for the purpose. Such rules or orders may lay down different principles for observance in different localities or in respect of different classes of residence, and may prescribe the circumstances in which such an officer shall be considered to be in occupation of a residence.

47. No officer may undertake work for another Government, or a private or public body or a private person, or accept fee therefore, without the sanction of the Government.

Note.- Heads of department, while forwarding their recommendations in such cases shall unless the officer is on leave, specifically state whether the work can be undertaken by the officer concerned without detriment to his official duties and responsibilities.

Government Decision

CHAPTER VI

COMBINATION OF APPOINTMENTS

53. (a) A competent authority may appoint an officer to hold substantively or to officiate in two or more independent posts at one time.
- (b) †The competent authority who appoints an officer to hold or to officiate in a second post in addition to his own, will declare whether he officiates in or holds full charge of the additional post or is appointed merely to discharge the current duties. It should also specify in each case the amount of **special allowance, if any, to be granted, the amount being subject to the following limits :-
- (1) If an officer is appointed to officiate in a second post and to hold in addition full charge of his own post, he may be allowed to draw the highest pay to which he would be entitled if his appointment to one of the posts stood alone **and in addition special allowance which should not exceed * 6 per cent of the minimum of the scale of pay of other post with effect from the 1st day of February, 2011 or the date of change over to the revised scale ordered in G.O.(P) No.85/2011/Fin. dated the 26th February, 2011, which ever is later. The highest pay referred to above may be specifically reduced by the competent authority at its discretion.
- If compensatory allowance is attached to one of the posts, he may be permitted to draw it in full and if compensatory allowances are attached to more than one of the posts, the allowance which may be granted to him should not exceed the larger allowance.
- (2) If the officer is appointed to hold full charge of one or more posts in addition to his own, the **special allowance which may be granted to

No.85/2011/Fin. dated the 26th February, 2011, which ever is later. The drawal of compensatory allowances will be regulated as in the sub-para under clause (1) above.
- (3) If the officer is appointed to discharge only the current duties of one or more posts in addition to his own, the **special allowance which may be granted to him in respect of each additional post should not exceed *3 per cent of the minimum of the scale of pay of that post with effect from the 1st day of February, 2011 or the date of change over to the revised scale ordered in G.O(P) No. 85/2011/Fin dated the 26th February, 2011, which ever is later, in addition to the pay and compensatory allowances, if any, admissible in his regular post.
- (c) No **special allowance should be granted unless the previous incumbent of the additional post held, has actually given over charge thereof under orders of competent authority and unless the period of additional charge exceeds fourteen working days in the case of full additional charge and one month in the case of discharge of current duties only. †The drawal of **special allowance should not be allowed for a period exceeding three months on any account.

- (d) [Deleted].
- (e) Additional remuneration should not be allowed as a matter of course or granted when the extra duties to be performed are only nominal or comparatively light. Additional remuneration should not be allowed during any period of vacation unless the additional duty is actually performed during such period.

Ruling

The term 'independent' occurring in the above rule should be interpreted as meaning separate or distinct involving independent duties and responsibilities and the post subordinate to the one held by the officer should not be taken as independent under the rule.

Government Decision No. 1

*At present charge allowance of the non gazetted officer for his holding additional charge of a gazetted post is being authorised by the office of the Accountant General based on the sanction of competent authorities, in the same way as pay and allowances of a gazetted officer is concerned. This practice has since been reviewed in the light of the procedure followed in some of the Audit and Account offices of other States. It has been decided that no authorisation from the office of the Accountant General is necessary in case of additional charge arrangements from 1st April 1963 onwards, as holding of additional charge of a gazetted post does not alter the status of a non gazetted officer to that of a gazetted officer.

According to the changed procedure, the additional charge allowance will be drawn and paid by the Head of Office in the same manner as his regular pay and allowances are drawn. The Drawing Officer should however satisfy himself that there is proper sanction of the competent authority for the

*[G O(P) No. 312/1963/Fin., Dated 29/05/1963]

additional charge arrangements and that the officer has actually held the additional charge of the post during the period for which the charge allowance is drawn and also that the rate of allowance sanctioned and drawn is as per rules etc. The charge allowance thus drawn may be continued to be debited to the same head of account to which the pay of the non-gazetted officer is debited.

In the case of a non gazetted officer holding additional charge of the duties of the Head of an Office, who is a gazetted officer and also a drawing and disbursing officer, the procedure adopted for the drawal of his normal pay and allowances may be followed for the drawal of charge allowance also.

Government Decision No. 2

†The following criteria will be followed to distinguish between 'full additional charge' and 'discharge of current duties':-

- (i) An officer appointed to hold 'full additional charge' of a post has to perform all the administrative, financial and statutory functions and duties in respect of that post.
- (ii) An officer appointed to discharge current duties of a post need attend only to the work of a routine nature in respect of that post.

53A. **The posts in respect of which additional charge arrangements may be ordered shall be as classified below:-

- (I) *Posts not in the same office, establishment or line of promotion or cadre.*- Where the duties and responsibilities are clearly independent and are eligible for *special allowance, e.g., Labour Commissioner, holding charge of the

†[G O(P) No. 319/1972/Fin., Dated 31/07/1972]

**[G O(P) No. 132/1987/Fin., Dated 10/02/1987]

post of Registrar of Co-operative Societies and Joint Secretary to Government holding charge of post of a Head of Department.

This amendment shall be deemed to have come into force on 1st March, 1997.

(II) *Posts in the same office, establishment or line of promotion or cadre.*-

Cases of this nature shall further be divided as follows :-

- (a) When the additional post is subordinate to the regular post, *special allowance shall not be admissible e.g., Superintendent of Police holding charge of the post of Assistant Superintendent of Police or Deputy Superintendent of Police and District Collector holding the charge of the post of Revenue Divisional Officer under him.

Note.- The reason for the non-grant of *special allowance In the above cases is that the superior officer is expected to supervise the work of the subordinates and the additional charge arrangements should not entitle him to extra remuneration. The work of the additional post should be redistributed among other subordinates in such a way that each one's load of work is increased to a small extent that no one need be given *special allowance.

- (b) When the additional post is of equivalent and of the same rank as that of the regular post the following principles shall apply:

- (1) If additional charge arrangements are in respect of different territorial jurisdictions, the posts are definitely independent and in such cases *special allowance shall be admissible, e.g., Revenue Divisional Officer of one district/division holding charge of another district/division and one Block Development Officer holding charge of another block.

*[G O(P) No. 635/2002/Fin., Dated 19/10/2002]

- (2) If additional charge arrangements are in respect of posts in the same office and of the same rank, *special allowance shall not be admissible if the duties of the additional post are identical in nature and if the responsibilities are such as can easily be spread out among others holding the same post, e.g., if a Deputy Collector goes on leave and if the Collector has a number of Deputy Collectors working under him, he should consider whether he can distribute the responsibilities of the Deputy Collector on leave to the other Deputy Collectors so as not to increase substantially each one's load of work.

This amendment shall be deemed to have come into force on 1st March, 1997

- (3) If the additional charge arrangements are in the same office and if the responsibilities attached to the post are indivisible and cannot be distributed to more than one officer, special allowance* shall be admissible. In such cases, a certificate to the effect that the responsibilities of the post held in additional charge are not divisible, should be furnished by the competent authority, {**} e.g. Deputy Director of Animal Husbandry (Key Village) or Deputy Director of Animal Husbandry (Veterinary) or Deputy Director of Animal Husbandry (Extension) holding charge of the other post.

This shall be deemed to have come into force w.e.f. 13th October, 1995.

- (c) When the additional post is superior to the regular post and is carrying higher scale of pay *special allowance shall be admissible, e.g., Deputy Secretary or Joint Secretary to Government holding charge of the post of Additional Secretary

*[G O(P) No. 635/2002/Fin., Dated 19/10/2002]

**[Omitted G O(P) No. 242/2002/Fin., Dated 22/04/2002]

or Secretary to Government and a Superintendent of Police or Assistant Inspector General of Police holding charge of the post of Deputy Inspector General of Police.

This shall be deemed to have come into force on 1st day of March, 1997

- (d) ** All India Service Officers, State Government Officers and Judicial Officers who are in the scale of pay of Secretary to Government and above shall not be eligible for charge allowance for holding additional charge of other posts.

!Note.- Clause (d) shall be deemed to have come into force with effect from 13th October, 1995 in respect of All India Service Officers and 7th November, 2002 in respect of others.

- (ii) Amount due to Court attachments.
- (iii) Recovery of loss to Government for which an officer is responsible.
- (d) As regards recovery of overpayments, there is no bar to effect the same from the subsistence allowance, but such recoveries of overpayments should not ordinarily be made at a rate greater than one-third of the amount of the subsistence allowance i.e., exclusive of dearness allowance if any, admissible to him.

Note 3.- No payment under the rules shall be made unless the officer furnishes a certificate that he is not engaged in any other employment, business, profession or vocation. In the case of non-gazetted officers, the certificate signed by the officer should be countersigned by a gazetted officer, in token of acceptance. It should then be attached to the bill in which subsistence allowance for the period covered by the certificate is claimed. In the case of gazetted officers payment of subsistence allowance will be authorised by the Accountant General on the basis of the sanction issued by the competent authority and the Treasury Officer will pay the allowance only if a similar countersigned certificate is attached to the bill claiming it.

CHAPTER IX**LEAVE****SECTION I****EXTENT OF APPLICATION**

61. Unless in any case it be otherwise distinctly provided, the rules in this Chapter apply to all officers to whom these service rules as a whole apply.
62. (1) Unless in any case it be otherwise distinctly provided by or under these rules, an officer transferred to a service or post to which these rules apply, from a service or post to which they do not apply, is not ordinarily entitled to leave under these rules in respect of duty performed before such transfer:

Provided that in the case of an officer who holds a substantive, officiating or temporary post on the day previous to the one on which these rules come into force, the maximum limit of accumulation of earned leave specified in Rule 78 shall not apply during the period of the first five years from the date of his appointment to the service or from that of the commencement of these rules whichever is later and such an officer may be allowed during the said period of five years to avail himself of the accumulated leave to his credit:

Provided further that on the expiry of the said period of five years the leave at the credit of the officer in excess of the normal maximum limit of accumulation of leave laid down in Rule 78 shall lapse:

Provided also that he shall not earn leave during that period unless the accumulated leave at his credit falls below 180 days.

- (2) Subject to the provisions contained in Rule 77(vi), the half pay leave to be carried forward will be the balance of furlough leave or leave on half average pay for which an officer is eligible on the date on which these rules come into force diminished by the leave on medical certificate taken before such date, under the old rules governing him.

63. (a) If an officer, who quits the public service on compensation or invalid pension or gratuity, is re-employed and if his gratuity is thereupon refunded or his pension held wholly in abeyance, his past service thereby becoming pensionable on ultimate retirement, he may, at the discretion of the Government and to such extent as the Government may decide, count his former service towards leave.
- (b) An officer who is dismissed or removed from the public service, but is reinstated on appeal or revision, is entitled to count his former service for leave.

Note 1.- The re-employment of a person who has retired on a superannuation or retiring pension is generally an exceptional and temporary expedient. In such cases, the service of the re-employed pensioner should be regarded as temporary and his leave during the period of re-employment regulated by the rules in Appendix VIII.

Note 2.- Resignation of public service even though it is followed immediately by re-employment entails forfeiture of past service and constitutes an interruption of duty. But resignation to take up another appointment does not constitute an interruption.

SECTION II**GENERAL CONDITIONS**

64. The Government may issue orders specifying the authority by whom leave other than *leave without allowances exceeding a period of four months at a time, may be granted.

**Effective from 6th March 1968.

!The power to sanction leave without allowances exceeding a period of four months at a time will rest with Government.

** [G O(P) No. 481/1970/Fin., Dated. 06/07/1970]

! [G O(P) No.313/1976/Fin., Dated 05/10/1976]

This amendment shall be deemed to have come into force with effect from 14th November 1966.

65. Leave cannot be claimed as a matter of right. When the exigencies of the public service so require, discretion to refuse or revoke leave of any description is reserved to the authority empowered to grant it.

Note.- The nature of the leave due and applied for by an officer cannot be altered at the option of the sanctioning authority and while it is open to the sanctioning authority to refuse or revoke the leave due and applied for, it is not open to him to alter the nature of such leave.

66. Leave ordinarily begins on the day on which transfer of charge is effected and ends on the day preceding that on which charge is resumed. When the day immediately preceding the day on which an officer's leave begins or immediately following the day on which his leave expires is a holiday or one of a series of holidays, the officer may leave his station at the close of the day before, or return to it on the day following such holiday or series of holidays; provided that-

- (a) his transfer or assumption of charge does not involve the handing or taking over of securities or of money other than a permanent advance;
- (b) his early departure does not entail a correspondingly early transfer from another station of an officer to perform his duties; and
- (c) the delay in his return does not involve a corresponding delay in the transfer to another station of the officer who was performing his duties during his absence or in the discharge from Government service of a person temporarily appointed to it.

Ruling

*A restricted holiday enjoyed with the permission of the competent authority shall be treated as holiday for the purpose of this rule.

*[G O(P) No.458/1966/Fin., Dated 13/10/1966]

67. On condition that the departing officer remains responsible for the money in his charge, a competent authority may declare that proviso (a) under Rule 6 is not applicable to any particular case.

68. Unless the competent authority in any case otherwise directs-

- (a) if holidays are prefixed to leave, the leave and any consequent re-arrangement of pay and allowances takes effect from the first day after holidays; and
- (b) if holidays are affixed to leave, the leave is treated as having terminated on, and any consequent re-arrangement of pay and allowances takes effect from, the day on which the leave would have ended, if holidays had not been affixed.

The following procedure is prescribed when vacation or gazetted holidays are permitted to be prefixed or affixed to leave :-

**Note 1.*-(i) When they are prefixed to leave, the officer proceeding on leave will report before leaving the station, or if for urgent reasons the leave is granted during vacation or gazetted holidays, as soon as it is granted that he will cease to discharge the duties of his post with effect from the end of vacation or holidays. The relieving officer will then assume the duties of the post at the end of the vacation or holidays in the ordinary course.

(ii) When a vacation or holidays are affixed to leave, the officiating officer will be relieved in the ordinary way before the vacation, or holidays, and the officer on leave will return at the end of the vacation or holidays, but will be regarded as having assumed the duties of the post with effect from the commencement of the vacation or holidays.

(iii) Except in cases covered by (i) and (ii) above, transfer of charge certificates should be signed by both the relieved and relieving

*[G O(P) No. 482/1982/Fin., Dated 26/08/1982]

(ii) When a Government Servant is certified medically fit for joining duty, holiday(s) if any, succeeding the day he is so certified (including that day) shall automatically be allowed to be suffixed to the leave, and holiday(s) if any, preceding the day he is so certified shall be treated as part of the leave.

(iii) Except in cases covered by (i) and (ii) above, transfer of charge certificates should be signed by both the relieved and relieving officers on the day on which charge is transferred.

The note shall be deemed to have come into force with effect from 26th August 1982.

Ruling No. 1

***A* restricted holiday enjoyed with the permission of the competent authority shall be treated as holiday for the purpose of this rule.

Ruling No. 2

!There is no objection to an officer in a vacation Department being permitted to suffix holiday (s) to leave and also to enjoy the vacation in continuation of the holiday so suffixed to leave.

69. An officer on leave may not take any service or accept any employment without obtaining the previous sanction of the authority empowered to fill up the post held by him.

Note.- This rule does not apply to casual literary work, or to service as an examiner or similar employment; nor does it apply to acceptance of foreign service, which is governed by the rules under Chapter XI.

70. All orders recalling an officer to duty before the expiry of his leave should state whether the return to duty is optional or compulsory. If the return is optional, the officer is entitled to no concession. But if it is compulsory he is entitled to be treated as on duty from the date on which he starts for the station to which he is ordered, and to draw Travelling Allowance under rules made in this behalf for the journey, but to draw until he joins his post, leave salary only.

71. No officer who has been granted leave on medical certificate may return to duty without first producing a medical certificate of fitness in the following form from a Medical Officer not below the rank of an Assistant Surgeon or the Director of Indigenous Medicine.

do hereby certify that I / we have carefully examined ABC of the Department, whose signature is given above and find that he has recovered from his illness and is now fit to resume duties in Government Service. I/we also certify that before arriving at this decision I / we have examined the original medical certificate(s) and statement(s) of the case (or certified copies

* [G O(P) No. 645/1981/Fin., Dated 13/10/1981]

Ruling

******When the officer proceeds on leave from the post in which he is re-employed and avails of the refused leave during the period of re-employment or after, the leave salary would be same as would have been admissible in the normal course but for re-employment reduced by the amount of pension and/or pension equivalent of gratuity and other retirement benefits.

Government Decision

† Initial pay on re-employment should be fixed at the minimum stage of the time-scale of pay prescribed for the post in which an individual is employed.

In cases where it is felt that the fixation of initial pay of the re-employed officer at the minimum of the time-scale will cause undue hardship, the pay may be fixed at a higher stage by allowing one increment for each year of service which the officer has rendered before retirement in a post not lower than that in which he is re-employed subject however to the proviso to Rule 119, Part III of these rules.

Effective from 20th June 1964.

Note 2.-(c) The leave salary of an officer who is permitted during leave preparatory to retirement before attaining the age of superannuation, or during leave under Rule 75 to take up employment under any other Government under a private employer or employment payable from a local fund, will also be restricted during such employment as in (b) above.

This amendment shall be deemed to have come into force with effect from 12th April 1984.

Ruling

**The eligibility for leave is determined with reference to the eligibility on the date on which an officer proceeds on leave.

74. Vacation may be taken in combination with or in continuation of any kind of leave, provided the total duration of vacation and earned leave taken together, whether the earned leave is taken in combination with or in continuation of other leave or not, shall not exceed the amount of earned leave due and admissible to the officer at a time under Rules 78 and 79. The combination of earned leave and commuted leave will be limited to 240 days. There will be no limit on the half-pay leave that can be availed of at a time on medical certificate or private affairs. This will apply even when such leave is taken preparatory to retirement.

Government Decision No. 1

† It is permissible to allow a vacation to intervene between two periods of leave. Similarly vacation may be prefixed or suffixed to leave or both prefixed and suffixed. The only restriction is that the total duration of vacations and earned leave together should not exceed the amount of earned leave due and admissible to the officer under Rules 78 and 79, Part I, Kerala Service Rules and that the duration of the total period of vacation, earned leave and commuted leave taken together shall not exceed 240 days.

76. Any leave granted under these rules may be retrospectively commuted into any other kind of leave admissible to the officer at the time the original leave was granted:

Provided that earned leave shall not be commuted into leave of a different kind, *except as provided in the Note below Rule 1, Appendix XII C.

*This amendment shall be deemed to have come into force with effect from 12th April 1984.

!Provided further that no commutation of leave shall be permitted on expiry of one year from the date of sanction of leave.

85. *Leave not due.* - Save in the case of leave preparatory to retirement leave not due may be granted to an officer in permanent employ for a period not exceeding 360 days during his entire service out of which not more than 90 days at a time and 180 days in all may be otherwise than on medical certificate. This will be debited against half-pay leave which the officer earns subsequently. Leave not due should be granted *[only when no other leave with allowance is available at credit of the officer and if the authority empowered to sanction leave] is satisfied that there is a reasonable prospect of the officer returning to duty on the expiry of the leave and earning an equal amount of half pay leave thereafter.

Note 1. - Where a Government servant who has been granted leave not due under this rule, applies for permission to retire voluntarily, the leave not due shall, if the permission is granted, be cancelled.

* [G O(P) No. 409/1977/Fin., Dated 24/10/1977]

Note 2. - Except as provided in Note 1, leave not due when granted should in all cases (subject to the officer's wishes) be allowed to stand, including cases in which the officer fails to earn it by subsequent duty.

Government Decision

*A question has been raised whether in cases where the officers whose credit in half-pay leave account results in a minus balance on 1st November 1959 can be granted a further period of 360 days leave not due under Rule 85, Part I, Kerala Service Rules. This has been examined by Government and they consider that in view of the second proviso to the amendment to clause (vi) of Rule 77, Part I, issued in G.O.(P) 261/Fin., dated 23rd May 1960, the half-pay leave availed of prior to 1st November 1959 in excess of the half-pay leave reckoned under Kerala Service Rules has been wiped off. Therefore such officers should be treated as leaving a nil balance of half-pay leave on 1st November 1959 and they should get the same consideration in regard to the grant of leave not due as in the case of those who had not enjoyed half-pay leave in excess of what is admissible under Kerala Service Rules. The Government accordingly direct that officers whose credit on half-pay leave account results in a 'nil' balance on 1st November 1959 consequent on the wiping off of the excess half-pay leave already available shall be eligible for a further period of 360 days, leave not due under Rule 85, Part I, Kerala Service Rules, provided they otherwise satisfy the requirements of the rules.

86. The provisions of Rules 78, 80, 81, and 83, apply also to an officer not in permanent employ except that in respect of the first year of service the earned leave admissible is 1/22 of the period spent on duty:

Provided that no earned leave shall be admissible to such an officer in a vacation department in respect of the first year of his service.

* [G O(Ms) No. 524/1960/Fin., Dated 07/11/1960]

Note 1.-The leave of an officer appointed as a probationer (for a certain period before confirmation of his appointment) will be regulated under the rules prescribed for permanent officers. If for any reason it is proposed to terminate the services of a probationer any leave which may be granted to him shall not extend beyond the date on which the probationary period as already sanctioned or extended expires, or any earlier date on which his services are terminated by the orders of the authority competent to appoint him.

Note 2.-Whenever the rate of earning leave changes, the fraction in the earned leave accumulated at the earlier rate should be rounded off to the nearest day i.e., fraction below half should be ignored and that of half and more should be reckoned as a day. *Similarly, the fraction, if any, in the leave earned in accordance with the provisions of the first paragraph of Rule 81 by an officer serving in a vacation department should also be rounded off to the nearest day.

Ruling

† When a full-time teacher is appointed to a part-time post, the leave earned by him prior to becoming part-time cannot be granted to him while holding the part-time post. Such leave may, however, be granted when he is reappointed to a full-time post.

@86A. Notwithstanding anything contained in Rules 84, 86, 88 (ii) and 90, an officer not in permanent employ who has completed three years of continuous service shall be eligible for (i) commuted leave, (ii) earned leave and (iii) leave

without allowances as would be admissible to him if he had held his post substantively.

87. An officer not in permanent employ appointed without interruption of duty substantively to a permanent post will be credited with the earned leave which would have been admissible if his previous duty had been duty as an officer in permanent employ diminished by any earned leave already taken. Leave is not an interruption of duty for the purpose of this rule.

88. *Leave without allowances.*-

(i) Leave without allowances may be granted to *any officer in regular employment in special circumstances-

** Provided that the leave of person appointed under rule 9(a)(i) of the Kerala State and Subordinate Service Rules 1958 shall be regulated by rules under Appendix VIII of these rules, unless he is already an officer on regular employment

(a) when no other leave is by rule admissible, or

(b) when other leave is admissible, but the officer concerned applies in writing for the grant of leave without allowances.

(ii) Except in the case of an officer in permanent employ, the duration of leave without allowances shall not exceed 3 months on any one occasion.

(iii) † When the period of absence of any Officer is without proper application for leave, Government may retrospectively convert the period of absence into leave without allowance even when any other kind of leave was admissible at the time of absence.

† [G O(P) No. 99/2002/Fin., Dated 31/01/2002]

**Exception 1.*-When a period of suspension is retrospectively treated as leave without allowances by the revising or appellate authority the limitation of admissible leave without allowances to three months to officers not in permanent employ will not apply.

#Exception 2.-The limitation in sub-rule (ii) shall not apply to the grant of leave without allowances regulated by the rules in †Appendices XIIA, XIIB and XIIC.

SECTION IV

COMMUTATION OF LEAVE WITH RETROSPECTIVE EFFECT

89. (i) The authority which granted leave to an officer can commute it retrospectively into leave of a different kind which may be admissible but the officer concerned cannot claim it as a matter of right:

*Provided that earned leave shall not be commuted into leave of a different kind †except as provided in the Note below Rule 1, Appendix XIIC.

*Effective from 22nd November 1971.

†This shall be deemed to have come into force with effect from 12th April 1984.

! Provided further that no commutation of leave shall be permitted on expiry of one year from the date of sanction of leave.

- (ii) Commutation of one kind of leave into another automatically carries with it the drawal of arrears of leave salary or recovery of amounts overdrawn.

#[G O(P) No. 654/1995/Fin., Dated 10/10/1995,

! [Insertion G O(P) No. 23/2013/Fin., Dated 10/01/2013 (with effect from 10/01/2013)]

- (iii) Commutation of leave without allowances taken during temporary service when no other leave was due, into earned leave on confirmation without interruption of service, by giving retrospective effect to the benefit of Rule 87 would be irregular and not in accordance with the intention of Government. The real intention of Rule 87 is to provide only for a retrospective recalculation of leave at credit on the date of confirmation with a reduction on account of the earned leave already taken. Except for the carry-forward of the recalculated credit on confirmation, leave earned and taken should be a closed chapter at that point and no readjustment of any leave taken is automatically permissible as a consequence of such recalculation. The closed chapter may however properly be re-opened, for instance, to correct a miscalculation of leave earned or taken or to readjust leave earned and taken when confirmation is ordered with retrospective effect or at the discretion of the sanctioning authority to convert leave of any one kind already taken into leave due of any other kind admissible at the time leave was originally taken.

Government Decision

When confirmation is given retrospectively with effect from a date earlier than the date on which leave was already sanctioned, such leave can be commuted and readjusted as provided in Rule 89 (iii). Such cases do not come within the purview of the ruling under Rule 11. What has changed is only the status of the officer and not the rule in force at the time the leave was sanctioned. The position will be clear from the following illustration:-

Illustration

** Leave without allowances taken at any time during the period from 1st November 1960 to 31st October 1961 cannot be retrospectively commuted into any other kind of leave. But leave earned and taken after 1st November 1961 can be retrospectively commuted.

Note 2.- Probationers and approved probationers in one service (including other officiating officers for whom no probation has been prescribed) when appointed to the same or another service by direct recruitment shall be allowed the minimum joining time (i.e., actual journey time) and transit pay, provided that the posts held by them prior to transfer or the posts to which they are appointed remain vacant during the period. They shall not, however, be allowed Travelling Allowance.

[Effective from 22nd August 1960]

Ruling No. 1

Joining time under Rule 125 (b) (i), Part I, Kerala Service Rules, will be admissible only in cases where an officer has proceeded on and has returned

from earned leave proper and is posted to join a new post. In all other cases, it should be regulated under sub-clause (b) (ii) *ibid*.

Ruling No. 2

A gazetted officer deputed for training should relinquish charge of his post and prepare a charge report even if no officiating arrangement is made in his place. He should also intimate to the Audit Officer concerned, through the Training Institute/Officer, etc., the date and hour of reporting for training and on relief on the completion of training.

Government Decision

*Retired officers re-employed in Government service will be treated on par with provisional hands appointed under General Rule 9 (a) (i) of the Kerala State and Subordinate Services Rules, 1958 for purposes of joining time and only the actual journey time allowed as joining time.

126. Not more than one day is allowed to an officer in order to join a new post when the appointment to such post does not necessarily involve a change of residence from one station to another. A holiday or Sunday counts as a day for the purpose of this rule. No joining time is admissible in cases where the change of post does not involve an actual change of office.

#Note.- A transfer shall be held to involve a change of station only if the distance between the two places is not less than eight kilometres.

126A. When holiday(s) follow(s) joining time, the normal joining time may be deemed to have been extended to cover such holiday(s).

*[G O(Ms) No. 11/1967/PD., Dated 17/01/1967]

[G O(P) No. 48/1966/Fin., Dated 10/02/1966]

Ruling

*When officers are transferred while on leave, joining time need be reckoned only from the date following the holiday(s), if any, suffixed to leave with the permission of the leave sanctioning authority unless otherwise directed in the transfer order.

127. The joining time of an officer, in cases involving a transfer from one station to another, is subject to a maximum of 30 days. Six days are allowed for preparation and, in addition, a period to cover the actual journey calculated as follows: -

(a) An officer is allowed—

(i) For the portion of the journey which he travels by aircraft

(ii) For the portion of the journey which he travels or might travel:

- By railway 500 kilometres
- By ocean steamer 350 kilometres
- By river steamer 150 kilometres
- By motor vehicles 150 Kilometres
- Or by conveyance plying for public hire in any other way 25 kilometres

} Actual time occupied in the journey

} One day for each or any longer time actually occupied in the journey.

*[G O(P) No. 38/1973/Fin., Dated 05/02/1973]

- (b) (i) For purposes of journey by air under clause (a) (i), a part of a day should be treated as one day.
- (ii) A day is also allowed for any fractional portion of any distance prescribed in clause (a) (ii).
- (c) When part of the journey is by steamer, the limit of six days for preparation may be extended to cover any period unavoidably spent in awaiting the departure of the steamer.
- (d) Travel by road not exceeding eight kilometres to or from a railway station or steamer ghat at the beginning or end of journey does not count for joining time.
- (e) A Sunday does not count as a day for the purpose of the calculations in this rule, but Sundays are included in the maximum period of 30 days.

Exception 1.- The authority sanctioning the transfer may, in special circumstances, reduce the period of joining time admissible under this rule.

Exception 2.- In the case of officers who are entrusted with the custody of stores, a period of not more than ten days and in the case of officers in charge of Timber Depots of the Forest Department a period of not more than one week will be allowed for transfer of charge of check conjointly stores and other materials, the minimum time actually required in each case alone being, however, utilised for the purpose.

Exception 3.- A period of not more than one week will be allowed to Forest Guards for transfer of charge and joint perambulation of the beats, the minimum time actually required alone being, however, utilised for the purpose. This period will be treated as an extension of joining time in respect of the relieving officer.

128. Except in the case of a journey performed by air, by whatever route an officer actually travels, his joining time shall, unless a competent authority for special reasons otherwise orders, be calculated by the route which travellers ordinarily use.

Government Decision

* Except in cases of journeys performed by air, which will be covered by the provisions in sub-rule (a) of Rule 127, the entitlement to joining time of a Government servant, in cases where his old headquarters and new headquarters are connected by railway, should be calculated as admissible for a journey by railway.

129. If an officer is authorised to make over charge of a post elsewhere than at its headquarters, his joining time shall be calculated from the place at which he makes over charge.
130. If an officer is appointed to a new post while in transit from one post to another, his joining time begins on the day following that on which he receives the order of appointment.

Note. - A second period of 6 days for preparation should not be allowed in calculating the joining time of an officer who is appointed to a new post, while in transit from one post to another.

Government Decision

† In the case of a Government servant who is transferred from one post to another but whose transfer is subsequently cancelled after he has handed over charge of his old post but before he could take charge of the new post, the period intervening between the date of handing over charge of the old post and taking over the same later on account of cancellation of transfer orders, should be treated as joining time, subject to the provisions of Rule 130 and the Note thereunder.

* [G O(P) No. 52/1966/Fin., Dated 14/02/1966]

† [G O(P) No. 461/1968/Fin., Dated 24/08/1968]

- 131.** If a Government servant takes leave while in transit from one post to another, the period which has elapsed since he handed over charge of his old post must be included in his leave. On the expiry of the leave, the Government servant may be allowed normal joining time.
- 132.** If an officer is appointed to a new post while on earned leave he is entitled to joining time calculated from his old station in addition to the earned leave. Should the officer join the new appointment before the expiry of leave plus joining time admissible, the period short taken should be considered as leave not enjoyed and a corresponding portion of the leave sanctioned should be cancelled without any reference to the authority which granted the leave. When vacation or holidays immediately preceding vacation begin during or immediately after the expiry of joining time admissible to an officer or when an officer is transferred during vacation, he may be allowed to join at the end of the vacation.
- 133.** The Government may in any case extend the joining time admissible under these rules, provided that the general spirit of the rules, is observed.
- 134.** Within the prescribed maximum of 30 days, the Government may, on such conditions as it thinks fit, grant to an officer a longer period of joining time than is admissible under the rules in the following circumstances:-
- (a) When the officer has been unable to use the ordinary mode of travelling or, notwithstanding due diligence on his part, has spent more time on the journey than is allowed by the rules; or
 - (b) When such extension is considered necessary for the public convenience or for the saving of such public expenditure as is caused by unnecessary or purely formal transfers; or
 - (c) When the rules have in any particular case operated harshly; as for example, when an officer has, though no fault on his part missed a steamer or fallen sick on the journey.

- 135.** When an officer under the administrative control of the Government is transferred to the control of another Government which has made rules prescribing amounts of joining time, his joining time for the journey to join his post under the Government, and for the return journey will be governed by those rules.
- 136.** *A Government servant on joining time shall be regarded as on duty during that period and shall be entitled to joining time pay equal to the pay which was drawn before relinquishment of charge in the old post. He shall also be entitled to Dearness Allowance, if any, appropriate to the joining time pay. In addition, he can also draw compensatory allowances, and house rent allowance as applicable to the old station from which he was transferred. He shall not be allowed conveyance allowance or Permanent Travelling Allowance.
- Note.*- An Officer on transfer is not entitled for joining time unless his transfer is made in the public interest. However, in cases of transfers on request, an officer shall be paid joining time pay and allowances at the rate admissible under this rule for the period spent in travelling to join the new post and if he could not take charge on the new post on the day on which he is to join consequent on that day being declared a holiday, then, for that day also.

Explanation.-There is no objection to an officer being granted regular leave by the competent authority under the leave rules applicable to him even if the transfer is at his own request to cover the period of handing over charge at an old station and before taking over charge at another if the officer applied for it and the competent authority is willing to grant such leave.

- 137.** An officer who does not join his post within his joining time, is entitled to no pay or leave salary after the end of the joining time. Wilful absence from duty

*[G O(P) No.1010/1987/Fin., Dated 27/11/1987]

after the expiry of joining time may be treated as misbehavior for the purpose of Rule 21.

Government Decision

The period of overstayal of joining time of an officer may be regularised by granting eligible leave under Rule 131, Part I, Kerala Service Rules and the Joining time pay regulated under Rule 136 (b) *ibid*

138. A person, in employment other than Government service or on leave granted from such employment, if in the interest of Government, is appointed to a post under the Government may, at the discretion of Government, be treated as on joining time while he prepares for and makes the journey to join the post under Government and while he prepares for and makes the journey on reversion from the post under Government to return to his original employment. During such joining time he shall receive pay equal to the pay, or in the case of joining time immediately following leave granted from the private employment, to the leave salary paid to him by his private employer prior to appointment to Government service, or pay equal to the pay of the post in Government service, whichever is less.

- †140.(a) No officer may be transferred to foreign service against his will:
Provided that this sub-rule shall not apply to the transfer of an officer to the service of a body, incorporated or not, which is wholly or substantially owned or controlled by the Government.

- # (c) The period of deputation to foreign service shall be initially for one year and may be extended year by year up to a continuous period of five years in the aggregate. in writing, prior to the date of its expiry. In the event of the officer overstaying he shall be liable to disciplinary action and the period of overstay shall not be counted for the purpose of pension and that any increment due during the period of overstay shall be deferred with cumulative effect, till the date on which the officer rejoins his parent cadre. No ex post facto approval for regularization of overstay on foreign service shall be allowed. The officer shall be precluded from drawing pay and allowances from the date on which the sanctioned term of foreign service expires:

Provided that the period of leave, if any, taken by an officer, as per rules applicable to him, on the conclusion of foreign service and before joining his post shall not be considered as an overstay under this sub-rule.

The provisions of this sub-rule shall mutatis mutandis apply to an officer on deputation from one service to another or from one Department to another within the same service.

*No officer shall normally be allowed to remain on deputation to foreign service for more than five years continuously. Provisions of Rule 24 will apply to an officer who continues in foreign service for more than five years at a time.

In giving promotion, such authority shall take into account-
- (a) the nature of the work performed in foreign service, and
 - (b) the promotion given to juniors in the cadre in which the question of promotion arises.
- 144.** An officer in foreign service will draw pay from the foreign employer from the date on which he relinquishes charge of his post in Government Service. Subject to any restrictions which the Government may by general order impose, the amount of his pay, the amount of joining time admissible to him and his pay during such joining time will be fixed by the authority sanctioning the transfer in consultation with the foreign employer.

Note 1.-When transfer to foreign service is sanctioned the pay which he shall receive in such service must be precisely specified in the order sanctioning the transfer. If it is intended that he shall receive any remuneration, or enjoy any concession of pecuniary value, in addition to his pay proper, the exact nature of such remuneration or concession must be similarly specified. No officer will be permitted to receive any remuneration or enjoy any concession which is not so specified, and if the order is silent as to any particular remuneration or concession, it must be assumed that the intention is that it shall not be enjoyed.

Note 2.- No order of transfer to foreign service shall be issued without previous consultation with the Finance Department. It shall be open to that department to prescribe by general or special order, cases in which its consent may be presumed to have been given.

@ Provided further that such pay in foreign service shall not exceed the basic pay in Government service by more than 50 percent or ₹ 300 whichever is less.

An officer holding a provisional appointment deputed to foreign service, will be allowed to draw, in foreign service, the pay and allowances attached to the provisional appointment, only if it is certified by the competent authority that the officer would have held the provisional appointment but for his deputation to foreign service.

Ruling No. 2

- ***(i)** For the period from 1-7-1978 to 30-4-1979, Officers on deputation will be allowed deputation allowance at the rates prescribed in the concerned

*[G O(P) No. 359/1981/Fin., Dated 04/06/1981]

Government Order by which the deputation was sanctioned based on their pre-revision pay in Government Service.

- (ii) Those who continue to draw pay in the pre-revision scale on 1-5-1979 are eligible for deputation allowance from 1-5-1979 at the rates specified in Note 3 above. But the minimum of the revised scales of the posts from which they are deputed, will be the basis for determining the rate of deputation allowance. "Pay in the pre-revision scale" means the pay of the Officer concerned in the scale of pay as it stood as on 30-6-1978.
- 145.(a)** While an officer is in foreign service contribution towards the cost of his pension and leave salary must be paid to General Revenues on his behalf.
- (b)** Contributions due under clause (a) above shall be paid by the officer himself, unless the foreign employer consents to pay them. They shall be payable during leave taken while in foreign service.
- Note.-* A copy of the orders sanctioning an officer's transfer to foreign service must always be communicated to the Audit Officer. The Officer himself should, without delay, communicate a copy to the officer who audits his pay, and take his instructions as to the officer to whom he is to account for the contribution; report to the latter officer the time and date of all transfers of charge to which he is a party when proceeding on, while in, and on return from foreign service; and furnish from time to time particulars regarding his pay in foreign service, leave taken by him, his postal address, and any other information which that officer may require.
- 146.** *Recovery of pension contribution in respect of Government servants on deputation to foreign service shall be at the rate of 15 per cent of the maximum of the scale of pay of the post from which deputation is sanctioned. If the scale of pay is revised or the Government Servant gets promotion in the

* [G O (P) No. 742/1984/Fin., Dated 15/12/1984]

present department the recovery shall be at the rate of 15 per cent of the maximum of the revised scale of pay or the scale of pay of the post to which the officer is promoted in the parent department, as the case may be.

The leave salary contribution shall be 10 percent of the maximum of the scale of pay of the post of the deputationist in the parent department. If the scale of pay is revised or the Government servant gets promotion in the parent department, the recovery shall be at 10 percent of the maximum of the revised scale of pay or the scale of the post to which the officer is promoted in the parent department, as the case may be.

The combined rate of leave salary and pension contribution shall be 25 per cent of the maximum of the scale of pay.

Contribution shall be paid for the actual period of duty in the foreign service including all kinds of leave taken while on foreign service. Contribution shall be paid for each calendar month or part thereof and no contribution shall be paid for the periods of joining time.

**Note.* - Leave salary contribution will not be realised in respect of Government officers serving on deputation on foreign service terms, in undertakings which are owned or controlled by the State Government. If the officer avails of leave while on such foreign service, the full expenditure should be borne by the concerned foreign employer and if the officer avail of leave after return from the foreign service, the expenditure should be borne by the Government.

This Note shall be deemed to have come into force with effect from 1st April 1982.

Government Decision.

Leave salary and pension contribution will be recovered in whole rupees, fractions equal to 50 paise being rounded off to the next higher rupee.

* [G O(P) No. 169/1983/Fin., Dated 06/04/1983]

[G O(P) No. 883/1970/Fin., Dated 02/12/1970]

Rounding off will be done (1) at the initial stage while calculating the rates of monthly contributions, (2) while recovering contributions for part of a month at the beginning or at the end of foreign service and (3) where rates of monthly contributions are refixed due to a change in the rates of pay, deputation allowance, etc., and the total contribution recoverable for a calendar month are not in whole rupees.

This decision will take effect from 1st August 1970, i.e., in respect of contributions for August 1970 recoverable in September 1970.

147. The rate of pension and leave salary contribution prescribed in Rule 146 is to secure the officer the pension that he would have earned by service under the State Government if he had not been transferred to foreign service and the leave salary on the scale and under the conditions applicable to him. In calculating the rate of leave salary admissible for earned leave alone, the pay drawn in foreign service less, in the case of officers paying their own contributions, such part of the pay as may be paid as contribution, will count as pay for the purpose of leave salary; provided that the difference between the amount of leave salary that would have been admissible to the officer had he remained in Government Service and the amount of leave salary admissible as aforesaid, shall be recovered from the foreign employer.

Note 1. - As the rates prescribed for such contribution have been calculated on the basis of the *leave on full or half pay normally taken by an officer during the total period of his services and do not take into account any compensatory allowance which may form part of leave salary, the whole expenditure in respect of any compensatory allowance for periods of leave in or at the end of foreign service shall be borne by the foreign employer and a condition to this effect should be inserted in the terms of transfer to foreign service.

* [G O(P) No. 491/1975/Fin., Dated 24/10/1975]

Note 2.- The foreign employers should in the case of officers transferred to foreign service accept liability of leave salary in respect of disability leave granted on account of a disability incurred in and through foreign service even though such disability manifests itself after the termination of foreign service. The leave salary charges for such leave should be recovered direct from foreign employers, a condition to this effect being inserted in the terms of transfer to foreign service.

!Note 3.- Leave salary in respect of maternity leave granted to and enjoyed by a female Government servant while in foreign service will be borne by the foreign employer.

Government Decision No.1

* In the case of an officer who takes leave on the conclusion of foreign service before rejoining his post, the leave salary should be calculated taking into account the pay drawn in foreign service also and the difference in leave salary should be recovered from the foreign employer as provided in the above rule. Orders sanctioning deputation to foreign service should specifically include a provision for the recovery of difference in the leave salary from the foreign employer. Leave salary in respect of leave taken after rejoining duty under Government shall be governed by the provisions in Rules 92 to 95 above.

†However the recovery contemplated above will not apply in respect of officers on deputation on foreign service terms to undertakings which are owned or controlled by the Government, in whose case no leave salary contributions will be realised.

Government Decision No. 2

* When a Government servant is transferred to foreign service in India, an extract of the leave account of the Government servant will be furnished to the foreign employer by the Accountant General in respect of Gazetted Officers and by the Head of Office in respect of Non-Gazetted Officers so that the foreign employer may determine the leave admissible to the Government servant and the leave salary payable to him. Whenever leave is granted by the foreign employer a copy of the orders granting leave to the Government servant may be endorsed by the foreign employer to the Accountant General in respect of Gazetted Officers and to the Head of the office of the parent department in the case of Non-Gazetted Officers. The foreign employer will pay the leave salary which will be reimbursed to him by the Accountant General in the case of Gazetted Officers and by the Head of the Office (of the parent department) in the case of Non-Gazetted Officers. The claim for the reimbursement of leave salary thus paid by the foreign employer may be made half yearly for the period from April to September and October to March. While sending the claim to the Accountant General or Head of Office concerned, the foreign employer will give the name and designation of the Government servant, nature and period of leave sanctioned, the number and date of sanction, rate of leave salary and amount of leave salary paid. On receipt of the claim from the foreign employer the Accountant General or Head of Office will verify the claim with reference to the entries in the leave account and arrange to reimburse the amount by means of a bank draft within a month of receipt of the claim. The expenditure will be debited to the head of account to which the leave salary is debitable. It should be noted that in both cases, the amount of leave salary to be reimbursed to the foreign employer will be the leave salary (excluding Dearness Allowance and other compensatory allowance) to which the Government

* [G O(P) No. 229/1976/Fin., Dated 02/08/1976]

servant would have been eligible but for foreign services as the difference between the leave salary to which the officer is eligible and that he would have received but for foreign services together with Dearness Allowance and other compensatory allowance is to be finally borne by the foreign employer.

148. The Government may -
- (a) remit the contributions due in any specified case or class of cases, and
 - (b) make rules prescribing the rate of interest, if any, to be levied on overdue contributions.
149. An officer in foreign service may not elect to withhold contributions and forfeit right to count as duty in Government service the time spent in foreign employ. The contribution paid on his behalf maintains his claim to pension, or to pension and leave salary, as the case may be, in accordance with the rules of the service of which he is a member. Neither he nor the foreign employer has any right of property in a contribution paid and no claim for refund can be entertained.
150. Contribution for leave salary or pension, due in respect of an officer on foreign service, may be paid annually within fifteen days from the end of each *calendar year or at the end of the foreign service, if the foreign service expires before the end of a *calendar year, and if the payment is not made within the said period, interest must be paid to Government on the unpaid contribution, unless it is specifically remitted by Government, at the rate of two paise per day per ₹ 100 from the date of expiry of the period aforesaid upto the date on which the contribution is finally paid. The interest shall be paid by the officer or the foreign employer according as the contribution is paid by the former or the latter.

*[G O(P) No. 742/1984/Fin., Dated 15/12/1984]

151. An Officer transferred to foreign service may not without the sanction of the Government accept a pension or gratuity from his foreign employer in respect of such service.
152. An officer in foreign service may not be granted leave otherwise than in accordance with the rules applicable to the service of which he is a member and may not take leave or receive leave salary from Government unless he actually quits duty and goes on leave.

†*Exception.*- An officer on foreign service out of India may be granted leave by the foreign employer on such conditions as he may determine. In any individual case, the authority sanctioning the transfer may determine beforehand, in consultation with the foreign employer, the conditions on which leave will be granted by him. The leave salary in respect of leave granted by the foreign employer will be paid by him and the leave will not be debited against the officer's leave account.

This exception shall be deemed to have come into force with effect from 1st March 1965.

Note.- An officer on foreign service is himself personally responsible for the observance of the rules regarding leave in foreign service, by accepting leave to which he is not entitled under the rules, he renders himself liable to refund leave salary irregularly drawn, and in the event of his refusing to refund, he forfeits his previous service under Government and ceases to have any claim on Government in respect of either pension or leave salary.

* Effective from 30th May 1996.

153. An Officer in foreign service, if appointed to officiate in a post in Government service, will draw pay calculated on the pay of the post in Government service on which he holds a lien or would hold a lien had his lien not been suspended and that of the post in which he officiates. His pay in foreign service will not be taken into account in fixing his pay.

154. † An Officer reverts from foreign service to Government service on the date on which he takes charges of his post in Government service; provided that if he takes leave on the conclusion of foreign service before rejoining his post, his reversion shall take effect from such date as the Government may decide.

As and when an order transferring a non-gazetted employee to foreign service is issued by the competent authority, the head of the office where the employee is then working should make an entry in his Service Book regarding the transfer to foreign service. The head of office should simultaneously furnish to the Accountant General information regarding the date of relief of the transferred officer, his pay, date of his next increment, scale of pay of post held by him at the time of relief etc. Based on the sanction and particulars received from the head of office, the Accountant General will intimate the departmental officer concerned and the foreign employer the foreign service account number assigned to the transferred officer and the rate of foreign service contribution recoverable in his case. On receipt of the communication, the head of office should note in the Service Book the rate of contribution as fixed by the Accountant General.

* [G O(P) No. 477/1997/Fin., Dated 01/04/1997]

† [G O(P) No. 250/1983/Fin., Dated 11/05/1983]

At the time of reversion of the employee from foreign service, the head of the office to which he is posted should intimate the Accountant General the date of his rejoining State Service and the date of termination of his foreign service as fixed under Rule 154, Part I, Kerala Service Rules. On receipt of the sanction reverting the officer to State Service and the particulars about his rejoining duty, the Accountant General will check whether the foreign service contributions have been recovered in full. As and when the recovery is completed, the Accountant General will send to the head of the office in which the Government servant is working at that time a communication showing the position about the recovery of contributions; a copy of it will be simultaneously endorsed to the employee also. On the strength of this communication, the head of the office should make an entry in the Service Book regarding the position about the recovery of foreign service contributions, giving reference to the communication received from the Accountant General. The letter received from the Accountant General in this regard should be kept in the Service Book itself for facilitating future reference. The head of the office and the employee concerned should acknowledge the receipt of the communication regarding recovery of contributions. Based on the entries in the Service Book made by the head of the office and copies of the Accountant General's communications kept in the Service Book, the employee's pension claims will be settled by the Accountant General at the time of his retirement. In the event of any dispute arising later about the recovery of contributions for want of necessary entries in the Service Books, the employee concerned may produce his copy of the communication received from the Accountant General as proof of recovery. On production of his copy of the communication, the Accountant General will verify the matter and settle his claims accordingly.

* While laying down the above procedure, Government would like to impress upon all departmental officers that the responsibility for making entries relating

* [G O(P) No. 250/1983/Fin., Dated 11/05/1983]

to foreign service in the Service Book of the Non-Gazetted Officers rests with them.

Effective from 1st June 1983.

- 155.** When an officer reverts from foreign service to Government service, his pay will cease to be paid by the foreign employer and his contributions will be discontinued with effect from the date of reversion.
- 156.** When an addition is made to a regular establishment on the condition that its cost or a definite portion of its cost, shall be recovered from the persons for whose benefit the additional establishment is created, recoveries shall be made under the following rules: -
- The amount to be recovered shall be the gross sanctioned cost of the service or of the portion of the service, as the case may be, and shall not vary with the actual expenditure of any month.
 - The cost of the service shall include contribution at such rates as may be laid down under Rule 146 and the contributions shall be calculated on the sanctioned rates of pay of the members of the establishment.
 - The Government may reduce the amount of recoveries or may entirely forgo them.

Note.-* “The term ‘gross sanctioned cost of service’ shall also include Dearness Allowance and other Compensatory Allowances, Bonus/Special Festival Allowance, Interim Relief, Conveyance Allowance and all other allowances that the employee would have drawn had he been working in the Government Service at the same place”. The monthly compound of bonus/special festival allowance, shall be worked out at 1/12th of the last declared bonus/special festival allowance for effecting recovery on a monthly basis.

*[G O(P) No. 192/2002/Fin., Dated 01/04/2002]

Government Decision

The procedure for the recovery of the cost of an establishment will be as follows :-

- Gross Sanctioned cost of the service.*- This will include the “average cost” of the several posts included in the establishment together with the Dearness Pay, Dearness Allowance, Special Dearness Allowance, Personal Pay/Special Pay, **Bonus/Special Festival Allowance and other Compensatory Allowance admissible on the “average cost” for this purpose will be calculated according to the formula given under Rule 12 (35), Part I, Kerala Service Rules.
- Pension and leave salary contribution.*- This contribution in respect of a post will be worked out at one-fourth-of the total of the “average cost” plus Dearness Pay, Special Pay/Personal Pay **and Bonus/Special Festival Allowance admissible on the average cost.

** Effective from 29th October 1992
- †*Calculation of average age at entry in the grade.*-
 - In grades where direct recruitment is generally made.*- If the recruitment is generally made between 18 and 24/25 years, for example, the age of entry can with advantage be adopted uniformly as 21, instead of calculating it on the basis of age of entry of all persons in service on a date or recruited during a specified period which would involve unnecessary labour not yielding commensurate advantage. The average cost thus worked out on the above basis may hold good till there is a revision of scales or other conditions of service, e.g., age of retirement, etc.

** [G O(P) No. 446/1993/Fin., Dated 24/08/1993]

† [Circular No. 62/1963/Fin., Dated 09/08/1963 & No. 05/1964/Fin., Dated 16/01/1964]

- (b) *In grades where appointments are generally made by promotion but occasionally direct recruitment is also resorted to.*- The factor of age of entry would in this case be depending on the incidence of promotion in individual establishment and no uniform age of entry can therefore be indicated. To get more accurate result the age of entry may be arrived at in these cases on the basis of the age of entry of all persons in service in that grade on 1st April of the year in which the occasion to calculate the average cost arises. As the basis of average cost itself is somewhat approximate, a change in the age of entry from year to year is of little consequence and therefore the age of entry thus arrived at and for that matter the average cost worked out on that basis, may hold good for a reasonable period, say 5 years, after which it may be reviewed, unless there is a general revision of the scales of pay or conditions of services in the meantime.

SERVICE UNDER LOCAL FUNDS

- 157.** Officers paid from Local Funds which are administered by Government are subject to the provisions of these service rules.
- 158.** The transfer of officers to service under Local Funds which are not administered by Government will be regulated by the rules in this chapter.
- 159.** Persons transferred to Government service from a Local Fund which is not administered by Government will be treated as joining a first post under Government and their previous service will not count as duty performed. The Government may, however, allow previous service in such cases to count as duty performed on such terms as it thinks fit.

Ruling

The pay of an officer transferred from a Local Fund Institution not administered by Government to Government service will be fixed at the

minimum of the scale of pay of the post in Government service if the pay he was drawing under the Local Fund is less than the minimum. In case he was drawing, under the Local Fund, pay above the minimum and equal to a stage in the scale of pay of the post in Government service, his pay will be fixed at that stage and if the pay he was drawing under the Local Fund is not a stage in the scale of pay of the post in Government service it will be fixed at the next lower stage, the difference being treated as personal pay to be absorbed in future increases in pay. His next increment will ordinarily be allowed only after the full incremental period of duty in Government service.

PART II

TRAVELLING ALLOWANCES

CHAPTER I

SECTION I

GRADES OF OFFICERS

1. For the purpose of calculating Travelling Allowances, officers are classified into the following four grades :-

†(i) *First Grade*.- All officers in receipt of actual pay of † ₹ 3000 and above, and officers belonging to All India Services, non-All India Service Officers holding posts borne on the cadre of All India Services, Heads of Departments and Officers of the Indian Army, Navy or Air Force appointed as Aides-de-camp to the Governor irrespective of the pay drawn by them.

(ii) *Second Grade*.- (a) Officers in receipt of actual pay of † ₹ 2,500 and above but below † ₹ 3,000.

(b) Officers in receipt of actual pay of † ₹ 1,600 and above but below † ₹ 2,500.

(iii) *Third Grade* .- Officers in receipt of actual pay of † ₹ 950 and above but below † ₹ 1,600.

(iv) *Fourth Grade*.- Officers in receipt of basic pay below † ₹ 950.

†These amendments shall be deemed to have come into force on 18th July 1994.

Note- 1.- All Private Secretaries to Ministers and the Private Secretary to the Speaker will be treated as Grade I Officers from 28th June 1969 and 2nd September 1969 respectively for purposes of Travelling Allowances, irrespective of the pay drawn by them.

**Note 2.-* For the purpose of calculating the T.A. for accompanying the Governor, Advisers or Ministers on tour, non-gazetted officers, other than those in the last grade, will be treated as Second Grade (b) officers irrespective of the “actual pay” drawn by them.

Note 3.- The term ‘pay’ occurring in this part of the rules should be deemed to include only - Pay as defined in Rule 12 (23) (i) and (iii) of Part I, Kerala Service Rules, and personal pay, dearness pay and special pay treated as coming under classes I and II under Appendix IV, Kerala Service Rules.

Note 4.- The classification of a re-employed pensioner for purposes of Travelling Allowances will be determined on the following basis –

- (a) Where the pension is held in abeyance during the period of re-employment, the grade of the re-employed pensioner shall be determined, in accordance with the pay actually received from time to time.
- (b) Where a pension is allowed to be drawn in addition to pay, the re-employed pensioner should be deemed to be in receipt of actual pay equivalent to his re-employed pay plus pension, subject to the proviso that if the sum of such pay plus pension exceeds the pay of the post if it is on a fixed rate of pay or the maximum pay of the post, if it is on a time-scale of pay, such excess shall be ignored.
- (c) If a portion of the pension has been commuted, the amount of pension to be taken into account for the purpose of clause (b) will be the amount including the pensionary equivalent of the commuted value. The amount of pension to be taken into account will also include the pension equivalent of the death-cum-retirement gratuity, if any.

*[G O(P) No. 438/1968/Fin., Dated 19/08/1968]

**Note 5.-* Class IV employees drawing pay of ₹ 950 and above consequent on getting time bound grade promotion shall be included under Third Grade for the limited purpose of Travelling Allowance/Daily Allowance claims.

(These amendments shall be deemed to have come into force on 18th July 1994)

2. The Government may, for reasons which should be recorded, order that any officer or grade of officers shall be included in a grade higher or lower than that prescribed in the above rule.
3. An officer in transit from one post to another ranks in the grade to which the lower of the two posts would entitle him.
4. The Travelling Allowance of an officer who is promoted or reverted with retrospective effect, should not be revised in respect of the period intervening between the date of promotion or reversion, and that on which it is ordered.

Government Decision No. 1

† In all cases of belated grant of increments, other than those where such increments have been specifically withheld under competent orders, where the class or grade of officers for drawal of T.A. has been changed consequent on such belated grant of increments, the officers concerned will be eligible to draw the enhanced rate of T.A. with retrospective effect, i.e., from the date on which the increment has actually fallen due.

Government Decision No. 2

In cases of belated issue of pay slips for ordinary increments, which do not depend on the passing of tests, completion of probation, retrospective

confirmation, promotion, revision of pay scales, etc., but are delayed for some routine reason or other, the officers concerned will be eligible to draw the enhanced rate of T.A. with retrospective effect, i.e., from the date on which the increment has actually fallen due. But such claims for arrears of T.A will be paid by the Treasury Officers only after special audit by the Accountant General.

Government Decision No. 3

*It is clarified that the above Decision No. 2 is applicable to all cases of belated issue of pay slips, when the delay in issue of pay slips is not due to any fault of the officer, i.e., it is only when increments are delayed on account of specific orders of competent authorities that the benefit contemplated in the above decision shall be denied.

SECTION II

GENERAL

5. The following are the different kinds of Travelling Allowances which may be drawn in different circumstances by officers:-

- (a) Permanent Travelling Allowance
- (b) Conveyance Allowance
- (c) Mileage Allowance
- (d) Daily Allowance
- (e) Actual Travelling Expenses.

The Rules in this Chapter explain the nature of these allowances and the method of calculating them. The circumstances, in which they may be drawn for particular journeys, are described in Chapters II to IV.

*[G O(P) No. 570/1975/Fin., Dated 22/12/1975]

Government Decision No. 1

* The expressions 'road mileage' and 'mileage allowance' wherever they occur shall be assigned meaning as referring to distance in kilometres.

Government Decision No. 2

†An Officer of Government required to attend meetings of the Board of Directors or Committees of an Industrial Concern or a Bank or a Joint Stock Company on behalf of Government shall receive T.A. and D.A. from Government according to rules. The officer should credit the entire T.A. and sitting fee paid by the Industrial Concern or Bank to the receipt head corresponding to the head of account to which his T.A. is debited. He will also forward to the Accountant General in advance a statement of T.A. and sitting fee to which he is entitled for attending such meetings in a month so as to enable the Accountant General to watch recovery. The practice of crediting to Government the T.A. received from the University of Kerala according to its rules and receiving T.A. according to State T.A. rules as laid down in G.O. (Ms.) 330/59/Fin., dated 29th June 1959 will be discontinued from 1st August 1960 in respect of Government officers travelling on University business and instead they will be allowed to receive T.A. direct from the University according to its rules.

5A. # The right of a Government servant to Travelling Allowance including daily allowance shall be forfeited or deemed to have been relinquished if the claim for it is not preferred to the drawing officer or controlling officer within one year from the date on which it fell due.

!This amendment shall be deemed to have come into force with effect from 12th September 1967.

*[G O(P) No. 36/1964/Fin., Dated 20/01/1964]

†[G O(Ms.) No. 370/1960/Fin., Dated 27/07/1960]

! [G O(P) No. 106/1970/Fin., Dated 07/02/1970]

SECTION III

PERMANENT TRAVELLING ALLOWANCE

6. A permanent monthly Travelling Allowance may be granted by Government to any officer whose duties require him to travel extensively. Such an allowance is granted in lieu of all other forms of Travelling Allowance for journeys within the officer's sphere of duty and is drawn all the year round, whether the officer is absent from his headquarters or not.

Government Decision No. 1

Since Permanent Travelling Allowance is fixed at a monthly rate it is not necessary that the officer should be on tour beyond 8 kilometres from headquarters on all days of the month. Even for days he is not on tour outside 8 kilometres from headquarters he can draw Permanent Travelling Allowance. This does not however mean that Permanent Travelling Allowance can be drawn without leaving headquarters on any day of the month. The drawal of the allowance will be governed by the order fixing the rate of Permanent Travelling Allowance and prescribing the terms and conditions for its drawal. For the drawal of full amount of Permanent Travelling Allowance an officer should be on tour outside 8 kilometres from headquarters for 15 days in a month and should spend at least 6 hours outside headquarters on each such day. If the minimum number of days of travel is not performed reduction has to be made as per the terms and conditions of the Permanent Travelling Allowance

This decision shall be deemed to have come into force with effect from 9th December 1970.

Government Decision No. 2

The following procedure will be followed for drawal of P.T.A in cases where an officer is on duty for a part of a month and also in cases where the officer has been on duty for the whole month but has not toured for the minimum number of days prescribed :-

- (a) If an officer is on duty for a part of a month he will be allowed proportionate P.T.A. for the days he is on duty provided that the officer is on tour for the proportionate number of days with reference to the minimum days of tour prescribed.
- (b) For every day short toured, a deduction of $(I \times \text{PTA}) / Y$ will be made where Y is the minimum number of days of tour prescribed.

Example.- Suppose an officer whose P.T.A. is ₹ 40 per mensem, and whose minimum period of touring is fixed as 20 days per month, is on duty only for 20 days in a month of 30 days. He is entitled to a P.T.A. of $₹ (20 \times 40) / 30 = ₹ 26.67$ provided, he puts in not less than the proportionate number of tour days, i.e., $(20 \times 20) / 30 = 13$ days. For every day short toured by him a deduction of $1/20$ of ₹ 40 will be made (i.e., if he tours only for 12 days, an amount of ₹ 2 will be deducted from ₹ 26.67).

- (c) In cases where the officer is on duty for the whole month but has not toured for the minimum number of days prescribed, a deduction of $(X \times \text{P.T.A}) / Y$ will be made where X and Y are the shortfall in the number of days of tour and the minimum number of days of tour prescribed in a month respectively.

Example.- Suppose an officer whose P.T.A is ₹ 40 per mensem and whose minimum number of tour days is fixed as 20 per month, is on duty for the whole month and tours only for 15 days, a deduction of $5 \times 40 / 20 = ₹ 10$ is to be made from his P.T.A. of ₹ 40 per mensem.

Effective from 8th June 1962.

7. A Permanent Travelling Allowance may not be drawn during leave, temporary transfer or joining time, or unless in any case, it be otherwise expressly provided in these rules, during any period for which Travelling Allowance of any other kind is drawn.

8. When an officer holds, either substantively or in an officiating capacity, two or more posts to each of which a Permanent Travelling Allowance is attached, he may be granted such Permanent Travelling Allowance, not exceeding the total of all the allowances, as the Government may consider to be necessary in order to cover the travelling expenses which he has to incur.

SECTION IV

CONVEYANCE ALLOWANCE

- *9. [The Government may grant, on such conditions as they think fit to impose, a monthly conveyance allowance to any officer who is required to travel extensively or within a specified area from his headquarters under conditions which do not render him eligible for daily allowance.

**Note.-* Every recommendation made to Government for the grant of a conveyance allowance should contain detailed information regarding the nature of the officers work, the approximate area of the locality within which the conveyance is to be used and the approximate average amount of travelling which the officer has to perform in a day.

- *10. Except as otherwise provided in these rules and unless the Government otherwise direct, a conveyance allowance drawn all the year round, is not forfeited during absence from Headquarters and may be drawn in addition to any other travelling allowance admissible under the rules provided that an officer, who is in receipt of a conveyance allowance shall not draw mileage allowance/ daily allowance for a journey within their specified area/ jurisdiction or within 8km, from time to time on such condition as the Government may prescribe.

- *11. A conveyance allowance shall not be drawn during leave or temporary transfer/ holidays prefixed or suffixed to leave and during joining time.]

*[Substitution C.S No.1/2002 GO(P) No. 252/2002/Fin., Dated 25/04/2002]

SECTION V

MILEAGE ALLOWANCE

SUB - SECTION I

General

12. A mileage allowance is an allowance, calculated on the distance travelled which is given to meet the cost of a particular journey.

- 13.(a) For the purpose of calculating mileage allowance, a journey between two places is held to have been performed by the shortest of two or more practicable routes or by the cheapest of such routes as may be equally short; provided that when there are alternative railway routes and the difference between them in point of time and cost is not great, mileage allowance may be calculated on the route actually used.

- (b) The shortest route is that by which a traveller can most speedily reach his destination by the ordinary modes of travelling. In case of doubt, the Government will declare which shall be regarded as the shortest of two or more routes.

Government Decision No. 1

*The shortest distance between Ernakulam to Fort Cochin and Mattancherry and vice versa would be the distance by road for purpose of Travelling Allowance.

Government Decision No. 2

† The route via., Mavelikkara would be the shortest route for journeys between Chengannur and Alleppey for purpose of Travelling Allowance.

[This will have effect till bridges are opened in all three ferries in the Changanerry route]

*[G O(Ms.)No. 117/1964/Fin., Dated 16/03/1964]

† [G O(Rt.) No. 2723/1964/Fin., Dated 08/12/1964]

Government Decision No. 3

@ In the case of air journeys from Trivandrum to Delhi via., Bombay the claim should be supported by a certificate that no seat was available via., Madras. But the Chief Secretary to Government, Members of the Board of Revenue, Secretaries and Additional Secretaries to Government and Heads of Departments are permitted to travel either via., Bombay or Madras for the journeys to Delhi and back.

[Circular Memorandum No. 53/64/Fin., dated 6th June 1964 and G.O. (P) No. 699/64/Fin., dated 30th September 1964].

(c) If an officer travels by a route which is not the shortest but is cheaper than the shortest, his mileage allowance should be calculated on the route actually used.

14. The Government in respect of Heads of Departments and the Heads of Departments in the case of their subordinates may, for special reasons which should be recorded, permit mileage allowance to be calculated on a route other than the shortest or cheapest, provided that the journey is actually performed by such route.

**Note 1.*-The sanction of Government is not required for the claim for higher road mileage by an officer of the First Grade for a journey performed by road between places connected by rail or by air within the State. The signature of the officer on the Travelling Allowance bill will be sufficient for the purpose of this rule. In such cases, the full rate of mileage allowance will be allowed upto 200 kilometres a day irrespective of the fact whether any inspection work is done or any public purpose is served en-route and at three fourths of the full rate for the remaining distance.

@, *[G O(P) No. 186/1989/Fin., Dated 29/03/1989]

**Note 2.*- In cases where the distance to be travelled from the Headquarters to perform the duty at the outstation is within 50 kilometres, the onward journey shall be performed on the day on which official business is to be transacted. Similarly the return journey shall be performed on the day on which official business is completed at the outstation.

*Effective from 1st November 1979

@ *Note 3.*- Whenever autorickshaws/taxis are used for official journeys from residence or office to Airport/Railway Station/Bus Station and back, the autorickshaw/taxifare at the rates fixed by the Government from time to time shall be reimbursed.

[This amendment shall be deemed to have come into force on the 22nd July 1987]

15. # A journey on transfer is held to begin or end at the actual residence of the Government servant concerned. Any other journey (excluding a journey of the type referred to in the note below) is held to begin or end in any station at the duty point in that station.

Explanation.-For the purpose of this rule the “duty point” at the headquarters means the place or office where a Government servant remains on duty, i.e., the place or office of employment at the headquarters. In the case of outstations the “duty point” means the place or office visited by the Government servant on duty. Whether there are two or more such places or offices at an outstation, the following shall be taken as the “duty point” :-

*[G O(P) No. 186/1989/Fin., Dated 29/03/1989]

@ [Insertion G O(P) No. 391/2002/Fin., Dated 19/06/2002]

[G O(P) No.16/1965/Fin., Dated 06/01/1965]

- (a) If a Government servant reaches that station by rail, steamer, or air, the place or office which is farthest from the railway station, harbour (or jetty) or the air booking centre as the case may be.
- (b) If he reaches that station by road, the place or office which is farthest from the point from which the journey to that station commenced.

Note.- Where the journey commences or ends at a station which is either the Government servant's headquarters or his places of duty, it may be treated to have commenced or ended at his residence.

16. *An Officer is required to travel by the class of accommodation for which Travelling Allowance is admissible to him. The provisions of all rules regulating mileage allowance are subject to the condition that if an officer travels in a lower class of accommodation, he shall be entitled to the fare of the class of accommodation actually used plus the incidental expenses admissible to his grade calculated on the distance travelled in the case of rail journeys and the incidental expenses admissible had he travelled by the class of accommodation by which he is entitled to travel in the case of journeys by sea or air.

† *Note 1.*- Officers who are eligible to travel by first class or air conditioned class and who actually travel by that class and claim the fare accordingly, should furnish the following certificate in their Travelling Allowance bills namely:-

“Certified that I have actually travelled in the class of accommodation for which the fare is claimed in this bill”;

Effective from 1st November 1979.

*[G O(P) No. 216/1965/Fin., Dated 29/05/1965]

†[G O(P) No. 186/1989/Fin., Dated 29/03/1989]

**Note 2.*- Non Gazetted Officers who are eligible to travel by first class/air conditioned class but who are not drawing officers, shall furnish the following declaration in their tour diary, namely:-

“I hereby declare that I have actually travelled by first class/air conditioned class on(dates) from (place) to (place)”.

On the basis of the above declaration furnished by the non gazetted officers, the drawing officers shall furnish the following certificate in the Travelling Allowance bills of the nongazetted officers, namely:-

“Certified that the officers for whom first class/air conditioned class railway fare has been claimed in this bill have declared that they have actually travelled by that class of accommodation”;

Effective from 31st March 1981.

17. Mileage allowance is differently calculated as shown in the following sections, according as the journey is or could be by railway, by sea, by road or by air.

SUB - SECTION II

Mileage Allowance for Journeys by Railway

18. For the purpose of calculating mileage allowance, officers when travelling by railway are entitled to class of accommodation according to the following scale:-

- (a) An Officer of the First Grade - Accommodation of the First Class (or the highest class by whatever name it is called).
- (b) An officer of the Second Grade - Accommodation of the First Class.
- (c) An officer of the Third Grade or the Fourth Grade - Accommodation of the Second Class.

*[G O(P) No. 186/1989/Fin., Dated 29/03/1989]

!(d) All Third and Fourth Grade Officers will be entitled to travel in 'Sleeper Class' while on tour if the journey includes night journey also.

[This amendment shall be deemed to have come into effect from 7th December 1994]

Note 1.- Air conditioned accommodation is not recognised as a class of accommodation for the purpose of these rules except for journeys on tour by officers holding posts on a scale of pay the minimum of which is not less than † ₹ 3000. First Grade Officers holding posts on a scale of pay the minimum of which is less than † ₹ 3000 may however travel by air conditioned accommodation while on tour subject to the recovery of 13 paise per 10 kilometres or part thereof if it exceeds 5 kilometres, from their T.A. bills. This rule is applicable in the case of journeys by air conditioned class in Deluxe trains also.

†[This amendment shall be deemed to have come into force on the 18th July 1994].

Note 2.- Officers of the Second and Third Grades will be allowed to travel in air conditioned second* class accommodation in Deluxe trains at public expense.

Note 3.- [Deleted]

Effective from 1st November, 1979.

19. !The Government may, for special reasons which should be recorded, declare any particular officer or class of officers to be entitled to accommodation of a higher class than that prescribed for his class in clauses (b) or (c) of Rule 18.

!, # [GO(P) No. 186/1989/Fin., Dated 29/03/1989]

20. Except in the case of journeys on transfer (the rules for which are contained in section III), the mileage allowance admissible to an officer is as follows:-

*(a) First Grade and Second Grade Officers who do not actually travel in First Class/Air conditioned class and officers who are not eligible for First Class/Air conditioned class of accommodation are entitled to mileage allowance at the following rates:-

(i)	First Grade Officers	-	36 paise per kilometre
(ii)	Second Grade (a) Officers	-	28 paise per kilometre
(iii)	Second Grade (b) Officers	-	28 paise per kilometre
(iv)	Third Grade Officers	-	24 paise per kilometre
(v)	Fourth Grade Officers	-	20 paise per kilometre

These rates are inclusive of incidental expenses and are applicable for journeys irrespective of whether the places are connected by rail or not.

*(b) Officers who are eligible for First Class/Air conditioned class of accommodation and who actually perform the journey by such class are entitled to claim actual rail fare plus incidental expenses at the following rates:

Government Decision No. 1

* The Railway authorities entertain claims for refund of cancellation charges on unused Railway tickets only from the passengers concerned. So in case where the official rail journey is cancelled solely due to official reasons, the Government servant should after getting the refund in the usual manner from the Railway station prefer to the appropriate Railway authority concerned his claim for refund of cancellation charges (i.e., full ticket value excluding reservation charges and refund already received) on unused tickets supported by a certificate from his controlling authority to the effect that the journey had to be cancelled solely due to exigencies of service. When the officer himself is his own controlling officer for purposes of T.A. he may furnish his own certificate. The claim for the refund preferred on the Railways, should, however, be restricted to what it would be, had the officer booked and cancelled his journey by the shortest route, save in exceptional cases, where the route actually adopted by the officer is certified by the controlling officer or by the officer himself if he is his own controlling officer for T.A. purposes to be in the interest of public service.

Reservation charges in cases referred to above will be reimbursed to the Government servant without waiting for the acceptance of his claim for refund of cancellation charges by the Railway authorities. The amount of reservation fee reimbursed to a Government servant is debitable to the same head to which his T.A. is charged.

The Government servant should record a certificate as follows in the T.A. Bill for the claim.

“Certified that the reservation of journey ticket made as per reservation ticket No..... onwas cancelled due to exigencies of public service.”

Government Decision No. 2

The reservation charges paid for railway journeys in respect of the appropriate classes of accommodation will be reimbursed to Government servants as forming part of the fare in cases where reservation is actually required in the exigencies of public service.

This amendment shall be deemed to have come into force with effect from the 6th October 1983.

*, # [G O(P) No. 639/1983/Fin., Dated 06/10/1983]

† [G O(P) No. 186/1989/Fin., Dated 29/03/1989]

- (a) An Officer of the First Grade Highest class
- (b) An Officer of the Second Grade If there be two classes only on the steamer the higher class, and if there be more than two classes, middle or second class.

In cases where the steamer company has two rates of fare, one inclusive and one exclusive of diet, the word 'fare' in this rule should be held to mean fare exclusive of diet.
27. In cases of doubt or in which, owing to the arrangement of classes on a steamer, the provisions of Rule 25 if strictly construed involve hardship, Government may decide, for journeys generally or for particular journeys, to what class of accommodation an officer is entitled, and whether if a concession is sanctioned, he should be granted the full allowance admissible for the higher class in which he is permitted to travel.
28. The rules in this sub-section apply to officers who cross a river or arm of the sea by steamer in the course of a journey unless such crossing occurs during a railway journey and the charge for it is included in the railway fare. In the latter case, the crossing is treated as part of the railway journey.
29. If suitable accommodation on a Government vessel is offered to an officer, he is entitled to Travelling Allowance under Rule 109 and not to mileage allowance.

It is not open to him to refuse to accept such accommodation and to draw mileage allowance.

SUB-SECTION IV

The existing provision for claiming road mileage for journeys by rail or road, irrespective of whether the places are connected by rail or not, will continue.

Effective from 1st September, 1985.

Note 1.- With effect from 1st November 1979, only officers of the First Grade are allowed to travel by special conveyance and claim higher mileage. With effect from 1st September, 1985 First Grade Officers in receipt of actual pay of ₹ 2250 and above only are allowed to travel by special conveyance and claim higher mileage. “I certify that I did not perform the road journeys for which mileage allowance has been claimed at the higher rate by any public conveyance which plies regularly for hire between fixed points and charge fixed rates. I also certify that the journey was not performed in any other vehicle without payment of its hire charges or without incurring its running charges.”

Note 3.- An officer of the First Grade claiming higher road mileage for a journey performed in his own car shall furnish the following certificate in lieu of the certificate referred to in Note 2 above, namely:-

“I certify that the road journeys for which mileage has been claimed at the higher rate were performed by me in my own car”.

Explanation.- In the case of non-gazetted officers, the drawing officers shall record the certificate with suitable changes and the controlling officer shall ensure that the Government servants who are provided with Government conveyance use such conveyance for their official journeys and that otherwise, the prescribed certificate is recorded invariably.

Note 5.- When two or more officers travel in a conveyance belonging to one of them or hired by one of them, the officer who owns or hires the conveyance may draw Travelling Allowance as if he travelled alone and the other officer (s) may draw only the Travelling Allowance as admissible under Rule 107 read with Rule 110, even if he (they) meets (meet) a portion of the cost of propulsion of the conveyance or of the hire charges of the conveyance, as the case may be. A certificate in the following form shall also be attached to the Travelling Allowance bills of the officers claiming travelling allowance under the above provision, namely:-

“Certified that I/We

- (1) Name and Designation
- (2) Name and designation
- (3) Name and designation
- (4) Name and designation travelled together from
.....to on in a special
conveyance (here enter Registration No. of the vehicle) owned/

and that I have claimed Travelling Allowance admissible under
Note 5 below Rule 31, Kerala Service Rules, Part II.”

Note 6.- An Officer who performs a journey by a conveyance owned by another officer without meeting the cost of its use and propulsion but whose own conveyance immediately precedes or follows him is eligible for the mileage allowance admissible under the rules. He shall, when he claims mileage allowance certify that the cost of the use and propulsion of his conveyance which immediately preceded or followed the conveyance by which he travelled was met by him.

Note 7.- If an Officer of the First Grade, travels more than two hundred kilometres a day by special conveyance, the rate of mileage admissible for the excess over two hundred kilometres will be reduced to three fourths of what is normally admissible.

Government Decision No. 1

*If an Officer has to perform long journeys, he may be allowed to perform the journeys in more than one day subject to the condition that the halt should be made only after the officer has made a march of not less than two hundred kilometres in a day. In cases where the journey commences late in the day,

*[G O(MS) No. 454/1961/Fin., Dated 06/11/1961]

halts may also be made after marches of less than two hundred kilometres. In all such cases of long journeys the restriction regarding the mileage in the above note will be applied only in respect of each day's journey. No daily allowance either full or half will be admissible to the Officer for such intermediate halts.

Government Decision No. 2

†Effective from 1st November, 1959.

Note 8.- For journeys performed by foot between places not connected by any public conveyance, Officers of the First Grade shall be given mileage at the rate applicable for journeys by special conveyance and officers of the other grades shall be given mileage at the rate of 35 paise per kilometre. An Officer claiming mileage in such cases should certify that he performed the journey entirely by walking, and the officer who countersigns the Travelling Allowance bill shall countersign the above certificate also.

Note 9.- A First Grade Officer, with a staff car attached to him or his office should not engage a special conveyance for his journeys, if the staff car is available. The following procedure should be observed if such an Officer claims higher mileage in his Travelling Allowance bills namely:-

- (ii) If the bill does not require countersignature, a certificate should be attached to the bill signed by the head of the Office or the

†[G O(Ms) No. 486/1961/Fin., Dated 02/12/1961]

Officer-in-charge of the departmental vehicle to the effect that the vehicle was not available for the journey for which special mileage is claimed.

Note 10.- Autorickshaws, Motor Cycles, Scooters and Mopeds will not be considered as special conveyances, and no higher rate of mileage will be allowed for journeys performed by such vehicle.

With effect from 1st September, 1985 Grade I and Grade II Officers are entitled for special mileage allowance at the rate of 30 paise per kilometre for journeys for public purpose by motor cycle or Scooter owned and maintained by them. As in the case of special mileage for car, the registration number of the Motor cycle or Scooter should be recorded in the bill claiming T.A., at the special rate allowed for such journeys.

Government Decision No. 3

*Half daily allowance will be admissible for intermediate halts beyond 200 kilometres when the journey is performed in departmental vehicles.

Government Decision No. 4

**The above note should be deemed to apply only to journeys performed by road. 'The nature of conveyance' referred to in the note is intended to differentiate between 'Public conveyance' and 'Special conveyance' and not between different modes of journeys, such as journey by road or journey by rail. The note above therefore allows higher mileage only for journeys on transfer between places not connected by rail.

Rule 66, Part II, does not permit an officer to draw road mileage for journeys on transfer performed between places connected by rail as the term "Mileage allowance" as defined in Rule 12, Part II, relates not to 'road mileage' alone.

*[G O(P) No. 756/1978/Fin., Dated 16/10/1978]

**[Circular No. 43959/EB4/Fin., Dated 19/11/1962]

32. The Government may, for special reasons to be recorded, allow to a particular officer or grade of officers, mileage allowance at a higher rate than is prescribed in Rule 31.
33. In calculating mileage allowance for journeys by road, fractions of a kilometre should be omitted from the total of a bill for any one journey but not from the various items which make up the bill.

46. The headquarters of an officer shall be in such place as Government may prescribe.

47. The Government may define the limits of the sphere of duty of any officer.
- †*Note 1.*- The Heads of Departments and District Collectors are empowered to sanction journeys of subordinate officers to the adjoining districts of neighbouring States.
- Effective from 30th August 1979.
- Note 2.*- The Heads of Departments and District Collectors will be competent to undertake journeys outside the State in the adjoining districts of neighbouring States in public interest.

48. An officer is on tour when absent on duty from his headquarters either within or, with proper sanction beyond his sphere of duty.
49. In case of doubt the Government may decide whether particular absence is absence on duty for the purpose of Rule 48.

†[G O(P) No. 454/1980/Fin., Dated 16/07/1980]

[G O(Ms.) No. 157/Rev., Dated 14/02/1962]

* [G O(P) No. 440/1967/Fin., Dated 05/10/1967]

50. The Government may impose such restrictions as it may think fit, upon the frequency and duration of journeys to be made on tour by any officer or class of officers.
51. If the Government declares that the pay of a particular officer or class of officers has been so fixed as to compensate for the cost of all journeys, other than journeys by rail or steamer, within the officer's sphere of duty, such an officer may draw no Travelling Allowance for such journeys though he may draw mileage allowance, for journey by rail or steamer. When travelling on duty, with proper sanction beyond his sphere of duty, he may draw Travelling Allowance calculated under the ordinary rules for the entire journeys, including such part of it as is within his sphere of duty.
52. The Travelling Allowance drawn by an officer on tour ordinarily takes the shape of either Permanent Travelling Allowance or daily allowance, if either of these is admissible to him. Permanent Travelling Allowance and daily allowance may, however, in certain circumstances, be exchanged for mileage allowance or for the whole or part of the actual cost of travelling. In certain other circumstances, actual cost may be drawn in addition to daily allowance or for journeys for which no daily allowances is admissible.

SUB-SECTION II

Officers in Receipt of Permanent Travelling Allowance

53. A Permanent Travelling Allowance is intended to cover the cost of all journeys within the sphere of duty of the officer who draws it, and such an officer may not draw any other Travelling Allowance in place of or in addition to Permanent Travelling Allowance for such journeys provided that:
- (1) a class of officers to whom Government may extend this concession may draw, in addition to Permanent Travelling Allowance single fare for a journey by rail, and

(2) the Government may, by general or special order, permit an officer whose sphere of duty extends beyond the limits of a single district to draw, in addition to Permanent Travelling Allowance, whenever his actual travelling expenses for a duly authorised journey by public conveyance exceed double the amount of his Permanent Travelling Allowance for the period occupied in such journey, the difference between such double Permanent Travelling Allowance and the mileage allowance calculated for the journey.

54. When an officer in receipt of Permanent Travelling Allowance travels on duty, with proper sanction, beyond his sphere of duty, he may exchange his Permanent Travelling Allowance for the mileage allowance for the entire journey including such part of it as is within his sphere of duty and may draw in addition Permanent Travelling Allowance for any day of his absence for which he does not draw mileage allowance. This rule does not apply to an officer who travels beyond his sphere of duty in the course of a journey from one place within that sphere to another such place, or to an officer who makes, by road alone, a journey not exceeding 32 kilometres.

Note.- All officers in receipt of Permanent Travelling Allowance will be allowed to exchange Permanent Travelling Allowance for regular Daily Allowance for days of halt at places outside the area of jurisdiction for the performance of official duty at such places under specific orders of competent authority subject to the normal rules for the drawal of Daily Allowance.

The above benefit will also be extended to officers who are in receipt of Permanent Travelling Allowance and who are deputed for training at an outstation beyond their area of jurisdiction.

The amendment in the first paragraph shall be deemed, to have come into force with effect from December 15, 1970 and that in the second para from January 15, 1971.

Government Decision.

*Deduction of proportionate Permanent Travelling Allowance for the day on which Permanent Travelling Allowance is exchanged for mileage allowance will be made in accordance with the formula specified below.

If 'X' is the number of days of tour performed in a month (i.e., including the days for which Permanent Travelling Allowance is exchanged for mileage) and 'Y' the number of days on tour for which Permanent Travelling Allowance is exchanged for mileage, Permanent Travelling Allowance to be deducted will be $Y/X \times \text{PTA admissible for the month for 'X' days of tour.}$

(Permanent Travelling Allowance admissible for 'X' days has to be calculated in accordance with the Decision No. 2 under Rule 6, Kerala Service Rules, Part II.)

SUB-SECTION III

Officers Not In Receipt Of Permanent Travelling Allowance

SUB DIVISION I

Daily Allowance

55. Except where otherwise expressly provided in these rules, an officer not in receipt of Permanent Travelling Allowance draws Travelling Allowance for journeys on tour in the shape of daily allowance.

56. Daily allowance may not be drawn except during absence from headquarters on duty. A period of absence from headquarters begins when an officer actually leaves his headquarters and ends when he actually returns to the place in which his headquarters are situated whether he halts there or not.

Note.- If an officer of a vacation department combines tour with vacation i.e. proceeds on tour and avails of vacation without returning to his

*[G O(P) No. 370/1967/Fin., Dated 18/08/1967]

headquarters, he should be granted tour Travelling Allowance under these rules for the onward journey only.

Ruling

*When two journeys are performed within a period of 24 hours, the period of absence from headquarters will be treated as one day irrespective of the fact that the journey was performed on two calendar days and the drawal of daily allowance will be regulated accordingly.

57. †Daily allowance may not be drawn for any day on which a Government servant does not reach a point outside a radius of eight kilometres from the duty point (i.e. the place or office of employment) at his headquarters or return to it from a similar point.

Note 1.- The term 'radius of eight kilometres' means a distance of eight kilometres by the shortest route by which a person can reach his destination by the ordinary modes of travel.

Government Decision

In the case of an Officer having his headquarters at Ernakulam, no daily allowance is admissible for journey to Mattancherry/Fort Cochin and vice versa, as he does not reach a point outside the radius of 8 Kms. This takes effect from 16th March 1964.

Note 2.- The Malabar Special Police and the District Armed Reserve Personnel stationed at Malappuram who have to halt for a period of ten days at Melmuri Rifle Range situated within eight kilometres from Malappuram

in connection with the annual firing course there, shall be exempted from the operation of the above rule.

- * *Note 3.*- Civilian staff of N.C.C. Department attending N.C.C. Camps within a radius of eight kilometres from their headquarters shall be exempted from the operation of the above rule.

This amendment shall be deemed to have come into force with effect from 1st April 1960.

58. Subject to the conditions laid down in Rules 59 and 60, daily allowance may be drawn during a halt on tour or on a holiday occurring during a tour.

Note 1.- An officer who takes casual leave while on tour is not entitled to draw daily allowance during such leave.

Note 2.- Daily allowance is not admissible for any day, whether Sunday or holiday, unless the officer is actually and not merely constructively in camp.

† *Note 3.*- In the case of enforced halt occurring en route on tour journeys necessitated by break down of communication due to blockade of roads and railways on account of floods, rains, landslides and other acts of God or delayed journeys or cancellations of schedules of motor conveyances, trains or air crafts, such periods of halts shall be treated as duty and the Government servant granted daily allowance at three-fourths of the rate applicable to him at the station in which the enforced halt takes place for the entire period of enforced halt after excluding the first day of such halt for which no daily allowance shall be allowed. subordinate officers will be the authority competent to declare the periods of enforced halts as duty.

Note 4.- In respect of journeys involving an overnight halt at an intermediate station either due to non-availability of connecting service or due to the cancellation of connecting air service, half daily allowance will be allowed at the rate applicable to the intermediate station for each overnight halt (in addition to the allowance for incidental expenses admissible for air journeys) if the Indian Airlines Corporation does not provide at its expense any facility for boarding and lodging. Half Daily Allowance will also be given for similar enforced halts occurring between air and rail/road journeys on duty.

The above amendment shall be deemed to have come into force with effect from 24th December, 1970.

**Note 5.*- No daily allowance is admissible to a Government servant for the day on which he avails himself of a restricted holiday while on tour.

59. A daily allowance may not be drawn for more than ten days of a halt at one place. But Heads of Departments in the case of their subordinates and the Government in the case of Heads of Departments, may grant exemption from the operation of this rule where they are satisfied :-

- (a) that prolonged halts are necessary in the interest of the public service, and
- (b) that such halts necessitate the maintenance of camp equipage, or where no camp equipage is maintained entail extra expense on the officer after the first ten days.

In such cases the daily allowance admissible will be -

- (a) full rate for the first ten days;
- (b) three-fourth rate for the next 20 days; and
- (c) half-rate thereafter.

* [G O(P)No. 254/1967/Fin., Dated 29/06/1967]

But no allowance will be given for halts exceeding three months.

[^], **Note 1.*- Officers deputed for training to Trivandrum, Ernakulam, Kozhikkode, and city outside the state of Kerala shall be paid daily allowance at full rate for the first 30 days and at $\frac{3}{4}$ of the rate for the next 60 days, in relaxation of the restriction imposed in the above rule.

[†]This Rule shall be deemed to have come into force with effect from 1st August, 1982.

Explanation.- This note shall apply to the officers deputed for training to Delhi, Bombay and Calcutta with effect from the 1st December, 1978 and to those deputed for training to other cities outside the State with effect from 10th July 1979.

Note 2.- Periods of absence on leave (including casual leave) will be included in computing the limits prescribed in this rule.

Exception.-The Circle Commander, No. 11 Circle Cadet Corps, Trivandrum will be competent to sanction Daily Allowance under the above rule, to the civilian staff of the establishment of the National Cadet Corps deputed for duty to camps.

This exception shall be deemed to have come into force with effect from 20th October 1962.

Ruling No. 1

drawn inclusive of the half daily allowance under Rule 63 exceeds ten; but the daily or half daily allowances, if any, admissible for the days of travel covered by Rule 60 (c) should be excluded in calculating the daily allowances.

Ruling No. 2

Daily allowance will be allowed for the first three months at the rates specified in this rule even in cases of halts on tour exceeding three months.

60. For the purposes of Rules 57 to 59
- (a) After a continuous halt of ten days' duration, the halting place shall be regarded as the officer's temporary headquarters.
 - (b) A halt is continuous unless terminated by an absence on duty at a distance from the halting place exceeding eight kilometres for a period including not less than three nights.
 - (c) In calculating the duration of a halt, any day on which the officer travels or halts at a distance from the halting place exceeding eight kilometres shall be excluded. On such a day the officer may draw daily allowance or exchange it for mileage allowance, if admissible.

Note.- If an officer proceeds on earned leave after a halt on duty at an outstation and on termination of the leave resumes duty directly at the same halting station and remains thereon halt for some more days, the absence on leave should not be treated as interruption of halt, but the whole period should be treated as one continuous spell of halt, leaving out the leave period from the calculation of daily allowance.

SUB DIVISION II

**Mileage Allowance and Actual Expenses in Place of
or in Addition to Daily Allowance**

61. The Government may by general or special order and on such conditions as they think fit to impose, permit any officer, or class of officers to draw mileage

allowance instead of daily allowance for the whole period of any absence from headquarters, if they consider that the nature of the officer's duty is such that daily allowance is not sufficient to cover his travelling expenses.

62. (a) Subject to any conditions which Government may by general or special order impose, an officer may exchange his daily allowance for mileage allowance on any day on which -
- (i) he travels by railway or steamer or plane or by any two of them or by all of them;
 - (ii) he travels more than 32 kilometres by road, provided that, if a continuous journey extends over more than one day, the exchange must be made for all such days and not for a part only of them.

Note.- Short journeys within a radius of eight kilometres from headquarters may not be added to other journeys, when calculating the distance travelled by road or the amount of mileage allowance admissible for road journeys.

- *(b) When a journey by road is combined with a journey by railway or steamer or plane under clause (i) of sub-rule (a) of this rule, mileage allowance may be drawn on account of such journey by road, but such mileage will be limited to the amount of daily allowance unless the journey by road exceeds thirty-two kilometres.

Note.- If an officer halts at the outstation, and the place or places of duty visited be within the radius of 8 kilometres road mileage should always be from the Railway Station to the Chief Public Office, no matter where he proceeds first to the temporary residence or the place of duty.

*[G O(P) No. 16/1965/Fin., Dated 06/01/1965]

Government Decision

*If an officer performs a direct journey by road between two places connected partly by road and partly by rail he will be entitled to T.A. at the following rates. Road mileage for the road portion upto the nearest railway station plus road mileage at the rates as provided in Rule 21, Part II, K.S.Rs for the portion connected by rail.

Eg; If an officer travels from Neyyattinkara to Quilon directly by road, he will be entitled to the admissible road mileage for the distance from Neyyattinkara to Trivandrum which is connected by road only and from Trivandrum to Quilon which is connected by rail at the rates as provided in Rule 21, K.S.R., Part II.

63. †Daily allowance for halt on tour at an outstation will be calculated on the basis of the period of halt which will begin from the time the forward journey ends at the outstation and will end at the time the return or further journey commences. The rate of daily allowance will be calculated as follows :-

1. Halt upto six hours	Nil
2. Halt exceeding six hours but not exceeding twelve hours	Half daily allowance
3. Halt exceeding 12 hours but not exceeding twenty four hours	Full daily allowance
4. Halt exceeding twenty four hours	One daily allowance for every 24 hours. For fraction of 24 hours at the end of halt, daily allowance will be calculated as indicated above.

*[G O(P) No. 115/1976/Fin., Dated 10/04/1976]

†[G O(P) No. 83/1968/Fin., Dated 23/02/1968]

Note 1.- This concession is also admissible to officers who are entitled to daily allowance for halts on tour but whose journeys are regulated by Rules 103, 105 and 107.

**Note 2.*- Officers and men of Fire Force Department are exempted from the operation of the above rule. They will be eligible to draw full daily allowance whenever they make a journey to a place more than 8 km. from the fire stations in fire service vehicles in an emergency or to attend an ambulance call, irrespective of time limit or absence.

Government Decision.

- †(i) The daily allowance admissible for halt at an outstation under this rule and the daily/mileage allowance admissible for the journey should be calculated separately, irrespective of whether the halt is preceded or followed by a journey which qualifies for daily or mileage allowance.
- (ii) Rule 62 (a) refers to travelling by a Government servant on any day for a total distance exceeding 32 kilometres. The number of journeys in a day or whether any one or more of the journeys exceed 32 kilometres or whether each or the several journeys is less than 32 kilometres is not material. If the total travelling in a day exceeds 32 kilometres, he can exchange daily allowance for mileage allowance. If he does not so exchange he gets only one daily allowance for that day to cover all the journeys.
- (iii) Daily allowance for halt under this rule is to be calculated after computing the total number of hours of halt at an outstation, irrespective of the total number of days of halt and whether or not the daily allowance is exchanged for mileage allowance.

*[G O(P) No. 266/1973/Fin., Dated 10/07/1973]

† [G O(P) No. 240/1978/Fin., Dated 06/03/1978]

- (iv) In a case whether the Government servant, while on tour returns on the same day, to the first halting station from another outstation. Daily allowance, if admissible for the journey, may be exchanged for mileage allowance, subject to the provisions of Rule 62 but in addition to this allowance, no daily allowance for halt under Rule 63 is admissible even if the halt at another outstation exceeds six hours.
- (v) If a Government servant halts at more than one station on the same day, daily allowance for halt may be calculated after computing the total hours spent on halt at all the outstations taken together. This proviso applies only if the halts at more than one station begin and terminate within the duration of 24 hours. If the duration of halt at the second station extends beyond 24 hours from the commencement of halt at the first outstation, daily allowance admissible for halt at the second station is to be reckoned separately.
- *(vi) When a Government servant, on tour, visits various outstations on duty over a number of days, the total daily allowance admissible under this rule should not exceed the total daily allowance calculated on the basis of the total number of hours between the time of arrival at temporary residence duty point at the first outstation and the time of departure from the temporary residence/duty point at the last station of tour.

†[G O(P) No. 186/1989/Fin., Dated 29/03/1989]

Explanation. -For the purpose of determining the distance of two kilometres from headquarters, the duty point at the headquarters should be taken as the place or office where the Government servant normally remains on duty.

SECTION III

JOURNEYS ON TRANSFER

65. Travelling Allowance may not be drawn under this section by an officer on transfer from one station to another unless he is transferred for the public convenience and is entitled to pay during the period occupied by the journey. A transfer at his own request should not be treated as a transfer for the public convenience unless the authority sanctioning the transfer, for special reasons which should be recorded, otherwise direct.

Note 1.- An officer appointed to a post under Government as a result of selection by the Public Service Commission should be granted T. A. as on transfer for joining the post if he already holds a substantive appointment under Government, the Government of India or any other State Government.

†*Note 2.*- The Travelling Allowance of officers for journeys on temporary transfers and relieving duties of not more than two months' duration will, however, be limited to the allowances that would have been admissible if such journeys were journeys on tour. Daily allowance as for halt on tour will also be allowed for halts, at the new temporary headquarters in such cases. When, however, the period of transfer is subsequently prolonged to more than two months, the officer concerned will be allowed to draw the Travelling Allowance otherwise admissible for journeys on transfer, deducting that had been drawn already. Where, however, the amount already drawn is larger than what is admissible for journeys on transfer, no refund need be made.

†[G O(P) No. 271/1964/Fin., Dated 14/05/1964]

“Temporary transfer” means a transfer to duty in another station which is expressed to be for a period not exceeding two months.

Government Decision No.1

*A transfer which is not specifically stated to be temporary will be treated as permanent. All transferring authorities in cases of temporary transfers of relieving duties should specify in the order of transfer, the nature of the transfer.

Government Decision No. 2

†In the case of temporary transfers all transferring authorities should specify in the order itself that the transfer, is temporary not exceeding two months.

Note 3.- In cases where husband and wife are both State Government employees and one of them is transferred at the same time or within six months of transfer of the other, from one and the same old station to one and the same new station, transfer T.A. will not be admissible to both of them as independent Government servants. Either of them will be allowed to claim transfer T.A. the other being treated as a member of his/her family not in the State Government’s employment on furnishing the following certificate. :-

‘Certified that my wife/husband who is employed under the State Government and who has been transferred from..... to within six months of my transfer has not already claimed any transfer T.A. consequent on her/his transfer.’

66. An Officer may draw mileage allowance for journey on transfer.

67. (a) Unless in any case it be otherwise expressly provided in these rules, an officer is entitled for a journey on transfer to the following:-

I. FOR JOURNEYS BY RAIL OR STEAMER

- (i) If the journey is by rail he may draw mileage allowance at twice the rate applicable to him under sub-rule (a) of Rule 20 and if the journey is by steamer three fares of the class of accommodation to which he is entitled, the fares being limited to the lowest rate of such class of accommodation. If the journey is actually performed by first class by a First Grade or Second Grade Officer and the necessary certificate to this effect is produced, the officer may claim a single railway fare and three times the incidental expenses admissible to him under sub-rule (b) of Rule 20.
- (ii) He may draw additional mileage allowance at the rate applicable to him under Rule 20 or Rule 44 as the case may be, if two adult members of his family accompany him, and at twice that rate if more than two members accompany him. If the journey is actually performed by first class by members of the family accompanying a First Grade or Second Grade Officer, he may draw an extra fare for each adult member of his family for whom full fare is actually paid and one half fare for each child for whom such fare is actually paid.
- (iii) He may draw the actual cost of carriage by goods train, steamer or other craft, of personal effects upto the following maxima :-
- | | |
|---|----------------|
| (a) Officers whose actual pay is **₹ 3000 and above and officers belonging to the All India Services. | 2240 Kilograms |
| (b) Officers whose actual pay is **₹ 2500 and above but below **₹ 3000 | 1120 Kilograms |
| (c) All other officers | 560 Kilograms |
- ** effective from 1st September, 1995

**[G O(P) No. 202/2006/Fin., Dated 05/05/2006]

In addition to the above concession, loading and unloading charges of personal effects to officers transferred in public interests will be allowed as specified below :-

†*Note 1.*- In the case of journeys on transfer performed by First or Second Grade Officers by Mail/Express Train and actual First class fares for travel by such trains are claimed, a certificate to the effect that the journey was performed by First class by Mail/Express Train should be recorded by the claimant on the Travelling Allowance bill.

Note 2.- If an officer carries his personal effects by passenger instead of by goods train he may draw the actual cost of carriage upto a limit of the amount which would have been admissible had he taken the maximum number of kilograms by goods train.

Note 3.- An officer who carries his personal effects by road between places connected by rail may draw actual charges upto the limit of the amount which would have been admissible had he taken the same quantity by goods train. Loading and unloading charges as well as packing and unpacking charges will be allowed in such cases also. In cases where

† [G O(P) No. 186/1989/Fin., Dated 29/03/1989]

the actual expenses claimed exceed the limit mentioned above, the controlling authority may, for valid reasons, allow such claims subject to the limit of the amount which would have been admissible, if the maximum number of kilograms had been transported by goods train.

Note 4.- The claim for transport of personal effects between places connected partly by road and partly by rail shall be regulated as follows:-

- (1) For the rail portion.- As in Rule 67 (a) I (iii) and Note 2 or 3 of Rule 67 (a) I (iii)
- * (2) For the road portion.- As in Rule 67 (a) II (iii).

Ruling

Places where a railway station is situated within eight kilometres from the central point of the respective localities, will be treated as places connected wholly by rail, for purposes of calculation of charges for transport of personal effects on transfer.

Note 5.- Subject to the prescribed maximum number of kilograms an officer may draw the actual cost of transporting personal effects to his new station from a place other than his old station (e.g., from a place where they are purchased en-route or have been left on the occasion of a previous transfer) or from his old station to a place other than his new station, provided that the total amount drawn including the cost of transporting these personal effects shall not exceed that admissible had the maximum admissible number of kilograms been transported by goods train from the old to the new station direct.

(iv) Provided that –

- (1) the distance travelled exceeds 150 kilometres;

*[G O(P) No. 311/1966/Fin., Dated 13/07/1966]

(2) the officer is travelling to join a post in which the possession of a conveyance is advantageous from the point of view of his efficiency, or is travelling after being relieved from a post in which the possession of a conveyance was advantageous from the point of view of his efficiency; and

(3) Conveyances are actually carried by rail, steamer or other craft;

he may draw the actual cost of transporting at owner's risk conveyances, on the following scales:-

I Grade Officers	A motor car.
II Grade Officers in receipt of actual pay of *₹ 3000 and above	A motor car or a motor cycle.
II Grade Officers whose actual pay is below *₹ 3000	A motor cycle.
III Grade Officers	An ordinary cycle

*Effective from 1st September 1995

Note 1.- In the case of the motor car, the cost of transporting a chauffeur or cleaner may also be drawn.

Ruling

† When the officer transports his motor car by rail he may draw one railway fare for III class accommodation in respect of the chauffeur or cleaner, provided he certifies that the chauffeur or cleaner actually travelled by rail on the section for which the transportation charges of motor car by rail are claimed.

* [G O(P) No.391/2002/Fin., Dated 19/06/2002]

† [G O(P) No. 35/1964/Fin., Dated 20/01/1964]

Note 2.- When an officer transports his motor car or motor cycle by road under its own power between stations connected by rail or steamer or partly by rail and partly by steamer he may draw an allowance of *14 paise per kilometre in respect of the motor car and *7 paise per kilometre in respect of the motor cycle, the distance to be reckoned for the purpose of the concession being limited to the distance between the stations by rail or steamer or both combined, as the case may be. If the officer himself travels by car or motor cycle he may draw the fares admissible under clause (a) I (i). For any member of his family who travels by the car or motor cycle, the officer may draw the extra fare or half fare which should have been admissible under clause (a) I (ii) if the member had travelled by rail or steamer.

*Effective from 1st September 1985.

Ruling

† When the motor car is transported by road under its own power, no railway fare for chauffeur or cleaner is admissible. The allowance of 14 paise per kilometre for the motor car transferred under its own power includes the travelling expenses of the cleaner or chauffeur travelling in the car.

II. FOR JOURNEYS BY ROAD

- (i) He may draw mileage allowance at twice the rate applicable to him under Rule 31 and Rule 44 or any rate applicable to him, which has been fixed under Rule 32, as the case may be.

fixed under Rule 32, as the case may be, if two members of his family accompany him, and at twice that rate if more than two members accompany him.

†*Note.*- Officers of the First Grade on transfer from one station to another shall be entitled to the higher rate of mileage for all journeys irrespective of the distance travelled per day or the nature of the conveyance used, except in the case of journeys on temporary transfers and relieving duties of not more than two months' duration.

Government Decision

Children below five years can be counted as members of a family for the purpose of claiming road mileage under the rule referred to above.

(iii) For the transportation of personal effects within the limits prescribed in sub-clause I (iii) of this clause he may draw the actual cost of transport limited to the mileage allowance at thrice the rate applicable to him.*

(b) The following explanations are given for the terms employed in clause (a) of this rule:-

(i) The term 'personal effect' is not subject to definition, but the controlling officer must satisfy himself that a claim to reimbursement on account of transportation is reasonable.

(ii) The term 'motor cycle' includes a side car.

(iii) A member of an officer's family who follows him within six months from the date of his transfer or precedes him by not more than one month may be treated as accompanying him. If such member travels to the new station from a place other than the

officer's old station the officer may draw the actual fare for the journey made by such member by rail or steamer plus the road mileage, if any, at the rate and subject to the conditions prescribed in clause (a) II (ii), for the actual distance of the road journey performed by such member, provided that their sum shall not exceed the total mileage allowance that would have been admissible had such member proceeded from the old to the new station. For the purposes of this rule, the grade of an officer should be determined with reference to the facts on the date of his transfer while the number of fares admissible should be determined with reference to the facts on the date of the journey in respect of which the allowance is claimed.

Ruling No. 1

*In case an officer's family performs the journey to the new station from a place other than the old station by a lower class of accommodation than the class of entitlement (in the case of journeys by rail or steamer), the mileage that would have been admissible had the member proceeded from the old station to the new station would be reckoned on the basis of the class by which the journey was actually undertaken.

Ruling No. 2

If the members of his family have joined the Government servant at the new station, within six months after the date of his transfer, they will be eligible for Travelling Allowance for their journey from the old station to the new station though they may later on decide to proceed to some other station.

(c) An officer who claims higher Travelling Allowance on the ground that members of his family accompanied him on transfer must support his

* [G O(P) No. 290/1966/Fin., Dated 01/07/1966]

claim by a certificate showing the number and relationship of the said members.

*(d) An officer claiming the cost of transporting personal effects must support his claim by a certificate that the actual expense incurred was not less than the sum claimed and that only goods belonging to him and his family were carried. All vouchers claiming transporting charges of personal effects by road should invariably mention the number of the lorry or other conveyance by which, and the number of the house from and to which the personal effects were transported. The officer should also state in the certificate the weight of the personal effects actually carried and the amount actually paid for their transport separately by rail, road, steamer or other craft and the controlling officer should record a certificate that he has scrutinised the details and satisfied himself that the claim is reasonable. The payees' receipt for the charges paid for the transport of personal effects should be attached to the bills.

†(e) An officer claiming the cost of transporting a conveyance by rail or steamer must support his claim by railway or steamer receipt. He should also produce a certificate that the conveyance belonged to him. The receipt shall be attached to the bill.

(f) 'Family' for the purpose of these rules includes the officer's wife, children and step-children residing with and wholly dependent on him. Not more than one wife is included in a family for the purpose of these rules. In the case of a female officer the 'family' will include the 'husband' also provided he is residing with and wholly dependent on her (the female officer).

Note 1.- Charges for the transport of personal effects of an officer on transfer may be admitted in audit, if they do not for good and sufficient reasons

*, † [G O(P) No. 279/1967/Fin., Dated 15/07/1967]

accompany him but are carried within a reasonable time before or after the date of his journey on transfer.

Note 2.- The expression 'date of his transfer' occurring in the first sentence of Rule 67 (b) (iii) means the date on which the officer takes over charge at the new station in case his family follows him or the date on which he hands over charge at the old station in case his family precedes him.

Note 3.- Claims preferred under this rule for the carriage of personal effects should be admitted in all cases at the lowest available rates for "smalls,"

"Smalls" are defined as goods which of themselves do not constitute a working load for the unit of railway transport, the wagon. The minimum load constituting a wagon load is specified, by each of the railways who quotes reduced rates for wagon loads, in its tariffs.

Note 4.- In cases where an officer is transferred from Station A to Station B and again transferred within a reasonably short time to Station C he may be allowed to recover the cost of carriage of personal effects from Station A to Station C subject to the conditions—

- (1) that the total weight carried from Station B to Station C and from Station A to Station C does not exceed the maximum limit prescribed in the rule, and
- (2) that the total cost of transporting the effects from Station A to Station B, from Station B to Station C and from Station A to Station C does not exceed the amount admissible from Station A to Station B plus that admissible from Station B to Station C.

Note 5.- When an officer transports more than the maximum quantity admissible by a cheaper route, he can draw actual charges not exceeding the amount admissible for the maximum quantity by the normal recognised route.

Note 6.- A motor car may be treated as a part of personal effects in cases where an officer is not entitled to its free transport in addition to personal effects.

68. *An officer transferred from one post to another who under the orders of competent authority is permitted to hand over charge of his old post or to take over charge of the new post at a place other than the headquarters is entitled to -
- (i) Travelling Allowance as on tour from his old headquarters to the place of handing over charge and from the place of taking over charge to the new headquarters.

- (i) Travelling Allowance as on tour for his journey upto the new headquarters;
- (ii) *all concessions admissible under sub-rule (a) of rule 67 from the old to the new headquarters minus what will be admissible to the Officer for a journey as on tour from the old to the new headquarters.
70. If the family of an officer, in consequence of his transfer, travels to a station other than the new headquarters; Travelling Allowance for the journey of the family may be drawn subject to the conditions that it does not exceed the Travelling Allowance that would have been admissible if the family had proceeded to the new headquarters station.

*[G O(P) No. 186/1989/Fin., Dated 29/03/1989]

71. An officer appointed to a new post while in transit from one post to another is entitled to draw Travelling Allowance under this section for so much of the journey on transfer as he had accomplished when he receives the fresh orders and for the journey from the place at which he receives such orders to his new station.
72. An officer, who goes on leave not exceeding four months after he has given over charge of his old post and before he has taken charge of his new post, is entitled, whether the order of transfer is received before or after the commencement of his leave, to Travelling Allowance under this section as for a journey from his old to his new post.
- 72A. *When a Government servant whose case is not covered by Rule 72 is posted to a station other than that at which he was stationed before he went on leave, the controlling officer may permit him to recover the Travelling Allowance under sub-rules I (iii) and (iv) or II (iii), as the case may be, of Rule 67 (a) as for a journey from his old to the new station.
73. When an officer of the Government is transferred to the administrative control of another Government which has made rules prescribing amounts and conditions of Travelling Allowances, his Travelling Allowances for the journey to join his post under that Government and for the return journey will be governed by the rules of that Government regulating Travelling Allowances on transfer.
- Note.*- The controlling officer for the purpose of Travelling Allowance for the journey of an officer to join his post under a borrowing Government as well as for the return journey will be the controlling officer in regard to his post under that Government.

- 103.** When an officer travels by sea or river, otherwise than on payment of passage money, in a steamer the cost of which is paid by Government or by a local fund, he may draw no Travelling Allowance except subject to the provision of Rule 110* the daily allowance of his grade; provided that, when his servants and luggage are not conveyed on the vessel but

*[G O(P) No. 113/1976/Fin., Dated 06/04/1976]

are sent separately at his expense, he may draw in addition the actual cost of transporting them.

- 104.** When an officer is allowed free transit by sea or river steamer, otherwise than in a Government vessel, the mileage allowance which he draws for the journey must be reduced by the amount of the fare which, but for such free transit, he would have paid. If he travels on a free pass, the reduction made must include the full number of fares covered by the pass unless the officer certifies that he did not use the pass in respect of any fare or fares for which no reduction is made.

SECTION III

JOURNEYS BY AIR

- 105.** When an officer is allowed free transit by air in a Government machine or in a machine chartered by Government for the purpose, he is entitled subject to the provisions of Rule 110* to Travelling Allowance as follows:-

- (a) If he has not to provide separate conveyance at his own expense for his servants or luggage, he may draw the daily allowance of his grade and may not exchange it for mileage allowance. If, however, part of the journey is made by other means of locomotion, he may at his option draw in lieu of daily allowance the mileage allowance admissible for that part.

*This amendment shall be deemed to have come into force with effect from 15th May 1970.

- (b) If he has to provide separate conveyance at his own expense for his servants or luggage he may-
- (i) if the journey is between places connected by rail or steamer draw incidental expenses or three-fifth of a fare as the case may be of

the class of accommodation to which he is entitled by railway or steamer, or

- (ii) if the journey is between places not connected by rail or steamer draw the daily allowance of his grade or half the mileage allowance calculated for the journey.

If, however, a part of the journey is performed by other means of locomotion he may draw mileage allowance admissible for that part subject to the condition laid down in sub-clause (i) and (ii) of clause (b) of Rule 62.

- 106.** An officer, when making a journey by air in a Government machine or in a machine chartered by Government for the purpose shall pay a first class full or half railway fare, as the case may be, to Government on behalf of each person not entitled to travel in that machine who may accompany him.

Note.- If an officer wishes to take with him any non-entitled person in a Government machine or in a machine chartered by Government, he should obtain the sanction of the Government. In giving such sanction, care should be taken to see that no extra expenditure is caused to Government thereby.

SECTION IV

OTHER JOURNEYS

- 107.** Except where otherwise expressly provided in these rules, when on a journey other than a journey by railway or by sea or river steamer or by air an officer uses a means of locomotion provided at the expense of Government, a local fund or Government of another State and does not pay the cost of its use or propulsion, he is entitled subject to the provisions of Rule 110 to Travelling Allowance as follows:-

- (a) If he has not to provide separate conveyance at his own expense for his servants or luggage, he may draw the daily allowance of the grade and may not exchange it for mileage allowance. If, however, part of the journey is made by other means of locomotion, he may at his option draw in lieu of daily allowance the mileage allowance admissible for that part.

Ruling

When a Government servant performs a journey on transfer in a conveyance provided by the Government, he may be allowed daily allowance for each calendar day of journey. He will not, however, be eligible for any additional daily allowance for the members of his family who accompany him and for whom he does not pay any fare, nor will he be paid any allowance for the personal effects carried along with him for which he does not pay any charge except in the case of transport by rail in which case he may be allowed the actual charges as provided under Rule 67 (a) I (iii), Kerala Service Rules, Part II.

(b) If he has to provide separate conveyance at his own expenses for his servants or luggage, he may, if the conditions of Rule 62 are fulfilled, exchange his daily allowance for half the mileage allowance calculated for the journey and draw in addition the mileage allowance admissible for any part of the journey made by other means of locomotion.

108. When an officer is provided with means of locomotion as in Rule 107 but pays all the cost of its use or propulsion, he may draw Travelling Allowance under the ordinary rules, subject to the deduction of such fixed hire or charge as Government may fix.

CHAPTER IV

GRANT OF TRAVELLING ALLOWANCE TO THOSE WHO ARE NOT IN REGULAR GOVERNMENT SERVICE

111. The grant of Travelling Allowance and Daily Allowance to non-official members of Committees, Boards, Councils, etc. will be regulated as follows:-

- (i) Committees, Boards, Councils, etc. constituted by Government will be classified into two—First Class and Second Class—according to their importance, jurisdiction and the overall status of the members. Whether a committee (or other body) is of the First Class or the Second Class will be specified in the orders constituting the committee.
- (ii) Non-officials (including retired officials) serving in First Class Committees, Boards, etc., will be allowed Travelling Allowance and daily allowance at the rates admissible to First Grade Officers.
- (iii) Non-officials (including retired officials) serving in Second Class Committees, Boards, etc., will be allowed Travelling Allowance and daily allowance at the rates admissible to Second Grade Officers drawing a pay of more than † ₹ 1500 per mensem.

† Effective from 1st September 1985.

- (iv) The Travelling Allowance admissible to Members of the Legislative Assembly serving in any committee (or other body) will, however, be regulated by the provisions of the Payment of Salaries and Allowances Act.
- (v) Members of Parliament serving in such committee (or other body) will be allowed Travelling Allowance and daily allowance at the rates

† [G O(P) No. 186/1989/Fin., Dated 29/03/1989]

admissible to M.L.As. subject to the condition that in respect of railway journeys they will be allowed only the incidental expenses, since they are in possession of free railway pass.

- (vi) The Travelling Allowance Rules in the Kerala Service Rules applicable to First and Second Grade Officers of Government will apply to the non-official members of First and Second Class committees respectively. *Member of a First class Committee will however be allowed mileage for road journeys between places connected by railway, if any public interest is served by such road journeys.

Note.- Non-official members, other than Members of the Legislative Assembly, serving on First and Second Class Committees, may be paid per day of attendance at the meetings of the committees at places within a radius of eight kilometres from their residence, sitting fees to cover out of pocket expenses at the rate equal to the amount of Daily Allowance admissible for halts at the station.

112. The following principles should be observed in granting Travelling Allowances to witnesses, who are not officers but are summoned to give evidence in a case in which the conduct of an officer is the subject of a departmental enquiry held by officers serving directly under the Government:-

- (1) Travelling Allowance will be paid only in respect of witnesses whose evidence is considered to be of material value by the officer conducting the enquiry.
- (2) Such allowances may be paid to witnesses summoned on behalf of the officer whose conduct is the subject of a departmental enquiry in the event of the officer concerned clearing himself.

*[G O(P) No. 186/1989/Fin., Dated 29/03/1989]

- (3) In exceptional cases the officer conducting the enquiry may, for reasons to be recorded, recommend to the Government that the principles laid down above be departed from owing to special reasons and it is for the Government to accept or reject the recommendation.

112 A. *The rates of Travelling Allowance and batta in the case of those coming under Rule 112 will be the rates allowable from time to time to non-official witnesses summoned by criminal courts, the discretion in the matter of classification of such witnesses for the purpose being vested with the concerned authority conducting the enquiry.

* [G O(P) No. 1/1966/Fin., Dated 01/01/1966]

CHAPTER V

CONTROLLING OFFICERS

- 113.** The Government shall declare what authority shall be the controlling officer, for Travelling Allowance purposes, of each officer or grade of officers. It may, if it thinks fit, declare that any particular officer shall be his controlling officer.
- 114.** Except where expressly permitted by a competent authority a controlling officer may not delegate to a subordinate his duty of countersignature.
- 115.** Except as provided in Rule 113 no bill for Travelling Allowance, other than Permanent Travelling Allowance shall be paid unless it is signed or countersigned by the controlling officer concerned.
- 116.** It is the duty of a controlling officer, before signing or countersigning a Travelling Allowance bill—
- (a) to scrutinise the necessity, frequency and duration of journeys and halts for which Travelling Allowance is claimed, and to disallow the whole or any part of the Travelling Allowance claimed for any journey or halts, if he considers that a journey was unnecessary or unduly protracted or that a halt was of excessive duration;
 - (b) to scrutinise carefully the distances entered in Travelling Allowance bills;
 - (c) to satisfy himself that mileage allowance for journeys by railway or steamer, excluding additional fare or fares allowed for incidental expenses, has been claimed at the rate applicable to the class of accommodation actually used and that where the actual cost of transporting servants, personal effects, etc., is claimed under these rules the scale on which such servants, effects, etc., were transported was reasonable; and to disallow any claim which, in his opinion, does not fulfil that condition;

- (d) to check any tendency to abuse the option of exchanging daily allowance for mileage allowance;
- (e) to observe any subsidiary rules or orders which a competent authority may make for his guidance; and
- (f) to satisfy himself before permitting a claim under Rule 23 that the officer actually bought a through ticket at the rate claimed and that it was not possible for him to get a through ticket at a cheaper rate by paying only for the appropriate class of accommodation over that portion of the journey where accommodation of that class was available.

RULES RELATING TO CHARGE OF OFFICE

(Referred to in Rule 23 of Part I)

PART I

Charge of Office

1. Unless for special recorded reasons (which must be of a public nature) the authority under whose orders the transfer takes place permits or requires it to be made in any particular case elsewhere, or otherwise, the charge of an office must be made over at its headquarters, both the relieving and the relieved officers being present.
2. The condition imposed by this rule that both the relieving and the relieved officers must be present is not enforced in the case of officers who are permitted to combine vacation or gazetted holidays with leave.
 - (a) When they are prefixed to leave the outgoing officer will report, before leaving headquarters, or if for urgent reasons the leave is granted during vacation, or holidays, as soon as it is granted that he makes over charge with effect from the end of the vacation or holidays. The relieving officer will then take over charge at the end of the vacation or holidays in the ordinary way.
 - (b) When they are affixed to leave the officer to be relieved will make over charge in the ordinary way before the vacation or holidays, the incoming officer on return at the end of the vacation or holidays, taking over charge with effect from the beginning of the vacation or holidays.
3. The headquarters of any other officer is either the station which has been declared to be his headquarters by the authority which appoints him, or, in the absence of such declaration, the station where the records of his office are kept.

PART II

Leaving Jurisdiction

1. No officer (other than a Police Officer acting within his legal powers) is entitled to pay or allowances for any time he may spend beyond the limits of his charge without proper authority.
2. Heads of Departments and Heads of Offices may authorise any officer or subordinate under their control to proceed on duty beyond the limits of his charge but within their own jurisdiction.
3. The sanction of Government is required for any officer proceeding beyond the limits of the State.

Class I.- Special pay in this class are assigned to posts to which special responsibility is attached or which involve work of a specially difficult and arduous nature. No special pay of this class will be granted unless the particular duties for which an allowance is claimed so far differ, in kind or in intensity, from those for the performance of which the service in question was recruited, as to justify a special remuneration.

†[G O(P) No. 393/1975/Fin., Dated 30/08/1975]

* [G O(P) No. 252/2002/Fin., Dated 25/04/2002]

Class II.- The cardinal rule which the Government have adopted is that every officer to whom a variety of duties is assigned or to whose post a number of duties is attached should carry out those duties without extra remuneration unless they involve more than a reasonable days work. In this respect Government are merely giving effect to Rule 14, Part I.

If the volume of work assigned to an officer is more than a full day's work the most suitable course is either to increase the staff, should the amount of work, justify a fresh whole time appointment, or to redistribute the work among the members of the sanctioned staff. Special pay in this class will be granted only when neither of these alternatives is possible.

The grant of a special pay under this class will be restricted to cases which strictly satisfy the following test :-

If the duties are of a kind outside the normal duties of the service, is in addition to the normal work of the service, which the performance of these duties involve really so material as to justify the grant of a separate remuneration in order to secure the contended discharge of those duties by the staff.

Note.- The allowance sanctioned to the Typists and Stenographers with higher qualification in Typewriting and Shorthand, as the case may be, shall however be treated as 'Special pay' falling under this class.

RULES RELATING TO CASUAL LEAVE

(Referred to in Rule 111 of Part I)

1. Casual leave is not provided for in the rules as it is not recognised as leave. Technically therefore an officer on casual leave is not treated as absent from duty and his pay and allowances are not intermitted. The grant of such leave need not be reported to the Audit Officer, nor is it necessary for the officer to submit charge certificates when he proceeds on or returns from casual leave.
 2. **(i)* No officer may in any case be absent on casual leave for more than twenty days in the course of one calendar year. But the members of the teaching staff of educational institutions shall be eligible for casual leave only for fifteen days in a calendar year.
 - *(ii)* All officers including teaching staff of educational institutions may be allowed to combine casual leave with Sundays and other authorised holidays provided that the resulting period of absence from duty shall not exceed fifteen days at a stretch. The fact that a maximum has been fixed for the amount of casual leave which may be taken within a year, does not mean that an officer is entitled to take the full amount of casual leave as a matter of course.
- †*Exception:-* The maximum period of absence combining casual leave with Sundays and other authorised holidays will be twenty days at a stretch for the State Government employees working in New Delhi.
- (iii)* All officers including those who have put in less than a year's service will be allowed casual leave at the rate of 20 days during a year without taking into account the length of service put in by them subject to the discretion of the sanctioning authority :

†[G O(P) No. 51/1989/Fin., Dated 30/01/1989]

- *Provided that the teaching staff of educational institutions may be granted casual leave for fifteen days only during a year.*
- † The amendment shall be deemed to have come into force with effect from 1st January 1970.
3. An officer requiring casual leave should take the orders of the head of his office for such absence. When the head of an office requires casual leave, he may take the leave and report the fact to his immediate superior authority. Heads of Departments should intimate their intention of taking casual leave to Government in the department concerned. In cases in which the casual leave is intended to be spent outside the jurisdiction of the officer, the previous sanction of the competent authority should be obtained.
 4. # A Casual Leave Register shall be maintained in every office in Form No.19. When an Officer is transferred from one department/ office/section to another, the Controlling Officer of the former shall forward the extract of Casual Leave Register pertaining to the Officer, duly authenticated, to the latter. No Officer shall be granted further casual leave during the rest of the calendar year before getting the above extract.
 5. *(i)* An officer may be allowed casual leave for half a day at his request, provided that casual leave for half a day shall not be granted to the staff of the department of Museums and Zoos who work in shifts.
 - ** (ii)* Casual leave for half a day at a time may be granted to the technical staff of Government presses who have to work in the first shift that

6. † Casual leave cannot ordinarily be taken in combination with any leave recognised by the rules, with joining time or with vacation. Heads of Departments may, however, sanction such combination in special cases, provided there is no evasion of rules, for instance, when an officer obliged to be absent owing to the prevalence of infectious disease in his residence and placed on special casual leave, himself contracts the illness and has to be granted regular leave in continuation.
7. Casual leave, not being recognised as leave, cannot be retrospectively commuted into any other kind of leave, but when an officer who proceeded on casual leave under the ordinary circumstances takes some other kind of leave in continuation, such leave will be held to have commenced from the date on which he proceeded on casual leave.

PART III

PENSION

THE KERALA SERVICE RULES

PART III

PENSION

CHAPTER I

Section I – General Rules

1. (a) The pensions of all employees to whom these Service Rules apply are regulated by the rules in this Part:

* Provided that the rules in this part shall not be applicable to the employees appointed on or after the 1st day of April, 2013.

Provided that it is open to Government to rule that the service of any class of employees serving under them does not qualify for pension

- (b) These rules shall be deemed to have come into force with effect from 14th November 1966 unless otherwise specified in the relevant rules.
2. (a) *Future good conduct shall be an implied condition of every grant of a pension.*- The Government may, by order in writing, withhold or withdraw a pension or part thereof whether permanently or for a specified period, if the pensioner is convicted of a serious crime or is found guilty of grave misconduct.
- (b) Where a pensioner is convicted of a serious crime by a court of law action under clause (a) shall be taken in the light of the judgment of the court relating to such conviction.
- (c) In a case not falling under clause (b) if the Government under clause (a) considers that the pensioner is *prima facie* guilty of grave misconduct, it shall, before passing an order under clause (a)
- (i) serve upon the pensioner a notice specifying the action proposed to be

* Inserted [G O(P) No. 136/2013/Fin., Dated 16/03/2013]

taken against him and the ground on which it is proposed to be taken and calling upon him to submit within fifteen days of the notice or such further time not exceeding fifteen days as may be allowed, his explanation for such misconduct.

- (ii) take the explanation, if any, submitted by the pensioner under sub clause (i) into consideration.
- (d) The Public Service Commission shall be consulted before final orders are passed.

Explanation :- In this rule, the expression “serious crime” includes a crime involving an offence under the Official Secrets Act, 1923 (19 of 1923) and the expression “grave misconduct” includes the communication or disclosure of any secret official code or password or any sketch, plan, model, rule note, document or information, such as is mentioned in section 5 of the said Act (which was obtained while holding office under the Government) so as to prejudicially affect the interest of the general public or the security of the State.

- 3. The Government reserve to themselves the right of withholding or withdrawing a pension or any part of it, whether permanently or for a specified period, and the right of ordering the recovery from a pension of the whole or part of any pecuniary loss caused to government if in a departmental or judicial proceeding, the pensioner is found guilty of grave misconduct or negligence during the period of his service, including service rendered upon re-employment after retirement:

Provided that –

- (a) such departmental proceeding, if instituted while the employee was in service, whether before his retirement or during his re-employment, shall after the final retirement of the employee, be deemed to be a proceeding under this rule and shall be continued and concluded by the authority by which it was commenced in the same manner as if the employee had continued in service;

- (b) such departmental proceeding, if not instituted while the employee was in service, whether before his retirement or during his re-employment,
- (i) shall not be instituted save with the sanction of the Government;
 - (ii) shall not be in respect of any event which took place more than four years before such institution; and
 - (iii) shall be conducted by such authority and in such place as the Government may direct and in accordance with the procedure applicable to departmental proceeding in which an order of dismissal from service could be made in relation to the employee during his service;
- (c) **no such judicial proceedings, if not instituted while the employee was in service whether before his retirement or during his re-employment, shall be instituted, save with the sanction of the Government, in respect of a cause of action which arose or an event which took place more than four years before such institution and;
- (d) The Public Service Commission shall be consulted before final orders are passed.

Explanation : For the purpose of this rule –

- (a) a departmental proceeding shall be deemed to be instituted on the date on which the statement of charges is issued to the employee or pensioner or if the employee has been placed under suspension from an earlier date, on such date; and
- (b) a judicial proceeding shall be deemed to be instituted-
 - (i) in the case of a criminal proceeding, on the date on which the complaint or report of police officer on which the Magistrate takes cognizance, is made, and

** [G O(P) No. 362/1990/Fin., Dated 25/06/1990](w.e.f. 14/11/1966)

- (ii) in the case of a civil proceeding, on the date of presentation of the plaint in the Court.

Note 1:– As soon as proceedings of the nature referred to in this rule are instituted the authority which institutes such proceedings should without delay intimate the fact to the Audit Officer. The amount of pension withheld under this rule should not ordinarily exceed one-third of the pension originally sanctioned. In fixing the amount of pension to be so withheld regard should be had to the consideration whether the amount of the pension left to the pensioner in any case would be adequate for his maintenance.

Note 2:– The word ‘pension’ used in this rule does not include death-cum-retirement-gratuity. Liabilities fixed against an employee or **pensioner can be recovered from the death-cum-retirement gratuity payable to him without the departmental/judicial proceedings referred to in this rule, but after giving the employee or **pensioner concerned a reasonable opportunity to explain.

Note 3:–* The liabilities of an employee should be quantified either before or after retirement and intimated to him before retirement # if possible or after retirement within a period of three years on becoming pensioner. The liabilities of pensioner should be quantified and intimated to him.

Ruling No. 1

Amounts due from a Government employee or **pensioner to Government Companies, Local Bodies, Co-operative Societies, etc., though not treated as Government dues may be recovered from the death-cum-retirement gratuity payable to him with his consent in writing.

** [G O(P) No. 275/1986/Fin., Dated 31/03/1986]

* [G O(P) No. 274/1986/Fin., Dated 31/03/1986]

[G O(P) No. 30/2010/Fin., Dated 22/01/2010]

@ Ruling No. 2

According to proviso (a) under this rule, departmental proceedings, if instituted while the employee was in service, whether before his retirement or during his re-employment, shall after the final retirement of the employee be deemed to be a proceeding under this rule and shall be continued and concluded by the authority by which it was commenced in the same manner as if the employee had continued in service. A doubt was raised as to whether in the case of an employee whose case falls within the purview of the proviso and proceedings against whom were instituted by an authority subordinate to Government, order for withdrawal/ withholding of pension can be passed by the subordinate authority on the conclusion of the proceedings. The function of the Disciplinary Authority is only to reach a finding on the charge and to submit a report recording its findings to the Government. Government will then consider the findings and take a final decision. In case Government decide to take further action under Rule 3 the Government will serve the person concerned with a show-cause notice specifying the action proposed to be taken under this rule and the person concerned will be required to submit his reply to the show-cause notice within such time as may be specified by the Government. The Government will consider the reply in consultation with the Public Service Commission and pass necessary orders in the name of the Governor.

The above procedure in regard to the issue of show-cause notice will also apply to a case where the Governor functions as the Disciplinary Authority.

Ruling No.3

*The note 2 above does not mean that the employee's or **pensioner's consent

@ [G O(P) No. 523/1967/Fin., Dated 05/12/1967]

* [G O(P) No. 45/1968/Fin., Dated 27/01/1968]

** [G O(P) No. 275/1986/Fin., Dated 31/03/1986]

should be obtained for recovering the liabilities from the death-cum-retirement gratuity payable to him. What contemplated is only a communication of such liabilities to him so as to enable him to submit his explanation before the recovery is effected. It should be specifically stated in the communication that if no reply is received within 30 days of its issue, it will be presumed that the employee or **pensioner has no explanation to offer and that further action will be taken on that basis.

- 3-A.(a)** Where any departmental or judicial proceedings is instituted under Rule 3 or where a departmental proceeding is continued under clause (a) of the proviso thereto, against an employee who has retired on attaining the age of compulsory retirement or otherwise he shall be paid during the period commencing from the date of his retirement to the date on which, upon conclusion of such proceeding final orders are passed, a provisional pension not exceeding the maximum pension which would have been admissible on the basis of his qualifying service up to the date of retirement, or if he was under suspension on the date of retirement up to the date immediately preceding the date on which he was placed under suspension, but no gratuity or death-cum-retirement gratuity shall be paid to him until the conclusion of such proceeding and the issue of final orders thereon.
- (b)** Payment of provisional pension made under clause (a) shall be adjusted against the final retirement benefits sanctioned to such employee upon conclusion of the aforesaid proceeding, but no recovery shall be made where the pension finally sanctioned is less than the provisional pension or the pension is reduced or withheld either permanently or for a specified period.

Note:—The grant of pension under this rule shall not prejudice operation of Rule 59 when final pension is sanctioned upon conclusion of the proceeding.

CHAPTER IV

CONDITIONS OF GRANT OF PENSION**Section I – Classification of Pensions**

- 32.** Pensions are divided into four classes, the rules for which are prescribed in this chapter:-
- (a) Compensation Pensions
 - (b) Invalid Pensions
 - (c) Superannuation Pensions
 - (d) Retiring Pensions

Section II – Compensation Pensions

- 33.** If an employee is selected for discharge owing to the abolition of a permanent post, he shall, unless he is appointed to another post the conditions of which are deemed by the authority competent to discharge him, to be at least equal to those of his own, have the option:
- (a) of taking any compensation pension or gratuity to which he may be entitled for the service he has already rendered, or
 - (b) of accepting another appointment or transfer to another establishment even on a lower pay, if offered, and continuing to count his previous service for pension.
- 34.** Selection for discharge.—
- The selection of the employee to be discharged upon the reduction of an establishment should prima facie be so made that the least charge for compensation pension will be incurred.
- 35.** The discharge of an employee to make room for another better qualified is not the abolition of an appointment within the meaning of Rule 33; the abolition must produce a real saving to Government. Particulars of the saving effected

should be fully set forth in every application for compensation pension. The saving should always exceed the cost of pension; otherwise it may perhaps be better to postpone the reduction of establishment or abolition of appointment.

36. No pension is admissible to an employee for the loss of an appointment on discharge after the completion of a specified term of service.
37. No pension may be awarded for the loss of a compensatory allowance or special pay.
38. If it is necessary to discharge an employee in consequence of a change in the nature of the duties of his office, the case should be referred to the Government, who will deal with it in accordance with the rules laid down in this section as to notice of discharge and compensation pension or gratuity.
39. If of two appointments held by an employee only one is abolished and it is desired to give him an immediate pension in respect of the abolished post, the case should be referred to Government .
40. Reasonable notice should be given to an employee in permanent employment before his services are dispensed with on the abolition of his office. If in any case notice of at least three months is not given, and the employee has not been provided with other employment on the date on which his services are dispensed with, then with the sanction of Government a gratuity not exceeding his emoluments for the period by which the notice actually given to him falls short of three months, may be paid to him, in addition to the pension to which he may be entitled under Rules 64 to 70 but the pension shall not be payable for the period in respect of which he received a gratuity in lieu of notice.

Note 1:— The gratuity prescribed in this Rule is not granted as compensation for loss of employment but only in lieu of notice of discharge, with a view to mitigate the hardship caused to an employee by the sudden

loss of employment. When therefore an employee discharged without notice is provided with some other employment on the date on which his service are dispensed with, whether that employment be in qualifying or non qualifying service, he is not entitled to any gratuity.

Note 2:– Unless it contains an express statement to the contrary, an order for the abolition of an office or appointment shall not be brought into operation till the expiry of three months after notice has been given to the employees whose services are to be dispensed with on such abolition. The immediate Head of the Office or the Department will be held responsible for any unnecessary delay in giving such notice. In the case of an employee on leave, the order shall not be brought into operation until the leave expires.

Note 3:– ‘Emoluments’ in this rule means the emoluments or leave allowances (or partly the one, partly the other), which the employee would be receiving during the period in question, had the notice not been given to him.

Government Decision

The gratuity paid in lieu of notice on abolition of an appointment should be charged to the particular department to which the pay of the appointment was debited before its abolition.

41. Rules requiring the refund of the compensation gratuity on re-employment, apply to a gratuity awarded under rule 40, if the employee is permanently re-employed within three months from the date of notice. But the employee need not refund that proportion of his gratuity under this rule, which the interval of his non-employment bears to the whole period for which the gratuity is given. If the employee is re-employed only temporarily he need refund no part of his gratuity but if such temporary employment is foreseen, the gratuity should be proportionately reduced.

Section III – Invalid Pensions

42. (1) Where the Government / pension sanctioning authority have / has reason to believe that an employee is suffering from a contagious disease, or physical or mental disability or infirmity which in their / its opinion interferes with the efficient discharge of his duties, they / it may direct him to undergo medical examination by a Medical Board or Medical Officer with a view to ascertain whether he may be retired from service on invalid pension.
- (2) *An invalid pension shall be granted to an employee who, having appeared on the directions of the Government / pension sanctioning authority under sub-rule (1) or on his own application, before a duly constituted Medical Board or Medical Officer is certified by such Medical Board or Medical Officer to be permanently incapacitated by a contagious disease or physical or mental disability or infirmity for the public service or for the particular branch of it to which he belongs.
- (3) # In the case of an employee who is invalidated under this rule irrespective of the length of service, put in by him the actual period of his qualifying service as on the intended date of invalidation shall be increased by a period of 5 years subject to the condition that the total qualifying service after allowing the weightage shall not exceed 30 years and the weightage shall not exceed the difference between the age of superannuation and the age at the date of invalidation. Fractions, if any in the qualifying service so arrived at shall be rounded to the nearest completed year, that is, fraction of less than half year shall be ignored and half year and above shall be rounded to the next completed year.

Rules regarding Medical Certificates

43. The incapacity for service must be established by a medical certificate

* [G O(P) No.51/1979/Fin., Dated 20/01/1979]

[G O(P) No. 220/1987/Fin., Dated 10/03/1987]

attested as follows:-

- (a) By a Medical Board, in the case of all gazetted Government employees whose pay as defined in Rule 12(23), Part I of these Rules, exceeds ₹ 500 per mensem.
- (b) In other cases, by a Medical Officer not below the rank of a Civil Surgeon.
- (c) No Medical certificate of incapacity for service may be granted unless the applicant produces a letter to show that the Head of his Office or Department is aware of his intention to appear before the Medical Officer. The Medical Officer shall also be supplied by the Head of the Office or Department in which the applicant is employed with a statement of what appears from Official records to be the applicant's age. Where the applicant has a Service Book, the age therein recorded should be reported.

Note:- Reciprocal arrangements have been entered into with the Mysore Government to the effect that employees including Police personnel of one State while staying in the other will be examined free of cost by a medical Board or a Medical Officer employed under the Government of the State concerned for the purpose of invalidating from Government Services. A medical requisition from the competent authority will be required before the medical examination is conducted.

Exception : - Last Grade Employees of the Forest Department who have attained the age of fifty-five may be granted invalid pension without the production of the medical certificate. It is enough if the Head of the Department certifies to their incapacity for further service.

Ruling

If an applicant suffering from any disease curable by operation refuses to undergo operation and is therefore invalidated, no pension or gratuity is admissible. Each case of invalidation on account of curable disease

should be decided on merits. The Head of Departments/Offices should forward such cases with the recommendation of the pension sanctioning authority / Head of the Department for the orders of the Government.

44. (a) A Succinct statement of the medical case and of the treatment adopted, should, if possible, be appended in the following form:-

(1) Name:

(To be filled in by the applicant in the presence of the Medical Officer who issues the medical certificate or the Medical Board constituted for the purpose, as the case may be)

(2) Appointment held by the Applicant:

(4) Total Service (years):

(5) Service in India (years):

(9) Treatment adopted :

Note:- The details required to fill in item numbers 2,3,4,5 and 6 have to be furnished by the Head of the Office in which the applicant is employed.

- (b) If the examining Medical Officer, although unable to discover any specific disease in the employee considers him incapacitated for further service by general debility while still under the age of fifty five years, he should give detailed reasons for his opinion, and if possible a second medical opinion should always in such a case be obtained.

- (c) In a case of this kind, special explanation will be expected from the Head of the

Office or Department of the grounds on which it is proposed to invalidate the officer.

45. A simple certificate that inefficiency is due to old age or natural decay from advancing years, is not sufficient in the case of an employee whose recorded age is less than fifty five years but a Medical Officer is at liberty, when certifying that the employee is incapacitated for further service by general debility, to state his reasons for believing the age to understated.

FORM OF MEDICAL CERTIFICATE

46. (a) The form of the certificate to be given in respect of an employee applying for pension is as follows:-

“Certified that I / we have carefully examined AB son of CD a
 in the
 department. His age is by his own statement
 Years and by appearance about years. I / we
 consider AB, to be completely and permanently incapacitated for further
 service of any kind in the Department to which he belongs in consequence
 of (here state disease or cause). His incapacity does not
 appear to me / us to have been caused by irregular or intemperate habits”.

Note:— If the incapacity is obviously the result of intemperance substitute for the last sentence: “In my / our opinion his incapacity is the result of irregular or intemperate habits”.

If the incapacity does not appear to be complete or permanent, the certificate should be modified accordingly and the following addition should be made: I am /we are of opinion that AB, is fit for further service of a less laborious character than that which he has been doing (or may, after resting for ... months, be fit for further service of a less laborious character than that which he has been doing)

- (b) The object of the alternative certificate of incapacity is that an employee

- should, if possible, be employed even on lower pay, so that the expense of pensioning him may be avoided. If there be no means of employing him even on lower pay, then he may be admitted to pension; but it should be considered whether in view of his capacity for partially earning a living it is necessary to grant to him the full pension admissible under rules.
- (c) The above certificate does not give an employee any right of transfer to any other Department; and an employee invalidated on a certificate in this form will receive either full pension admissible under rules or such smaller amount as may be decided by the authority empowered to sanction the pension.
47. Special precautions in the Police .-The Inspector General and the District Superintendents of Police should be on their guard against endeavours to retire on invalid pension by police personnel who are capable of serving longer.
48. Medical Officers should confine themselves to recommending leave to such policemen as are not likely to benefit by a further stay in hospital and should not certify that a policeman is incapacitated for further service unless they are officially requested to report upon his incapacity for further service.
49. Medical Officers should be specially searching in their examination of the physical unfitness of every applicant for pension, and whenever, the number of applicants for pension is large, the examination should, if possible, be conducted by two Medical Officers.
50. Restrictions- An employee discharged on other grounds has no claim under Rule 42, even though he can produce medical evidence of incapacity for service.
51. If the incapacity is directly due to irregular or intemperate habits, no pension can be granted. If it has not been directly caused by such habits, but has been accelerated or aggravated by them, it will be for the authority by which

the pension is grantable to decide what reduction should be made on this account.

Note :- The expression ‘irregular or intemperate habits’ occurring in this rule refers to incapacity on account of drug habits or on account of diseases resulting from immoral habits. Cases where incapacity occurs due to other causes, e.g., work at irregular hours due to exigencies of service and not due to own volition, do not come under the purview of this rule.

- 52.** Applicants to be discharged - An employee who has submitted under Rule 43, a medical certificate of incapacity for further service, must not (except for special reasons to be reported to the Government) be retained on duty pending a decision on his application for pension, nor can be obtain leave of absence.

Without the special orders of Government, duty after the date of such medical certificate does not count for pension.

- 53.** The object of Rule 52 is to discourage tentative applications; but last grade employee, who in the opinion of the Head of Office, is fit for light work may be retained in employment till his pension is sanctioned. Provided that his post is not filled up till he retires, and that his service counts only to the date of his medical certificate.

- 54.** Rule 52 refers only to the retention in duty of an employee who has furnished a medical certificate in support of an application for invalid pension or gratuity. The retirement of an employee who is absent on leave other than earned leave when such certificate is submitted, may have effect from the termination of his leave and the employee may continue to draw leave allowance to the end of his leave.

Note :-Where employees are invalidated when on long leave / leave not due the date of invalidating shall be that following the expiry of the leave already granted and he counts as service qualifying for pension the

period after the date of his invalidating certificate to the termination of his leave and the officer may continue to draw leave allowance to the end of his leave.

Section IV – Superannuation Pension

- 55.** A superannuation pension is granted to an officer entitled or compelled, by rule, to retire at a particular age.

* Provided that the employee may make a request in writing to the appointing authority to accept notice of less than three months giving reasons therefore. On receipt of such request the appointing authority may consider it for the curtailment of the period of notice of three months on merits and if it is satisfied that the curtailment of the period of notice will not cause any administrative inconvenience, the appointing authority may relax the requirement of notice of three months on the condition that the employee shall not apply for commutation of a part of his pension before the expiry of the period of notice of three months.

- (ii) If the retirement of the employee takes place while on leave not due, the retirement shall be effective from the date of commencement of leave and the leave salary paid, if any, shall be recovered either from the Death-Cum- Retirement Gratuity payable to him or otherwise;

Provided that where the authority competent to make appointment to the post does not refuse to grant permission for retirement before the date on which the employee wishes to retire specified in the notice under clause(i), the retirement shall become effective from the date specified in the notice;
- (v) Permission to retire shall be given in all cases except those in which disciplinary proceedings are pending for imposition of a major penalty or the disciplinary authority, having regard to the circumstances of the case is of the view that the imposition of the penalty of removal or dismissal from service would be warranted or in which prosecution is contemplated or may have been launched in a Court of Law against the officer;
- (vi) Cases in which permission cannot be given by the appointing authority shall be referred to Government intimating the fact to the person concerned, before the date specified in the notice as the date on which the employee desires to retire;
- (vii) The actual periods of qualifying service as on the intended date of retirement of the Government Servant shall be increased by a period not exceeding 5 years subject to the conditions that the total qualifying service after allowing the weightage shall not exceed 30 years in cases of retirements prior to 1/7/1978 and 33 years in respect of retirements occurring on or after 1/7/1978 and the

weightage shall not exceed the difference between the age of superannuation and that as on the date on which the voluntary retirement becomes effective. Fraction, if any, in the qualifying service so arrived at shall be rounded to the nearest completed year, that is, fraction of less than half year shall be ignored and half year and above shall be rounded to the next completed year;

- (viii) No notional fixation of pay shall be permissible on the basis of the qualifying service as increased under clause (vii);
- (ix) The amount of pension granted for the qualifying service as increased under clause (vii) shall be subject to the provisions of Rules 2,3 and 59;

* Omitted [G O(P) No. 617/1998/Fin., Dated 10/02/1998](w.e.f. 26/05/1987)

** Omitted [G O(P) No. 614/1998/Fin., Dated 10/02/1998]

Deleted[G O(P) No. 65/2010/Fin., Dated 10/02/2010](w.e.f. 04/03/1998)

56A. **At any time after a Government employee has completed thirty years of qualifying service, he may be required by the appointing authority to retire in the public interest, provided that the appointing authority shall give in this behalf, a notice in writing to the Government Servant at least 3 months before the date on which he is required to retire in the public interest or 3 months pay and allowances in lieu of such notice.

Note :- In order that the powers vested in the appointing authority are exercised fairly and impartially and not arbitrarily the following guidelines must be followed.

- (1) The criteria, to be followed by the appointing authority are:-
 - (a) Government employees whose integrity is doubtful will be retired.
 - (b) Government employees who are found to be ineffective will also be retired. The basic consideration in identifying such employee shall be the fitness/competence of the employee to continue in the post, which he is holding. If he is not found fit to continue in his present post, his fitness/competence to continue in the lower post from where he had been previously promoted, shall be considered.
 - (c) While the entire service record of an officer shall be considered for the purpose, no employee shall be retired on grounds of ineffectiveness if his service during the preceding 5 years or where he has been promoted to a higher post during that 5 years period, his service in the higher post has been satisfactory.
 - (d) No employee shall ordinarily be retired on ground of ineffectiveness if in any event; he would be retiring on superannuation within a period of 1 year from the date of consideration of his case.
- (2) Where it is proposed to (retire a Government Servant) in exercise of the

** [GO(P) No. 614/1998/Fin., Dated 10/02/1998]

powers conferred by this rule, the appointing authority shall record its opinion in the file that it has formed its opinion and that it is necessary to retire the Government Servant in pursuance of the above rule, in public interest such opinion shall not arbitrary or based on collateral grounds.

- (3) The rules relating to premature retirement shall not be used,
- (a) To retire on grounds of specific acts of misconduct, as a short cut to initiating formal disciplinary proceedings or
 - (b) For reduction of surplus staff or as a measure of effecting general economy without following the rules and instructions relating to retirement.
- (4) a) In case the appointing authority comes to the conclusion that the officer is not fit for being retained in the present post, but could be retained in the next lower post from which he was promoted, a notice shall be served in such a case on the employee retiring him from service in pursuance of the provision of the relevant rule. Simultaneously it may be explained to him in a covering letter that his continuance in service after the completion of 30 years of service could be considered if he is willing to be reverted to the lower post, held by him previously. In case he indicates his willingness to work in the lower post and gives a written request for being so reverted, he may be retained in service and continued in the lower post.
- (b) Employees who seek reversion to lower posts in lieu of premature retirement shall be made eligible for consideration for promotion after they have put in a service of two years in the lower post along with others in accordance with the normal rules by the D.P.C. or other selecting authority on the basis of subsequent records in the lower post.

(5) Procedure for consideration of representation:

- (i) A Government employee who has been served with a notice/order of premature retirement under the provision mentioned above, may submit a representation within three weeks from the date of service such notice/order.
- (ii) On receipt of the representation the appointing authority should examine the same to see whether it contains any new facts or any new aspect of a fact already known, but which was not taken into account at the time of issue of notice/order of premature retirement. After this examination, the case shall be placed within 3 months from the date of receipt of such representation before Government for final decision.

Ruling No 1

The power to retire an employee under this rule is exercisable by the authority competent to fill the appointment held by the employee. But orders permitting an employee to retire after twenty years qualifying service or orders requiring an employee to retire after thirty years qualifying service should as a rule not be issued until after the fact that the employee has indeed completed the required qualifying service has been verified in consultation with the Accountant General.

Ruling No.2

An employee who has elected to retire under this rule and has given necessary intimation to that effect to the competent authority, shall be precluded from withdrawing his election subsequently except with the sanction of the Government under the recommendation of the authority competent to fill the appointment, provided his request for withdrawal is made within the intended date of his retirement.

***56 B** A Government employee who is on Leave Without Allowances under Rule 88 or Appendix XII A/XII C of Part I Kerala Service Rules is also eligible to apply for voluntary retirement under Rule 56 and may be given permission to take voluntary retirement under Rule 56, without insisting on his rejoining duty, subject to the following conditions, namely:—

- (i) Voluntary retirement shall take effect only from the date of expiry of leave period sanctioned subject to condition (ii) below or on the date on which the employee wishes to retire, whichever is later, provided further that no person shall be allowed to take voluntary retirement with effect from a date prior to the date of receipt of application for voluntary retirement by the pension sanctioning authority.
- (ii) If the date on which he wishes to retire happens to be a date prior to the date of expiry of the Leave Without Allowances sanctioned originally, the application for voluntary retirement shall be accompanied by a request to cancel the balance portion of the Leave Without Allowances, not being availed of.
- (iii) If the date on which he wishes to retire happens to be a date subsequent to the expiry of the Leave Without Allowances sanctioned, the application for voluntary retirement shall be accompanied by an application to extend the Leave Without Allowances till the date of effect of voluntary retirement applied for. Such period of Leave Without Allowances, if extended, will not count for pension or any other Service benefit, except in the case of Leave Without Allowances on Medical Certificate.
- (iv) The application for voluntary retirement shall be submitted prior to the date of expiry of Leave Without Allowances sanctioned originally. Belated application shall be considered by Government only in very exceptional circumstances.

* Inserted [G O(P) No. 62/2010/Fin., Dated 10/02/2010](w.e.f 10/02/2010)

- (v) Average Emoluments in such cases shall be computed following the provisions contained in *Note 3* under Rule 63 Part III Kerala Service Rules, excluding periods of Leave Without Allowances and reckoning only the pay for prior periods, which qualify for pension. If any pay revision intervenes during the non qualifying period of Leave Without Allowances, the benefit of the same shall not be admissible for computing Average Emoluments. However, eligibility for minimum pension, and reckoning of number of years of qualifying service for pension will be based on the pension rules existing as on the date of effect of voluntary retirement.
- (vi) Average emoluments in the case of those who avail of Leave Without Allowances on medical certificate under Rule 88 Part I Kerala Service Rules shall be computed following the provision contained in *Note 1* under Rule 63 Part III Kerala Service Rules
- (vii) Those who opt to take voluntary retirement under this rule shall not be eligible for weightage as specified in Rule 56 (vii) Part III Kerala Service Rules, except in the case of those who avail of Leave Without Allowance under Rule 88 Part I Kerala Service Rules on Medical Certificate.

CHAPTER – V

Section I – Amount of Pension – General rules

- 57.** The amount of pension that may be granted is determined by the length of service as set forth in Rules 64 to 70. Fraction of a year, if any, in the service will be rounded to the nearest completed year, i.e., fractions less than half year, will be ignored and half year and above rounded to the next completed year:

Provided that for purposes of minimum service (i.e., 10 years) and maximum service (i.e., 30 years) for pension, fraction of less than a half year, if any, in the qualifying service above 9 years and 29 years respectively will be rounded to the next completed years, i.e., 10 years or 30 years as the case may be.

Note 1:– The term “pension” includes gratuity, death-cum-retirement gratuity and family pension also.

Note 2:–The grant of a compassionate allowance being an “act of grace” the grant of any further concession in the shape of rounding fraction of a year will not be allowed.

- 58.** Pension shall be fixed in whole rupees, fraction, if any, in the calculation of pension according to the rules being rounded off to the next higher rupee.

Note:– The term “pension” includes gratuity, death-cum-retirement gratuity, compassionate allowance and family pension also.

- 59.** Award of full pension – (a) The full pension admissible under this rule is not to be given as a matter of course, or unless the service rendered has been really approved.(b) If the service has not been thoroughly satisfactory, the Government may make such reduction in the amounts as they think proper.

Note 1:– Government may review their orders if the affected employee makes a request within a period of three months from the date of orders.

Note 2:– This rule does not operate to authorize a reduction of ordinary pension

either to nothing or to a nominal amount.

Ruling No.1

1. The power to reduce the pension under this rule has not been delegated by Government to subordinate authorities.
2. If a subordinate authority considers that it is open to question whether the full pension admissible under rules should be granted to an employee owing to his unsatisfactory character and conduct, the pension application shall be submitted to the Government for orders with a concise statement of the unfavorable circumstances appearing against that employee and a sufficient explanation thereof to enable the Government to form an opinion as to the propriety of reducing the pension.
3. Though Rule 59 (b) does not provide for an enquiry before taking action, the person affected may be given an opportunity of being heard to satisfy the principles of natural justice. A detailed enquiry is not necessary for reducing the pension, under this rule. But before ordering a reduction of pension the employee concerned may be given an opportunity to explain and vindicate himself as for instance when irregularities are detected after retirement and departmental proceedings are not feasible under Rule 3 *ibid*.

Ruling No.2

* Reduction of pension in the case of retired employees cannot be ordered under the Kerala Civil Services (Classification, Control and Appeal) Rules, 1960. In their case Rule 59 (b) of this Part is to be applied. No elaborate enquiry is necessary. But the retired employee concerned should be given an opportunity to explain and vindicate himself.

Ruling No.3

** In cases where the Government orders reduction of pension under Rules

* [G O(P) No. 4/1969/Fin., Dated 02/01/1969]

** [G O(P) No. 457/1967/Fin., Dated 20/10/1967]

2,3,6 or 59 (b) of this Part it should be effected in whole rupees only so that the resultant pension may be paid in whole rupees even after effecting reductions.

Government Decisions

1. In the case of an employee who is compulsorily retired as a measure of penalty and sanctioned a reduced pension in accordance with the provisions of Rule 6 a further reduction under this rule may not be made.
 2. (a) This rule cannot be used directly to effect a penal recovery, but Government are justified in making proof of a specific instance of fraud or negligence by an employee, the grounds for a finding that his service has not been thoroughly satisfactory within the meaning of this rule for the purpose of reducing his pension.
(b) The measure of the reduction in the amount of pension made under this rule should be the extent by which the employee's service as a whole has failed to reach thoroughly satisfactory, standard and any attempt to equate the amount of reduction with the amount of loss caused to Government is incorrect.
(c) This rule contemplates permanent reduction in the amount of pension ordinarily admissible and does not admit of the reduction of the pension payable in respect of any one particular year.
 3. *Minimum pension is fixed in consideration of the bare subsistence needs and given a delinquent officer a pension sufficient to maintain a subsistence level, will not therefore be misplaced leniency. Government have, therefore, decided that minimum pension will be admissible even in cases where pension is ordered to be reduced as a punishment.
60. **Limitation** .—An employee entitled to pension may not take a gratuity instead of pension.
61. In the case of an employee who has any service under the Government of India or of any other State, pension should not be fixed until it has been ascertained whether any pension is payable by the Government of India or other State Governments.

* [G O(P) No. 255/1971/Fin., Dated 12/05/1971]

**Section II – Pay and allowances reckoned for pension,
emoluments and average emoluments**

62. The term ‘emoluments’ when used in this Part means the emoluments, which the employee was receiving immediately before his retirement and comprises only the following †
- (a) Pay as defined in Rule 12 (23) in Part I of these rules and/or pay of the appointment under Rule 9 or 31 of the Kerala State and Subordinate Service Rules.
 - (b) Dearness Pay the employee was actually in receipt of.

** (c) Deleted

** Note 1:—Deleted

Note 2:—In the case of an employee, who has submitted medical certificate of incapacity for further service while on leave other than earned leave, the period of leave up to the date of its termination when that is later than the date of the medical certificate should be taken into account for the purpose of calculation of average emoluments.

Rulings

1. * Special pay admissible to persons on deputation from the State Service to other State Governments or to the Central Government or from one Government Department to another shall be counted as emoluments for the purpose of pension. The pay drawn in “Foreign Service” by an officer deputed under foreign service conditions in chapter XI, Part I, K.S.R. shall not however be treated as emoluments for pension. In such cases the pay he would have drawn under Government had he not been on Foreign Service alone shall be treated as emoluments.

‡ 2. Deleted

63. The term ‘Average emoluments’ means the average calculated upon the last @*ten months of qualifying service.

Note 1:- If during this period an employee has been absent from duty on leave with or without allowances which qualify for pension or having been suspended but reinstated in service without forfeiture of service, his emoluments for the purpose of ascertaining the average will be taken at what they would have been had he not been absent from duty or suspended provided that the benefit of pay in any officiating post will be admissible only if it is certified that he would have continued to hold that officiating post but for leave or suspension.

Note 2: – In the case of Press employees whose service qualifies under Rules 17, ‘Average emoluments’ means the average earnings of the last twenty four months in service.

Note 3: – If during the last *10 months of service any spell of service non-qualifying for pension falls, the above spell of service should be omitted in the calculation of the average and equal period before the *10 months should be included. †For computation of average emoluments, a calendar month is taken as having 30 days irrespective of the actual number of days in any month including the month of February. For computing emoluments for split days of a month, emoluments is to be calculated as proportionate to emoluments of 30 days.

Note 4:– Except as provided in Notes 1 and 2 above, only emoluments actually received can be included in the calculation. For example when an employee is allowed to count time retrospectively towards increase of pay, but does not receive retrospectively the intermediate periodical increments, these intermediate increments are not reckoned in the calculation. But in the case of retrospective confirmations, promotions, reorganizations, regradations, and revisions of scale of pay, average emoluments will be calculated based on the pay, the officers concerned are eligible for, as a result of the retrospective confirmations, promotions, reorganizations, regradations, or revisions of scales of pay eventhough they may not have actually drawn the same.

Note 5:– ‡ If an employee whose period of suspension during the last 10 months of qualifying service is treated as duty for all purposes, but for payment of full pay and allowances, and who retires on superannuation or dies while under suspension or in whose case the punishment of reduction in pay is imposed as a result of the disciplinary proceedings initiated against him, the emoluments for the purpose of calculating the average for pension, family pension and death-cum-retirement gratuity shall be taken at what they would have been had he not been suspended;

- ***Note 6** :- In the event of an employee absent from duty on leave with or without allowance during the last ten months prior to retirement/death and if the period qualifies for pension, the emoluments for purpose of computing pension and family pension, will be calculated based on the pay that would have been admissible had the employee been on duty, provided such period is reckoned as qualifying service for pension. (w.e.f 20.10.2000)
- ***Note 7** :- Emoluments for Death-cum-Retirement Gratuity means pay plus appropriated Dearness Allowance thereon drawn by the employee at the time of retirements/death or the pay plus appropriate Dearness Allowance thereon that would have been drawn by him had he not been absent on leave or suspension provided that such period qualifies for pension.(w.e.f 1.03.1997)

66. An employee who has completed five years of qualifying service may be granted additional gratuity not exceeding the amount specified in Rule 68 below, when he retires from service, and is eligible for a gratuity or pension under Section III.
67. If an employee who has completed five years of qualifying service dies while in service, a gratuity not exceeding the amount specified in rule 68 below may be paid to the person or persons on whom the right to receive the gratuity is conferred under Section V or, if there is no such person, to the surviving members of the family as defined in Rule 71 in the manner indicated below:
- (i) If there are one or more surviving members of the family as in items (a), (b), (c) and (d) of Rule 71, it may be paid to all such members, other than any such member who is a *divorced / widowed daughter in equal shares.
 - (ii) If there are no such surviving members of the family as at (i) above, but there are one or more surviving *divorced / widowed daughters and / or one or more surviving members of the family as in items (e), (f), (g), (h) and (i) of Rule 71, it may be paid to all such members in equal shares.

- (iii)**In the absence of any surviving eligible member of the family as defined in rule 71, death-cum-retirement gratuity shall be paid to eligible legal heirs in equal shares on production of a succession certificate from a Court of Law.

Note 1 :- The eligibility of a person to receive, the amount or share of death-cum-retirement gratuity should be determined with reference to the facts as they stand on the date of death of the Government employee and any subsequent event (e.g. remarriage of widow, marriage of an unmarried daughter, sister, etc.) will not affect that entitlement. If, however, a person who was entitled to receive the death-cum-retirement gratuity on the date of the death of Government employee dies before getting payment, the amount or share of gratuity should be redistributed in the manner indicated below:-

- (a) In case of 'no nomination` the amount of share of the gratuity admissible to the person concerned should be distributed in equal shares among the surviving eligible members of the family of the deceased Government employee.
- (b) If the person concerned was a nominee, the right to the amount or share of death-cum-retirement gratuity will pass on to the alternate nominee or nominees. In case there is no alternate nominee the amount or share of gratuity should be paid in equal shares to the co-nominees of the person concerned, if any, and failing that it should be distributed in equal shares among the surviving eligible members of the family of the deceased Government employee as in (a) above.

same manner as laid down in this rule, provided the eligibility of a person to receive the amount in full or a share thereof should be determined with reference to the facts as they stand on the date of retirement.

Note 3 :- The after born child of deceased employee is also eligible to get his/her share of Death-cum-retirement gratuity.

Government Decision

It has been brought to the notice of the Government that delay is caused in the payment of the share of death-cum-retirement gratuity due to a major surviving member of the family of the deceased employee where, in the absence of valid nomination, one major member of the family authorises another to receive the share due to him. The share due to one gratuitant can be disbursed to another gratuitant according to the wishes of the former, so long as he is not actually relinquishing his right to a share of gratuity, but only authorising another member or members to receive payment on his behalf. It has been decided that in case where a gratuitant desires another gratuitant to receive his share on his behalf, a power of attorney in the accompanying form given below should be insisted upon from the former. The power of attorney need not be registered in such cases, but may be got attested by the Tahasildar concerned as required by law. All pension sanctioning authorities are requested to follow the above procedure in future.

The family of employees who die before completing 5 years qualifying service will also be eligible for a gratuity equal to 6 times the emoluments of the officer at the time of his death except in cases in which death occurs in the first year of service when the gratuity admissible will be equal to two months’ emoluments.

This benefit will not be admissible if the employee had commuted a portion of his pension before death. (Vide Rules in Appendix X)

Ruling

The expression "sums actually received" occurring in Rule 69 has been used to indicate that all the amounts received by the employee by way of pension or gratuity should be taken into account and, accordingly, in addition to pension and gratuity drawn by the deceased employee, the temporary increase in pension should also be taken into consideration for determining the amount of residuary gratuity payable under Rule 69.

70. The 'emoluments' for the purpose of the section will be reckoned in accordance with Rule 62 provided that if the emoluments of an employee have been reduced during the last twelve months of his service otherwise than as a penalty, 'Average emoluments' as defined in Rule 63 may at the discretion of the authority which has power to sanction the gratuity under this section, be treated as the 'emoluments'.

Provided that, if at the time of making the nomination the employee has a family the nomination shall not be in favour of any person or persons other than the members of his family.

Ruling

Section VI – Non-contributory Family Pension

- *80. The scheme of family pension applicable under the Kerala Service Rule (1959) shall hereinafter be known as “Non-contributory Family Pension”.

A non-contributory family pension, not exceeding the amount specified to Rule 82/82A shall be granted to the family of an employee who is not governed by the rules in Section VII “Contributory Family Pension” and who dies, whether while in service or after retirement after completion of not less than 20 years’ qualifying service, for a period of ten years:

Provided that the period of payment of family pension will in no case extend beyond a period of 5 years from the date on which the deceased employee retired or on which he would have retired on a superannuation

pension in the normal course, according as the death takes place after retirement or while the employee is in service:

Provided further that the family pension shall not be granted to a widow /widower who has another living husband /wife at the time of the death of the employee. This will have effect from the date of this order.

Pension sanctioning authority will also be prepared, to consider, in exceptional circumstances, the award of family pension to families of employees who may die after completing less than 20 years qualifying service but not less than 10 years qualifying service.

Note 1 :- The “exceptional circumstances” referred to above are cases in which the amount receivable by the family by way of Insurance, Provident Fund and Death-cum-retirement gratuity of the deceased employee together does not exceed 48 times the monthly pay of the employee at the time of his death, or if the cash assets exceed that amount, the education of the children (child) of the deceased employee is not likely to be completed within a period of five years.

Provided that in the event of the happening of a contingency mentioned above during the extended period, the family pension ceases to be payable to any other member (including minor children of the Government employee's family)

******Provided further that the provision of this rule shall not apply to a widow / widower who has another living husband / wife. This will take effect from 1st April 1964.

Where the amount of family pension previously admissible exceeds ₹ 20 per mensem the amount of family pension payable for the extended period will be equal to half of such amount, subject to a minimum of ₹ 20 per mensem.

CHAPTER VI

EXTRAORDINARY PENSION RULES

Vide Rules 1 to 12 in Appendix XIII

CHAPTER VII

RE-EMPLOYMENT OF PENSIONERS**Section I – General**

91. An employee may not retire with the view to being re-employed, and drawing pension in addition to pay whether in the service of Government or of a Local Fund.
92. No person discharged on pension or gratuity shall be re-employed whether temporarily or permanently without the sanction of Government. When a person who was formerly in the employment of the Government of India or of any other State Government obtains re-employment, whether temporarily or permanently, in Government service or in the service of a Local Fund, it shall be incumbent on him to declare the amount of any gratuity, bonus or pension granted to him in respect of the previous employment. The order of re-employment shall specifically state whether any deduction is to be made from pension or salary as required by the rules of this Chapter and a copy of the order should be communicated to the Audit Office.

The attention of every employee who is re-employed should be specifically called to the provisions of this chapter by the authority re-employing him, and by the Audit Officer whenever he becomes aware of such an appointment; but the failure of such authority to do this will not be admitted as a ground for condoning any breach of the regulations contained in this Chapter.

Note 1:—A Compassionate allowance is, to all intents and purpose, a pension; and the rules regarding re-employment of pensioners are, therefore, equally applicable to the case of persons in receipt of a compassionate allowance. For purposes of re-employment, a compassionate allowance is the equivalent of a compensation or invalid pension and the recipient of the allowance, if re-employed is in the same position in respect of his title to draw his allowance during re-employment as the re-employed recipient of a compensation or invalid pension.

Note 2:— The retirement gratuity admissible under these rules is in lieu of a portion of pension. The pension equivalent of the gratuity should therefore be taken into account for determining the pay of an employee during re-employment. The table prescribed for the commutation of pension under these rules should be applied for the calculation of the pension equivalent.

93. Notwithstanding anything contained in the Chapter an injury or other extraordinary pension sanctioned under Appendix XIII to these rules and wound or injury or disability pension or a disability addition to pension awarded under the military rules or such pension awarded by the Government of India or any other State Government shall continue to be drawn by a retired person re-employed under the Government. The amount of such pension or addition to pension shall not be taken into account when fixing the pay during re-employment.

Section II – Re-employment of Civil Pensioners

94. Re-employment after Compensation Gratuity – An employee who has obtained a compensation gratuity, if re-employed in qualifying service, may either retain his gratuity, in which case his former service, will not count for future pension, or refund it and count his former service.

95. The intention to refund must be stated immediately on re-employment but the refund may be made by monthly instalments of not less than one-third of the employee's salary and also not less than the whole gratuity divided by the number of months which have elapsed since the end of the service for which the gratuity was given. The right to count previous service does not revive till the whole amount is refunded.

(The equity of this rule is based upon the consideration that so long as the refund of the gratuity is postponed, the employee avoids the risks and the State loses the possibility of the gratuity lapsing absolutely to the public treasury by the death or dismissal of the employee. A subsequent refund of gratuity even with compound interest does not compensate the State for the loss of this possibility meanwhile).

96. (a) An employee who has obtained a compensation pension, if re-employed, may retain his pension in addition to his pay, provided that if he is re-employed in a post paid from the General Revenues the pension shall remain wholly or partly in abeyance if the sum of the pension and initial pay on re-employment exceeds his pay at the time of his discharge, that is, an employee can draw so much of pension only as will make his initial pay plus pension equal to his pay at the time of his discharge. Once the amount of the pension has been fixed in conformity with the above condition the employee shall be entitled to receive the benefits of increments in his new scale or promotion to another scale or post without a future corresponding reduction in pension, nor shall the amount of pension so fixed be varied during leave. In the case, however, of a pensioner re-employed in either a permanent or a temporary appointment for bonafide temporary duty lasting for not more than a year, the Government may allow the pension to be drawn in whole or in part even though the sum total of pay and pension exceed his pay at the time of this discharge.

Note 1:— In the case of re-employment under a Local Fund, no deduction

need be made from a compensation pension.

Note 2 :- The Government may permit an employee who has obtained a compensation pension and afterwards re-employed in a permanent or temporary appointment sanctioned by Government to draw his full pension in addition to the pay and allowances of the appointment irrespective of the period of such re-employment.

- (b) If his re-employment is in qualifying service he may either retain his pension (subject to the proviso above stated) in which case his former service will not count for future pension or cease to draw any part of his pension and count his previous service. Pension intermediately drawn need not be refunded.

Note:-An employee counts his previous service under clause (b) if on re-employment, his pension remains wholly in abeyance under proviso to clause (a)

97. If an employee does not, within three months from the date of his re-employment, exercise the option conceded by the above rule, of ceasing to draw pension and counting his former service, he may not thereafter do so without the permission of the Government.
98. *After invalid pension* .- There is no bar to the re-employment of an employee who has regained health after obtaining invalid pension or of an employee invalidated as being incapacitated for employment in a particular branch of the service. The rules in such case as to refunding gratuity drawing pension and counting service are the same as in the case of re-employment after compensation pension.
99. *After superannuation pension or retiring pension* .- An employee who is in receipt of a superannuation or retiring pension shall not be re-employed or

continue to be employed in service paid from the General Revenues or from a Local Fund except in public interests.

- #100. The pay of re-employed State Government employee who retired from a post with pay scales currently in force will be the pay drawn at the time of retirement minus basic pension. In the case of others, the pay drawn at the time of retirement shall be updated and fixed at the appropriate stage in the scale of pay of the post held at the time of retirement or the scale of pay of the post of re-employment as the case may be, if it is a stage. If it is not a stage, pay will be fixed at the immediate lower stage and the difference being treated as Personal Pay or at the minimum of the scale of pay when the pay arrived at is less than the minimum. When appointments are made on re-employment basis to a post carrying lesser scale of pay then fixation shall be made in the scale of pay of re-employment. In the case of employees other than State Government employees, re-employment pay is to be fixed at the minimum of the scale of pay of the re-employment post. Re-employed pensioners are entitled to the benefit of Dearness Allowance, House Rent Allowance and City Compensatory Allowance applicable from time to time on the pay before reducing pension but are not entitled to Dearness Relief on pension. They will also be allowed the benefit of annual increment with effect from 1st April, 1992. Re-employed pensioners are not eligible for stagnation increment:

Provided that the pay and allowances of re-employment pensioners during the period from 1st January, 1996 to 6th June, 2000 shall be fixed as follows, namely:-

- a. Re-employed pensioners will be given pay minus pension and all other allowances attached to the re-employed post. They will be eligible to

get all pensionary benefits including Dearness Relief on pension due to them in full.

- b. The re-employed pensioners will be allowed the minimum of the scale of pay of the post of retirement as revised from time to time, irrespective of the scale of pay of the post of re-employment or the pay they had drawn at the time of retirement whichever is higher. In the case of those who are re- employed in the post, the scale of pay which is lower than the scale of pay of the post of retirement, pay will be fixed in the scale of pay of the post of re-employment, limiting it to the maximum of such scale of pay, if pay at the time of retirement was above it. If pay drawn at the time of retirement is not a stage in the relevant scale of pay, it will be fixed at the stage immediately below in that scale, the difference being treated as Personal Pay to be absorbed, in future increment. All variants of pay, such as Special Pay, Personal Pay, etc., included in the definition of 'pay' in sub-rule (23) of rule 12 Kerala Service Rules Part-I, and reckoned for pension will be reckoned for computing re-employment salary.
- c. The re-employed pensioners will be eligible to get Dearness Allowance, House Rent Allowance, City Compensatory Allowance and periodic increments.
- d. Notwithstanding anything contained above, the excess amount, if any, drawn prior to 7th June, 2000 including Interim Relief on re-employed pay shall not be recovered .

Exception I:- In the case of retired Supreme/High Court Judges, the re-employment pay together with pension and pension equivalent of other

forms of retirement benefits may exceed ₹ 3,500 but shall not exceed the pre-retirement pay.

Exception II:- Pensioners re-employed in part time condigent posts will be exempted from the purview of this rule in matter of fixation of pay.

***Note 1 :-** In the case of re-employed persons who had retired prior to 1988 Pay Revision and in whose case the basic pay plus Dearness Allowance at 608 Points of All India Consumer Price Index at the time of retirement was higher than the minimum of scale of pay of the corresponding post as revised in the 1988 Pay Revision Order, the basic pay in re-employment will be fixed at the corresponding revised scale at the stage equal to the total consisting of the pay at the time of retirement plus Dearness Allowance at 608 points of All India Consumer Price Index if not, the stage immediately below in that scale.

***Note 2 :-** The re-employed pensioners who retired prior to 1st March, 1992 will be allowed fixation of their re-employment pay at the appropriate stage in 1992 Pay Revision Scale and where it does not fit in with a stage in the scale of pay, it will be fixed at the stage immediately below in that scale. In the case of persons who were drawing pay less than the minimum of the 1992 Pay Revision Scale, the pay will be fixed at the minimum of that scale. For fixation of pay in the 1992 revised scales, basic pay at the time of retirement plus Dearness Allowance at 608 points of All India Consumer Price Index will be reckoned in the case of those retired prior to 1st July, 1988

***Note 3 :-** In the case of those who retired prior to 1st January, 1996 and re-employed thereafter the merger of Dearness Allowance allowed during the subsequent Pay Revision since retirement wherever applicable will have to be notionally added to update the pay by adding Dearness Allowance at 1510 points with effect from 1st March, 1997.

***Note 4 :-** In the case of those retired prior to 1st July, 2004 and re-employed thereafter, Dearness Allowance at 59% will have to be notionally added to update the pay.

Government Decision No.1

- * In cases where the re-employment pay fixed under the above rule is less than the minimum of the scale of pay of the post of the re-employment, the re-employment pay will be fixed at such amount and it will not be enhanced to the minimum of the scale

Government Decision No.2

In cases where delays are likely to occur in determining the pension and other pensionary benefits the re-employed person may be paid the full pay of the post on provisional basis which will be inclusive of his pension but will exclude an approximate amount of pension equivalent of gratuity provided he executes an agreement in the appropriate form (vide Annexure I to this section). He will also be required to furnish acquittance in the prescribed form (vide Annexure II to this section) indicating receipt of pay including pension. The acquittance should be obtained from the re-employed person concerned along with pay bill every month he is paid provisionally.

When the pension and other retirement benefits are ultimately sanctioned to the re-employed person by the competent authority the pay would be fixed after taking into account the pension and pension equivalent of other form of retirement benefits and he will have no fresh claim for pensionary benefits in respect of the past periods during which he drew the same along with the provisional pay. The actual amount of pension equivalent of gratuity will be adjusted against the gratuity to the extent it is different from the approximate amount deducted from the pay of the post provisionally paid.

This will apply only to the cases of State Government employees re-employed in the State Government.

Section III – Military pensioners re-employed

- 101.** Except where it is otherwise expressly provided the rules in Section II of this Chapter do not apply to an employee of the Defence Services who has been granted a pension under military rules and who is re-employed under the Government. The claims of such an employee to pay and allowances are governed by Rule 102. His pension for service in the Civil Department shall not be affected by his military pension.
- 102.(a)(i)** In the case of re-employed military pensioners of all categories including mustered-out pensioners, but excepting mustered-out pensioners of the ex-Travancore Cochin State Forces whose case is dealt with separately below, the pay otherwise admissible to them in the civil post will be reduced as shown below :

Rate of Military Pension	Amount of reduction in civil pay
(a) Pensions exceeding ₹ 125p.m	Nil
(b) Pensions exceeding ₹ 125 but not exceeding ₹187.50 p.m.	Amount in excess of ₹ 125 of Military Pension

Note :-†The pay of military pensioners who are on re-employment at the commencement of these rules shall be refixed according to the above

†[G O(P) No. 728/1979/Fin., Dated 10/08/1979]

rates with effect from the date of commencement of these rules.

Government Decision

**The reduction in civil pay contemplated in the sub-rule in respect of a military pensioner re-employed is applicable throughout the re-employed service and will be effected not only at the initial fixation but also on every occasion of subsequent promotion/revision and will be subject to the condition that pay plus military pension and pension equivalent of other forms of retirement benefit for the military service shall not exceed ₹ 3500 per month. The reduction will not, however be effected when an increment is earned. In the case of promotion/revision of pay “the pay otherwise admissible” (excluding reduction) shall be fixed under the normal rules in Kerala Service Rules with reference to “the pay otherwise admissible excluding reduction and including increments” and then the reduction contemplated in the sub-rule shall be effected.

(ii) The pay on re-employment in Civil Departments of retired military personnel who received only a gratuity shall be fixed taking into account the gratuity received from the military authorities. For this purpose, the pension equivalent of the gratuity based on the commutation table given in Appendix X will be arrived at and then the pay on re-employment in the civil post fixed by applying the table of calculation mentioned above.

(iii) *The Emergency / Short Service Commissioned Officers who joined pre-commissioned training or were commissioned after 1st November 1962 may on their appointment in Government Service to unreserved vacancies, be granted advance increments equal to the completed years of service rendered by them in the Armed Forces on basic pay (inclusive of deferred pay but excluding other emoluments) equal to or higher

**[G O(P) No. 717/1981/Fin., Dated 29/10/1981]

than the minimum of the scale, attached to civil post in which they are employed. The pay so arrived at should not, however, exceed the basic pay (including the deferred pay but excluding other emoluments) last drawn by them in the Armed Force. When the minimum of the scale of pay in the civil post to which a pensioner is re-employed is more than the last pay drawn by him before retirement, his initial pay in the civil post shall be fixed at the minimum of the scale of pay of the re-employed post.

- (b) In respect of mustered – out pensioners of the ex-Travancore-Cochin State Forces who are provided with permanent alternate employment in civil posts under the State Government, the question of any reduction in their civil pay does not arise. In the case of these mustered out pensioners of the ex-Travancore – Cochin State Forces, who are not so permitted to count their military service or who do not desire to have their previous service counted for purposes of pension for the civil post or those whose appointments in the civil post are only temporary, their pay on re-employment will be governed by the same rules as are applicable to ordinary military pensioners enunciated above.

Ruling

Wound or extraordinary pension should be reduced or terminated only in virtue of the conditions of its award and should not be affected by the pensioner's re-employment in Government Service.

Section IV – Pension for new service

103. Except as provided in Rules 101 and 102 an employee who, having been discharged with a pension is subsequently re-employed, may not count his new service for a separate pension. Pension, if any, is admissible only for the new service combined with the old, the whole being counted as one service.

- 104.** If an employee who has obtained a compensation or invalid pension is re-employed in pensionable service and retains the pension (See Rule 94) the pension or gratuity admissible for his subsequent service is subject to the following limitation, namely that the capital value of pension shall not be greater than the difference between the value of the pension that would be admissible at the time of the employee's final retirement if the two periods of service were combined, and the value of the pension already granted for the previous service.
- 105.(a)** If a gratuity received for the earlier service has not been refunded gratuity or pension (as the case may be) may be allowed for the subsequent service on condition that the amount of such gratuity or the present value of such pension plus the amount of the previous gratuity shall not exceed the amount of gratuity or the present value of the pension that would have been admissible and the gratuity received for the earlier service been refunded.
- (b)** If the amount of such gratuity or the present value of such pension, plus the amount of the previous gratuity exceeds the amount of gratuity or of the present value of the pension that would have been admissible if the gratuity received for the earlier service had been refunded, the excess must be disallowed.

(For the purpose of Rules 104 and 105 the capital value of pension shall be calculated in accordance with the table prescribed in Appendix X.)

Section V – Commercial employment after retirement

- 106.** If an employee who belonged to the first grade (vide Travelling Allowance Rules) at the time of his retirement wishes to accept any commercial employment before the expiry of two years from the date of his retirement he should obtain the previous sanction of Government to such acceptance. No pension shall be payable to a pensioner who accepts a commercial employment without such sanction in respect of any period for which he is

so employed or such longer period as the Government may direct, provided that an employee permitted by the Government to take up a particular form of commercial employment during his leave preparatory to retirement shall not be required to obtain subsequent permission for his continuance in such employment after retirement.

Note 1:— In this rule, ‘Commercial Employment’ means employment in any capacity including that of an agent, under a company[**] firm or individual engaged in trading, commercial, industrial, financial or professional business and includes also a directorship of such company and a partnership of such firm and employment in private institution like the Devaswom Board.

†Government Decision

The service in the Government companies and the companies in which Government have majority of shares, or institutions like Kerala Financial Corporation and other statutory corporations *and Government Sponsored organization like Co-operative Societies will not come under the purview of commercial employment and will be treated in the same manner as re-employment in Government service in so far as re-employment pay of retired Government employees are concerned. This Decision takes effect from 27th June 1974.

Section VI-Employment under other Governments after retirement

CHAPTER VIII

PROCEDURE RELATING TO PENSIONS

APPLICATIONS FOR AND GRANT OF PENSIONS

Section I – General

- 108 (1)** The rules in this Part shall apply to all Government employees applying for pension under the Kerala Service Rules.
- (2)** For the purpose of this part “gratuity” means death-cum-retirement gratuity under Rule 66 and includes service gratuity under Rule 64, if any.
- 109.** Every head of department shall have a list prepared every six months, on the 1st January and the 1st July each year of all gazetted and non-gazetted government employees who are due to retire within the next 12 to 18 months of that date. † Provided that where the minor child is under the care of a de facto guardian while the natural guardian is alive and the natural guardian consents to the payment of amount or share of the gratuity to the de facto guardian, it shall be payable to de facto guardian, on production by him of-

- (i) A certificate from the Tahasildar of the Taluk to the effect that the minor is under the care and custody of the de facto guardian;
- (ii) The written consent of the natural guardian duly attested by two witnesses; and

Note 1 :-The legal position as to whom the capacity of minor natural guardian/ legal guardian, the share of a minor would be payable is explained as under: -

- (i) Where no valid nomination subsists. –
 - (a) When a share payable to minor sons or minor unmarried daughters it should be paid to the surviving parent except in the case when the surviving parent happens to be a Muslim lady, where, however, there is no surviving parent, or the surviving parent is a Muslim lady, payment will have to be made to the persons producing the guardianship certificate.
 - (b) When a share is payable to a widowed minor daughter production of a guardianship certificate would be necessary.
 - (c) If in a rare case the wife herself happens to be a minor the death-cum-retirement gratuity payable to her shall be paid to the persons producing the guardianship certificate.
 - (d) When there are no surviving members of the family as in items

†Inserted [G O(P) No. 181/1978/Fin., Dated 13/02/1978, w.e.f 13/02/1978]

(a), (b), (c) and (d) of Rule 71 and the death-cum-retirement gratuity becomes payable to a minor brother or a minor unmarried sister, the payment should be made to the father or, in his absence the mother of the beneficiary except in the case where the mother happens to be a Muslim lady. If the death-cum-retirement gratuity becomes payable to a minor child of a predeceased son, payment should be made to the mother of the beneficiary except in the case where the mother happens to be a Muslim lady. In these cases too, if there is no surviving parent or the surviving parent happens to be a Muslim lady, the payment shall be made to the person producing the guardianship certificate. If any share is payable to a widowed minor sister, the production of a guardianship certificate would be necessary.

- (ii) Where a valid nomination subsists. –
- (a) Where the nomination is in respect of one or more of the minor members of the family, the position stated above would apply.
 - (b) Where there is no family, the nomination in favour of an illegitimate child, or a married sister would also be valid. The position would, therefore, be as follows: -
 - (i) If the nominee is an illegitimate child, share will be payable to the mother, and, in her absence the production of a guardianship certificate would be necessary.
 - (ii) If the share is payable a married minor girl, the share will be payable to the husband.

Explanation : The term “surviving parent” mentioned in Note 1 (i) above does not include “surviving step mother”.

Note 2 : –Payment of death-cum-retirement gratuity to the extent

of ₹*100000 (or the first ₹*100000 where the amount payable exceeds ₹*100000) in favour of a minor may be made to his/her guardian in the absence of a natural guardian, without the production of a formal guardianship certificate but subject to the production of an indemnity bond in Form 8A with two suitable solvent sureties to the satisfaction of the sanctioning authority. The balance in excess of ₹*100000, if any, would become payable on the production of a certificate of guardianship.

It is essential that there should **prima facie** grounds for making payment on the production of an indemnity bond to the person claiming it. Such ground can exist only if he is shown by a sworn declaration to be a **de-facto** guardian and his bonafides have been ascertained. Even if a guardian has not yet been appointed by the court, if the minor and his property are in the custody of some person, such person is in law **de-facto** guardian. The authorities making the payment should therefore, require the person who comes forward to claim payment on behalf of the minor, to satisfy them by an affidavit that he is in charge of the person and property of the minor and is looking after it or that, if the minor has no property other than the gratuity the minor is in his custody and care. The affidavit so to be produced is in addition to the indemnity bond with suitable sureties.

Note 3 :-In cases where the surviving parent happens to be a Muslim lady and where the aggregate amount of the gratuity due to her minor children does not exceed one thousand rupees, the share of the death-cum-retirement gratuity due to them will be paid to her on production of a certificate issued by the Tahasildar in whose jurisdiction the beneficiaries live, that the minor children are under her care and custody.
